**PETITION TO VACATE A PORTION OF ARTHUR STREET,
A PORTION OF JOHN STREET AND A PORTION OF THOMAS
STREET IN THE PLAT OF R. C. SCHULZ ADDITION,
CITY OF MERRILL, LINCOLN COUNTY, WISCONSIN**

TO; COMMON COUNCIL OF THE CITY OF MERRILL, WISCONSIN

We, the undersigned owners of lots and lands in the City of Merrill, Wisconsin, herewith petition the Common Council, City Plan Commission and Board of Public Works of the City of Merrill to vacate and discontinue the following described streets in said City, which are set out in orange on the attached map and the attached CSM No. 2386, in accordance with Sec. 66.1003(2) and 66.1003(5), Wisconsin Statutes, and City of Merrill Municipal Code Chapter 32.99, and described as follows:

All that part of Arthur Street in R. C. Schulz Addition, City of Merrill, Lincoln County, Wisconsin, described as follows, to-wit: Beginning at the Southeast corner of Lot 11, Block 3, thence westerly along the south line of Lots 11 thru 16, Block 3 and Lot 1, CSM No. 2386 to the Southwest corner of Lot 1, CSM No. 2386, thence continuing in a line parallel to the south line of Lot 1, CSM No. 2386 to a point on the west line of Thomas Street, thence continuing along the west line of Thomas Street to Devil Creek, thence southeasterly along Devil Creek to the Northwest corner of Lot 2, CSM No. 2386 thence East along the north line of Lot 2, CSM No. 2386 to the Northeast corner of Lot 2, CSM No. 2386, thence continuing Easterly along the South line of Arthur Street as set out in the Plat in Book 2, page 29 of Book of Plats, Lincoln County, Wisconsin, to Foster Street, thence Northerly to the place of beginning.

AND the South end of John Street in R. C. Schulz Addition, City of Merrill, Lincoln County, Wisconsin, described as follows, to-wit: Beginning at Southwest corner of Lot 16, Block 3; thence North along the west line of Lot 16, Block 3 to the Northwest corner of Lot 16, Block 3; thence West to the Northeast corner of Lot 1, CSM No.2386, thence South along the east line of Lot 1, CSM No.2386 to the Southeast corner of Lot 1, CSM No.2386; thence East to the place of beginning.

AND the South end of Thomas Street in R. C. Schulz Addition, City of Merrill, Lincoln County, Wisconsin, described as follows, to-wit: Beginning at the Northwest corner of Lot 1, CSM No.2386; thence West in a line parallel to the north boundary of said Lot 1 to a point on the West line of Thomas Street; thence South along the West line of Thomas Street to a point 66 feet West on a line parallel to the South line of said Lot 1; thence East 66 feet to the Southwest corner of said Lot 1; thence North along the west line of said Lot 1 to the place of beginning.

Our reasons for seeking vacation are to make our properties whole (all of a piece) and to protect the same from trespassers by installing fences.

The R. C. Schulz Addition to Merrill, Wisconsin plat is dated September 24, 1892 and recorded September 26, 1892 in Book 2 on page 29 of the Records of Plats in the Register of Deeds office in Lincoln County, Wisconsin, which said land was surveyed and platted by the order and direction of R. C. Schulz. Therefore, the plat was recorded more than 40 years previous to this petition for vacation. During the period between September 26, 1892 and the date of filing this petition, the

street areas sought to be vacated have not been improved as streets. The street areas sought to be vacated are not necessary to reach other platted property.

The areas sought to be vacated contain the following approximate square footage and acreage: Arthur Street is $60 \times 918 = 55,080$, John Street is $66 \times 120 = 7,920$, and Thomas Street is $66 \times 120 = 7,920$ which totals 70,920 square feet divided by 43,560 (square feet in one acre) = 1.63 acres.

The one-block portion of Arthur Street in Block 1 of Schulz Addition which is west of the portion of Arthur Street sought to be vacated has already been vacated by Resolution of the City Common Council on May 10, 1960 as to the portion south of Lots 1 and 2 of Block 1, and on June 13, 1961 as to the alley east of Lot 4 and the portion of Arthur Street south of Lots 3, 4 and 8 all in Block 1, photocopies attached.

The 16 foot alley immediately north of Lot 1, CSM No.2386 has not been vacated and the owner (Jennifer Beach) south of that alley does not wish that alley to be vacated because Wisconsin Public Service uses that alley for the maintenance of their power poles and lines. This information has been offered for clarity purposes only.

Presently there are no utilities on, under, over or through the portions of streets being sought to be vacated and we would object to the City reserving the right to install future utilities in the vacated portions. At the present time, no development is planned for the properties involved.

The persons owning land abutting the areas sought to be vacated (other than the City of Merrill with regard to the alley) are the petitioners who own the areas set out on the attached maps and color-coded on said maps and described as follows, all in the City of Merrill, Lincoln County, Wisconsin:

JENNIFER BEACH: Lot 1 and Lot 2 of CSM No.2386 (formerly Lots 9 thru 16, Block 2 and AP 612 except the East 423.8 feet thereof);

DENNIS AND MELISSA RUGE: Lots 5, 6, 7 and 8, and part of vacated alley west of Lots 5, 6, 7, and 8 and vacated portion of Arthur Street south of Lot 8, all in Block 1, R. C. Schulz Addition;

EUGENE R. BROWN: Lots 9 thru 16 and parts of vacated alleys, Block 3, R. C. Schulz Addition, and the East 423.8 feet of Assessors Plat 612, and Outlot 1 of CSM No. 2386.

We enclose our check in the amount of \$175.00.

RESPECTFULLY SUBMITTED, 4/19/13

Bill,

Please place an item on the BPW agenda for the removal of street curb on Center Ave. in front of the Citgo station. Info is attached for the agenda package. Thanks!

When the traffic circle was installed the driveways at the Citgo station were changed by the WDOT. The only access to and from Center Ave. ended up being the alley entrance and a 10 foot wide driveway just to the north of the alley separated by 10 feet of curb. This arrangement has made access to the station a problem for customers. The owner has requested that the 10 feet of curb separating the two access points be removed. I spoke with Rich Handrick with WDOT, the engineer in charge of this district. He told me that if the City wanted to allow this section of curb to be removed they would not object but they also would not pay to do so. I have attached the email from Rich Handrick below.

I spoke with the owner and told him I would be taking this request to the Board of Public Works but that if approved the City would not pay for the removal and replacement, he was OK with that. It is my recommendation that this action be approved by the Board of Public Works.

Subject: RE: Round-about

Dave – I understand the concern here. The existing alley access is quite narrow, and it is obvious that the access is used by the gas station and its customers. Actual permitting of any changes would be the responsibility of the City, as this connection does not fall on the state highway system. However, due to the proximity to the RAB, WisDOT does have cause for concern any time modifications are proposed within the 'functional area' of an intersection on the state system. That being said – I don't feel the removal of a maximum of 10' of curb to widen that access point will have an overly negative impact on the operation and safety of the RAB. Surely there is a benefit for drivers being able to make the right turn maneuver without driving up and over the curb.

Hope that helps – please let me know if you need any more information from me.

2014 PLOW TRUCK CHASSIS QUOTES

DEALER	QUINLAN'S EQUIPMENT	TRUCK COUNTRY	MID-STATE TRUCK	SCAFFIDI TRUCK	J X TRUCK CENTER
CHASSIS MAKE & MODEL	INTERNATIONAL 7400 SFA 4X2	FREIGHTLINER 108SD	INTERNATIONAL 7400 SFA 4X2	MACK GU432	PETERBUILT 348
QUOTE PRICE	\$78,235.00	\$79,600.00	\$80,800.00	\$86,368.68	\$86,979.00

There are a few things that were missed in the specifications that should be added to the truck chassis when ordered. The items are:

1. Extended life coated oil pan
2. Cab sound insulation
3. Ergonomic dash panel
4. Road speed wire coiled under instrument panel
5. Switch for exhaust mounted in instrument panel, inhibits diesel particulate filter regeneration.
6. All coolant and heater hoses to be silicone.

To add these items to Quinlan's Equipment quote would be an additional \$579.04. This would put the quote price for this chassis at \$78,814.04

The sales representative from Mid-State Truck came to me a few days after the quote opening and told me that their quote includes these items and a few more options that were not in the quote specs and these options have a value of \$1,131.00 and that they were willing to lower their quote price to \$79,000.00.
