(Code 1993, § 10-4-3)

- **Sec. 36-252. - Unauthorized operation of motor vehicles on public or private property.**

- (a) *Definitions.* The following words, terms and phrases, when used in this section, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

Motor vehicle means any vehicle which is self-propelled and shall include, but not be limited to automobiles, trucks, jeeps, vans, motorcycles, motorbikes, go-carts, motorized three-wheeled vehicles, all-terrain vehicles, mopeds, snowmobiles, dune buggies and tractors. The term "motor vehicle" shall not mean any airplane, railroad train, boat, wheelchair or bicycle. A vehicle which would otherwise be defined as a motor vehicle under this section shall not be so defined while:

- (1) It is being operated solely for the purpose of construction or maintenance of an improvement to land or solely for access to construction or maintenance sites provided such operation is by persons having legitimate business on such lands or sites;

Operation means the physical manipulation or activation of any of the controls of a motor vehicle necessary to put it in motion.

Unauthorized means without the express prior consent of the owner, lessee, manager or other person authorized to give consent by the owner or lessee of land. Authorization shall not be implied from a failure to post private or public land.

(b) *Purpose.*

- (1) The unauthorized off-road operation of motor vehicles has resulted in serious damage to public and private lands including damage or destruction of vegetation, animal life and improvement to the lands;
- (2) The unauthorized off-road operation of motor vehicles has resulted in the permanent scarring of land and an increase in both erosion and air pollution;
- (3) The unauthorized off-road operation of motor vehicles has resulted in collisions and near collisions threatening the life and safety of the operators of such vehicles as well as of other persons; and
- (4) The unauthorized off-road operation of motor vehicles has resulted in a loss of the privacy, quietude and serenity to which the owners and users of land are rightfully entitled.

(c) *Prohibited.*

- (1) The unauthorized off-road operation of a motor vehicle is prohibited.
- (2) Except for authorized maintenance vehicles and snowmobiles or all-terrain vehicles operating in authorized areas pursuant to sections [36-219](#) and [36-250](#), it shall be unlawful to operate any minibike, go-cart, all-terrain vehicle or any other motor-driven craft or vehicle principally manufactured for off-highway use on the city streets, alleys, parks, sidewalks, bikeways, parking lots or on any public lands or private lands or parking lots held open to the public. - (c) *City property.* This section shall also apply to public property without permission within the city limits.
- (d) *Routes.*
 - (1) The city shall from time to time adopt nonconforming routes within the city limits, which maps shall be kept on file at the office of the city clerk, office of the city engineering department representative and police department. The health and safety committee of the city shall make a recommendation as to said routes for action by the common council. These routes are intended only to allow said nonconforming vehicles to be driven on or across city streets and city property within the city limits as an exception to subsection (b) of this section.
