**Subject:** Fwd: Dead End sign

Morning Dave and Steve,

Is this something you could get added to the health and safety committee and or public works for discussion?

Thanks for the help!

Steve

**Subject:** Dead End sign

Hi Steve- We live on the end of Adams Street on the dirt part of the road, and us and the neighbors were hoping we could have a dead end sign added close to 10th St. People often don't realize it's not a through street and turn around by our house and then go flying back down the road. There are dogs and kids on our road and we're hoping a sign will deter them from entering the road if unintentional.

Let me know if that something you're able to help with as alderman. Thanks,

Nicole and Troy Johnson

## Police Department

Chief Corey A. Bennett  
Captain Dale A. Bacher • Captain Greg D. Hartwig  
1004 East First Street • Merrill, Wisconsin • 54452-2586  
Phone (715)536-8311 • FAX (715)536-5930

**1-14-19**

Board of Public Works,

The purpose of this letter is to update you on the subject that was presented to you at your last meeting. Specifically, student pedestrian crossings on W. Main St in the 6<sup>th</sup> Ward.

Our officers observed this stretch of roadway approximately 15 times in November and December of 2018 during the time school was in session. At most 2-3 different kids are crossing Main St. to presumably get to or walk from Jefferson School. This is not a consistent number every day. Additionally, a maximum of 5 kids have been seen in the area of the W. Main St. and Thomas St. crossing but these are PRMS or MHS students waiting for the bus pick up.

I have attached a mapping of pedestrian/bicycle crashes in the city since 2010. None appear to have occurred in that stretch of W. Main St. I have also attached a heat map of historical motor vehicle crashes in that same area for reference.

I believe there was also a request made to the Common Council regarding traffic control signage at Kyes/E. 8<sup>th</sup> St. I have attached a historical crash data heat map for that area as well. At this point there appears to be no reported crashes at that intersection and certainly no pedestrian/bicycle crashes in the vicinity. That being said, the Police Department is in support of controlling all uncontrolled intersections with proper signage. We understand budgets do not always allow for this to happen immediately and drivers, bicyclists, and pedestrians are ultimately responsible for properly yielding the right of way at uncontrolled intersections.

Sincerely,

Corey A Bennett, Chief of Police

TO: Board of Public Works

FROM: Darin Pagel, Building Inspector

Dear Board Members,

Since the last meeting, have been very busy with multiple issues around the City . The following are some highlights.

Daily building and zoning questions, issuance of permits, and inspections.

Have been working on multiple exterior maintenance and nuisance files.

Working with City attorney on multiple issues.

Have been working on some future development.

Working on exterior maintenance for compliance this summer.

Working on garbage cleanup of properties. Fee increase has improved compliance.

Sidewalk project main area complete, Street Dept doing some miscellaneous.

Setting up 2019 sidewalk project area, will be putting out for bid after hearing.

We have included exterior maintenance and nuisance list.

I will be at the meeting if there are any questions.

**CITY OF MERRILL STREET DEPARTMENT**

**STREET SUPERINTENDENT**

**REPORT TO THE BOARD OF PUBLIC WORKS**

**January 23, 2019**

**Tree Work** – With the lack of snow removal work so far, we have been able to focus on tree work. The crew finished cleaning up the storm damage at the former Whispering Pines site as well as the Water Utility. We have also been taking down diseased/dead boulevard trees as well as routine pruning. Our goal is to prune 1/3 of our boulevard trees each year and this will be a good winter to accomplish that.

**Snow Removal** – While there hasn't been much in the way of large snowstorms yet this winter, small snow events as well as thawing/freezing has created a fair amount of ice on lesser traveled streets, sidewalks and alleys. We continue to treat these areas as needed.

**Street Work** – Freezing/thawing conditions as well as rain has resulted in plenty of potholes around town. We have been working to keep them filled as best we can considering the weather. Planning has begun for 2019 projects like crack sealing, chip sealing, storm sewer work and street repairs.

**Garbage/Recycle** – Recycle collection continues to increase while our garbage tonnage continues to decline. We normally see an increase in recyclables after the holidays; however this trend has continued and is resulting in our crew taking the trucks to Eagle River almost every other day. I believe this is a result of our crew's efforts to help people recycle more efficiently as well as getting some residents who have never recycled to start.

**Sidewalk Notices** –Street Commissioner Liberty has been working with our staff to keep sidewalks clear. The melting and re-freezing has resulted in a high number of icy sidewalks that need to be treated.

**City Garage** – Normal repairs and projects by our mechanics in the shop. The crew has started assembling the LED traffic signals for the Center Ave & Hwy G intersection and will be installing them as the weather allows. Chief Klug and I have worked out an agreement to begin servicing the Lincoln County ambulances currently housed in Tomahawk at our shop. This should be a considerable cost savings for the county as they are currently having their rigs serviced privately. The crew also attended a Work Zone Safety training sponsored by the Federal Highway Administration held at NTC. We will be following up with our own in-house training based on some of the situations we have here in town.

Respectfully Submitted,

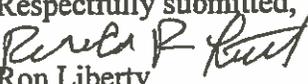

Dustin Bonack  
Street Superintendent

## NOTICE OF PUBLIC HEARING

All persons interested will be given an opportunity to be heard at a public hearing to be held by and before the Board of Public Works of the City of Merrill, Wisconsin, commencing at **6:00 p.m., on Wednesday, January 23, 2019**, in the Council Chambers at City Hall, Merrill, Wisconsin, on the following proposed matter, to wit:

1. Sidewalk inspection pursuant to sidewalk inspection program. Sidewalk maintenance area is generally confined to the south half of District 5, from West 4<sup>th</sup> Street south:
  - a) Isolated sidewalk repairs requested or needed.
  - b) Driveway approaches requested or needed.
  - c) Curb and gutter requested or needed.
  - d) New sidewalk extensions as requested and/or approved by Board of Public Works.
  
2. Reconstruction of N Poplar Street from East 2<sup>nd</sup> Street north to East 4<sup>th</sup> Street involving:
  - a) Replacement and upgrade of existing storm sewer
  - b) Curb and gutter and pavement replacement
  - c) Limited sidewalk replacement associated with curb and gutter replacements.
  
3. Reconstruction of N Court Street from East 2<sup>nd</sup> Street north to East 5<sup>th</sup> Street involving:
  - a) Replacement of water main and laterals.
  - b) Replacement of sewer main and laterals.
  - c) Replacement and upgrade of existing storm sewer
  - d) Curb and gutter and pavement replacement
  - e) Limited sidewalk replacement associated with curb and gutter replacements.

4. Reconstruction of N Cleveland Street from East 4<sup>th</sup> Street north to East 6<sup>th</sup> Street involving:
  - a) Replacement of water main and laterals.
  - b) Replacement of sewer main and laterals.
  - c) Replacement and upgrade of existing storm sewer
  - d) Curb and gutter and pavement replacement
  - e) Limited sidewalk replacement associated with curb and gutter replacements.
  
5. Paving of Alley, the 200 and 300 block between N. Center Ave. and N. Park Street involving:
  - a) Grading existing alley
  - b) Asphalt paving
  
6. Paving of Alley, the 1100 block between E Second Street and E Third Street involving:
  - a) Grading existing alley
  - b) Asphalt paving

B. Said public improvements shall include, where appropriate:

1. The grading of said street.
2. The surfacing of said street with asphalt.
3. The installation of curb and gutter on said street.
4. The installation, removal or replacement of sidewalk, driveway and curb and gutter on said street.
5. The installation of water main and water laterals on said street.
6. The installation of sanitary sewer and sewer laterals on said street.
7. The installation of storm sewer on said street.
8. The necessary landscaping on said street.
9. All improvements shall be completed to plans and specifications prepared or approved by the Public Works Director and recorded in the office of the Public Works Director/City Engineer.

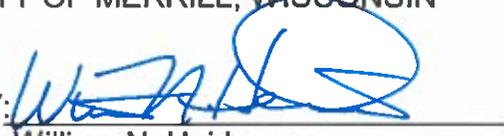

Any person desiring a transcript of the proceeding must obtain and furnish the same at his or her own expense.

If you have any questions, please call Public Works Director/City Engineer, Rod Akey at 536-5594.

December 19<sup>th</sup>, 2018

REPORT TO THE BOARD OF PUBLIC WORKS  
 2019 PROPOSED SPECIAL ASSESSMENTS

**Re:** Public Works hearing to be held on Wednesday, January 23<sup>rd</sup>, 2019 for sanitary sewer, water main, storm sewer, asphaltic paving, sidewalk and curb and gutter replacement.

The following general comments can be made in regard to the public hearing for sanitary sewer, water main, storm sewer, asphaltic paving, sidewalk and curb and gutter replacement to be reviewed on Wednesday, January 23<sup>rd</sup>, 2019. The comments will be applicable to all of the individual projects that will be reviewed in detail.

1. A preliminary resolution was submitted to the Common Council on December 11<sup>th</sup>, 2018, in regard to the proposed projects.
2. Projects being heard have either been petitioned for by private owners, the City Engineer, Street or Utility Superintendent or initiated by committees of the Common Council.
3. The 2019 assessment rates used in this public hearing are attached.
4. Each project has a separate hearing, along with an Engineer's report, indicating generally: standard notes, specific notes, cost estimates, special assessments, all are attached.
5. The Merrill Engineering Department has inspected the site to produce the preliminary design and has determined, unless otherwise noted that all abutting properties will benefit from the improvements.
6. This hearing is being recorded, therefore, please come to the microphone when speaking in regard to a particular project, giving your name and address.

7. Any person requesting a transcript of the hearing may obtain one at his or her expense.
8. All plans, estimated costs and assessments for the 2019 Projects are preliminary and subject to change. Adjustments will be based on the final design, final quantities and the unit cost on the assessed items in the bids received. The 2019 Projects consists of ;
  - A) Cleveland Street – East Fourth Street north to East Sixth Street.
  - B) Poplar Street – East Second Street east to East Fourth Street.
  - C) Court Street – East Second Street east to East Fifth Street.
  - D) Paving of Alley, the 200 and 300 block between N. Center Ave. and N. Park Street
  - E) Paving of Alley, the 1100 block between E Second Street and E Third Street
9. All projects brought forth at this public hearing will receive a recommendation from this Board of Public Works to the Common Council for final action. The Common Council will act on recommendations at the February 12<sup>th</sup>, 2019, Council meeting or as otherwise indicated in the recommendations.
10. All projects receiving final approval from the Common Council will be scheduled for completion in 2019.
11. The estimated special assessments are projected at an estimated rate based on previous construction and knowledge of existing conditions. The estimates are subject to change depending on final conditions of the project involved. If a project is approved, the assessment rate will be based on the project final unit costs and final quantities. All assessments will include 10% for engineering, legal and record keeping.
12. It is intended that in all cases new copper water services will be replacing existing galvanized services. It is recommended that if a new water service is installed, a new sanitary sewer service should also be installed if a property owner has experienced any problems. Any existing lot owner wishing to hook to the municipal system must make known their intent so services may be extended to the property line.
13. Special assessments dated prior to October 1<sup>st</sup> will be due November 1<sup>st</sup> of the year installed. Special assessments dated after October 1<sup>st</sup> will be due November 1<sup>st</sup> of the following year. The payment date the assessment is due will be indicated on the invoice.
  - A. If special assessment is paid by November 1<sup>st</sup> of the year constructed or due date as indicated on the invoice, a 10% discount will be deducted.
  - B. If the special assessment exceeds \$500.00, a five-year payment plan may be initiated; If the special assessment exceeds \$1,250.00, a six-year payment plan

may be initiated; If the special assessment exceeds \$2,500.00, a seven-year payment plan may be initiated; If the special assessment exceeds \$5,000.00, a ten-year payment plan may be initiated; For assessments exceeding \$10,000.00, a fifteen year payment plan is available to the property owner. The first payment is due November 1st of the year construction took place and the invoice was billed. The special assessment interest rate for the 2019 projects is 5.75% on declining balance per year. Requests for payment plans must be requested from the City Clerk by October 18<sup>th</sup>, 2019 and must be signed and returned **with the first payment** to the City Clerk by November 1<sup>st</sup>, 2019.

14. The upgrade of driveway approaches as required will be discussed in the field with the property owners and be addressed on a case by case basis. On vacant lots or land there will be no driveway openings unless requested by property owners. The City of Merrill will not allow private work on driveways or lateral work on a project once the project has been bid.
15. Private sanitary sewer and storm sewer connections may be included in the project if requested by the property owner.

Respectfully submitted,

Roderick J. Akey, PE  
Public Works Director/City Engineer

**CITY OF MERRILL  
ENGINEER'S REPORT  
PROPOSED PUBLIC WORKS IMPROVEMENTS  
AND ASSESSMENTS UNDER  
THE POLICE POWERS**

**STREET:** Poplar Street (East Second Street to East Fourth Street)

**Project:** Sanitary Sewer, Curb and Gutter and Asphaltic Paving.

In accordance with the preliminary resolution being presented to The Board of Public Works of the City of Merrill at the public hearing on Wednesday, January 23<sup>rd</sup>, 2019 at 6:00 p.m., I hereby submit my report on the assessment of benefits under the police power for the improvements to be made in the streets or portions of the street listed above.

This report consists of the following schedules attached hereto:

SCHEDULE A	Preliminary Plans and Specifications
SCHEDULE B	Estimate of Cost for the Proposed Improvements
SCHEDULE C	Proposed Assessment Rates and Parcel Assessments
SCHEDULE D	Proposed Total Assessments, Project Cost Details and Assessment Benefits

Respectfully Submitted

Roderick Akey, PE

Public Works Director/City Engineer

## SCHEDULE A

**STREET:** Poplar Street (East Second Street to East Fourth Street)

**Project:** Sanitary Sewer, Curb and Gutter and Asphaltic Paving.

Plans are in preliminary design phase only at the time of the public hearing and are subject to change. Final plans and specifications will be on file in the office of the City Engineer for inspection.

The project described above will be let out on bids to private contractors and completed in 2019.

### SPECIFIC PROJECT NOTES:

1. Project initiated by the Board of Public Works and Water and Sewage Committee.
2. The project includes: replacement of existing sewer, replacement of existing sewer laterals as needed, curb and gutter and pavement installation and replacement, limited sidewalk replacement associated with utility replacements.
3. The final design will include eight inches of crushed aggregate base course and three inches of asphaltic pavement.
4. Existing concrete or asphalt driveways on the right of way will be replaced at no cost to the owner. Gravel driveways on the right of way will be upgraded to asphalt or concrete with the cost of the upgrade to be assessed to the property owner.

**SCHEDULE D**

**STREET:** Cleveland Street (East Fourth Street to East Sixth Street)

**Project:** Sanitary Sewer, Water Main, Storm Sewer, Curb and Gutter and Asphaltic Paving.

**Proposed Assessments**

The assessed properties will benefit from the proposed improvements by replacing or installing new curb and gutter and sidewalk as needed. This will increase the value of the assessed property and allow for proper drainage thereby improving the safety and aesthetics of the assessed property. These improvements constitute an exercise of the police under Section 66.0703 of the Wisconsin Statutes.

The estimated total amount to be assessed for this project =	\$14,628.50
The estimated total project cost =	<u>\$200,802.50</u>
City of Merrill estimated total project cost=	\$186,174.00

PROPOSED PUBLIC WORKS IMPROVEMENTS  
AND ASSESSMENTS UNDER  
THE POLICE POWERS**

**STREET:** Alley Paving 200 & 300 Blocks Between N Center Ave and N Park Street

**Project:** Asphaltic Paving.

In accordance with the preliminary resolution being presented to The Board of Public Works of the City of Merrill at the public hearing on Wednesday, January 23<sup>rd</sup>, 2019 at 6:00 p.m., I hereby submit my report on the assessment of benefits under the police power for the improvements to be made in the streets or portions of the street listed above.

This report consists of the following schedules attached hereto:

SCHEDULE A	Preliminary Plans and Specifications
SCHEDULE B	Estimate of Cost for the Proposed Improvements
SCHEDULE C	Proposed Assessment Rates and Parcel Assessments
SCHEDULE D	Proposed Total Assessments, Project Cost Details and Assessment Benefits

Respectfully Submitted

Roderick Akey, PE

Public Works Director/City Engineer

## SCHEDULE A

**STREET:** Alley Paving 200 & 300 Blocks Between N Center Ave and N Park Street

**Project:** Asphaltic Paving.

Plans are in preliminary design phase only at the time of the public hearing and are subject to change. Final plans and specifications will be on file in the office of the City Engineer for inspection.

The project described above will be let out on bids to private contractors and completed in 2019.

### SPECIFIC PROJECT NOTES:

1. Project initiated by the Board of Public Works and Water and Sewage Committee.
2. The project includes: pavement installation
3. The final design will include 6 inches of crushed aggregate base course and 2.5 inches of asphaltic pavement.
