Dear Dustin,

Statewide Services, Inc. administers the claims for the League of Wisconsin Municipalities Mutual Insurance which insures the City of Merrill. We are in receipt of the claim submitted by Dana Hahn for damage to her vehicle allegedly caused by a rock hitting a window on her vehicle while she was mowing her yard. She claims the City plowed rocks into her yard over the winter.

We have reviewed the matter and recommend that the City of Merrill deny this claim pursuant to the Wisconsin statute for disallowance of claim 893.80(1g). The disallowance will shorten the statute of limitations period to six (6) months.

Our denial is based on the fact that the investigation revealed no negligence on behalf of the City. The City did not have prior, actual or constructive notice of any rocks in this person's yard. Dana never made contact with the City voicing any concern over this. The road Dana lives on is a gravel road and if the expectation is to have her road plowed then it's logical there might be some gravel in it come spring time that may need some attention before doing any mowing. The City has stated the area where Dana mows is at the end of a gravel street where snow is deposited all winter. The City has also stated if people call in the spring if people call in the spring saying their yard is tore up they will go out and do some landscaping. We suggest Dana Hahn file a Comprehensive claim with her own insurance carrier for this incident.

Attachment: Claim Disallowance - D. Hahn (4394 : Insurance claim filed by Dana Hahn)

Please submit the disallowance directly to the claimant at the above address. The disallowance should be sent certified or registered mail and must be received by the claimant within 120 days after you receive Notice of Claim. Please send a copy of the disallowance to Statewide Services Inc. Claims.

 Date/Loss: 6/10/19

Dear Dana,

Statewide Services, Inc. administers the claims for the League of Wisconsin Municipalities Mutual Insurance, which provides the insurance coverage for the City of Merrill. We are in receipt of the claim you submitted for damage to your vehicle as a result of a rock hitting a window while you were mowing.

We have performed an investigation and determined that there is no negligence on the part of the City of Merrill. The City did not have prior or constructive notice of any rocks in your yard. You never made any sort of contact with the City voicing your concern over rocks in your yard before this incident. Your residence is on a gravel road so it should be expected there may be some rocks that get plowed into people's lawns over the winter and some maintenance may be required in the springtime to check for any rocks before doing any mowing. The City has stated the area where you mow is at the end of a gravel street where snow is deposited all winter. The City has also stated if people call in the spring saying their yard is tore up they will go out and do some landscaping. They did not receive a call from you. We suggest you file a claim with your own insurance carrier as this type of incident should be covered under your Comprehensive coverage on your insurance policy. Therefore, in the absence of negligence on the part of the City of Merrill, Statewide Services Inc. is advising the City to disallow your claim. If you wish to further pursue your claim, you would need to take legal action against the City of Merrill.

Respectfully,

Craig Salewski

Subject: RE: Potential resignation of recently elected alderperson

Hi Bill,

Filling aldermanic vacancies is governed by Wis. Stat. section 17.23(1)(a). While the language is somewhat confusing to read, the bottom line is that the Council has a few options. It may appoint a successor to serve until the 2020 Spring Election. It may leave the office vacant, which most municipalities do not like to do. Or, because the statute says "unless otherwise ordered by the common council," the Council may schedule a special election yet this year, either with or without a temporary appointment in the meantime.

Incidentally, there is a bill progressing in the Legislature to make that statute easier to read. It would clarify that cities can make a temporary appointment, make an appointment and hold a special election without the current default dates, or leave the office vacant until the next regular election. In the meantime we are stuck with the convoluted language in the current statute.

Hope that helps. Let me know if you need anything else.

RE: Request for Quit Claim Deed to flooding and flowage rights in part of A.P. 242 in the City of Merrill, Lincoln County, State of Wisconsin.

Dear Mr. Heideman,

On April 30, 1973, I purchased the property then known as 1302 N. Center Avenue, more particularly described as:

All that part of A.P. 242 in the Northwest One-Quarter (NW1/4) of the Northeast One-quarter (NE1/4) of Section numbered Twelve (12), Township Thirty-one North, Range Six (6) East lying North of U.S. Highway 51, except parcels described in Volume 194, Page 483, and Volume 188, Page 389, of Lincoln County Deeds.

Since that time, some forty-six (46) years, I have paid the annual real estate taxes for that described parcel. The vegetation on this parcel at the time of purchase included several, large, white pine trees estimated to be over 200 years old, some younger and smaller, white pine trees and dense shrubbery. The parcel also had 265 feet, more or less, of frontage on a flowage of the Prairie River, commonly called the Ward Paper Company Flowage, or just the Ward Flowage or Ward Pond consisting of some, more less 80 acres of water west of the U.S. Hwy. 51 bridge and some, more or less, 80 acres of water east of the U.S. Hwy. 51 bridge. The purchase was contingent upon my receiving a building permit from the City of Merrill on this subject land.

Prior to the closing of the sale, I ordered a survey of that part of the premises not flooded or overflowed by water to establish that there was sufficient high land not located in a flood plain to justify the issuing of a building permit by the city. The survey was performed, under difficult circumstances due to the dense vegetation along the shoreline, by Mink Capital Surveying, Inc.. The survey was completed and certified by Charles Offerman, Registered Land Surveyor S-926.

The legal description, based on the certified survey used in the Warranty Deed recorded in Volume 302 on page 692 as Doc. No. 227906 conveying title to the fee is as follows:

A tract of land in Assessor's Plat Lot No. 242 in the Northwest Quarter of the Northeast Quarter (NW1/4 NE1/4) of Section Twelve (12), Township Thirty-one (31) North, Range Six (6) East, in the City of Merrill, Lincoln County, Wisconsin, more particularly described as follows:

Commencing at the Southeast corner of Block 4 of Natzke's Addition to the City of Merrill; thence N. 0°07' W, along the East side of said Block 4, 281.07' to the point of real beginning; thence continuing N. 0° 07' to the shore line of the Prairie River; 215', more or less; thence Easterly and Southerly, 220', more or less, along said shoreline to an iron pipe; thence S. 0°07' E, 226', more or less, to the Northwesterly right-of-way of U.S. Highway "51; thence S.50°04' E. Along said Northwesterly right-of-way, 20.00'; thence North 0°07' W, 153.00'; thence S.89°53' W,153.62' to the point of real beginning. SUBJECT TO flooding and flowage rights, streets and highways, easements of record, or by use, and SUBJECT TO the conditions and restrictions contained in Volume 197 of Deeds , page 549, Document Number 175571, Lincoln County Registry. This Deed was executed conveying the land as described above to Patrick W. Buckett from Walter B. Chilsen a/k/a W.B.Chilsen, a widower, on May 26, 1973 and co-signed by Val Chilsen in his presence and at his request. The deed was drafted by J. Michael Nolan, Attorney, and signed and sealed in his presence. [Recorded on May 29, 1973]

At some point in time, U.S. Highway "51" was moved to its present location and the "old US 51" became Business Hwy. 51 and N. Center Ave. And, after a prolonged legal battle, the former Ward Paper Company dam on the Prairie River was breached and the former flowage ceased to exist, in fact, but the "flowage rights" were never legally extinguished as they should have been. Ergo, I am requesting the City of Merrill to furnish a Quit Claim Deed to Patrick W. Buckett and Kazuko M. Buckett, husband and wife, to extinguish any and all right the City of Merrill has or had to overflow land in A.P. 242 **simply because the flowage no longer exists and there is no valid reason for the City of Merrill to retain "flowage rights" to and for a non-existing flowage.** I respectfully request that this matter be placed on the agenda for the next City of Merrill council meeting.

Sincerely,

Patrick W. Buckett

These are the proposals I opened Monday afternoon. As you can see the lowest bid was above our projected cost. I believe there were two factors that contributed to this.

1. The cost of the control work being much higher than was figured for last years budget number.
2. Reaching out to contractors during the busiest time of year for pricing.

Feel free to contact me with questions you have, It should also be noted that the low bidder plans to have a representative at the council meeting to answer any questions pertaining to them.

3. Other agenda items for consideration:

1. Consider eliminating Champagne Street (Grand Ave. to Taylor St.) as a truck route

If the elimination is approved, it would be considered by ordinance at the August 13th, 2019 Common Council meeting.

RESULT: APPROVED & SENT TO COUNCIL **Next: 8/13/2019 7:00 PM**

2. Continue discussion on downtown parking layout for E. Main Street (Scott St. to Court St.)

Attachment: Committee Reports (4392 : File Committee Reports)

Discussion on this issue has been ongoing. Public Works Director/City Engineer Akey mentioned that he has also been discussing this with Street Superintendent Bonack. The public reaction has been mixed, as some people/businesses are in favor of retaining angle parking and some are in favor of returning to parallel parking. A decision should be made at the August meeting.

Alderman Norton suggested authorizing Public Works Director/City Engineer Akey and Street Superintendent Bonack to make the final decision. Public Works Director/City Engineer Akey will seek additional public input before the August meeting, and also encourage the public to attend that meeting and provide input prior to a decision being made.

No action was taken at this time.

3. Consider one side parking for the 1000 block of E. 6th and E. 7th Streets during Normal Park events

It has been suggested that, one-side only parking on the 1000 block of East Sixth Street and East Seventh Street be in place during events at Normal Park.

Motion (Norton/Van Lieshout) to approve one-side only parking only parking on the 1000 block of East Sixth Street and East Seventh Street during events at Normal Park. Parking will be allowed only on the south side in the 1000 block of East Sixth Street and only on the north side in the 1000 block of East Seventh Street. The organization hosting the event will be responsible for putting up the signs prior to the event and removing them after the event.

RESULT: APPROVED

4. Consider allowing mountable curb along Kwik Trip on Curran Street

Information was in the meeting packet.

Public Works Director/City Engineer Akey that, as part of the request, Kwik Trip has agreed to pay all costs associated with their request. He noted that, even with the curbing installed, there would still be sufficient room for a sidewalk. He has no concerns with the request as submitted.

Motion (Norton/Van Lieshout) to approve the request, contingent upon Kwik Trip paying all costs associated with the installation.

RESULT: APPROVED

5. Discuss land development and proposed road construction on city parcel W. 10th & St. Paul

City Administrator Johnson reported on this residential development. 14 lots are available, with three houses planned for the first year. "Spec" homes will be built. It is estimated that the assessed value of each home will be approximately \$185,000.

At a future Redevelopment Authority meeting, this development will be considered in the form of a development agreement.

No Board of Public Works action was necessary, requested or taken at this time.

6. Discuss the option of picking up home compost

Mayor Woellner had requested that this item be placed on the agenda. Street Superintendent Bonack stated that is not in favor of considering this now, since it would add more work to an already short-staffed department.

No action was taken at this time.

4. Monthly Reports:

1. Public Works Director/City Engineer Akey

The report was in the meeting packet.

Public Works Director/City Engineer Akey provided a verbal status report on current projects.

Rob Norton	Aldersperson - Seventh District	Present	
John M. Van Lieshout	Aldersperson - Fifth District	Present	
Derek Woellner	Mayor	Present

II. Minutes of previous meeting(s):

1. Minutes of June 13, 2019 meeting

Because there was no quorum at the June 13th, 2019 meeting, no action on the minutes was necessary.

III. Agenda items for consideration:

1. Consider 2020 Captial Improvements/Budget Items

Proposed 2020 budget information was in the meeting packet.

City Administrator Johnson began by reviewing the 2020 Budget Proposed Summary. He then reviewed the 2020 Operating Budget Festival Grounds accounts, including the Tractor Pull, Merrill Festival Grounds, Bierman Building and Room Tax accounts. He noted that the total proposed budgeted amount is less than then 2019 budgeted amount, due primarily to the fact that no major operating fund projects are planned in 2020.

City Administrator Johnson then reported on the 2020 Capital Budget. \$40,000 has been included for Cattle Barn rehabilitation. It is hoped that a grant will be received to pay for this, but it needs to be budgeted in case the City is not awarded the grant. It is critical to maintain this historic building.

Motion (Caylor/Becker) to recommend approving the proposed 2020 Festival Grounds Operating Budget and the 2020 Festival Grounds Capital Budget and refer this recommendation and both budgets to the 2020 budget process.

RESULT: REFER TO BUDGET PROCESS

2. Consider amending Code of Ordinance Chapter 2, Article VI, Division I, Section 2-151, to change the Mayor from a voting member of the Festival Grounds Committee to an ex-officio, non-voting member and change the City Administrator from an ex-officio, non-voting member of the Festival Grounds Committee to a voting member.

The proposed ordinance was in the meeting packet. It would remove the Mayor as a member of the Festival Grounds Committee and change the City Administrator from an ex-officio member to a voting member of the committee.

Alderman Norton reported that he requested this agenda item after being asked to do so by some committee members.

Motion (Woellner) to table. Motion failed due to lack of a second.

Motion (Caylor/Woellner) to postpone indefinitely. Motion failed.

Motion (Woellner/Caylor) to remove the Mayor from the Festival Grounds Committee and add a citizen member to the committee. The citizen member would be subject to Common Council approval.

Ryan Schwartzman remarked that he was opposed to the City Administrator being a voting member of the committee.

Motion (Caylor) to remove the Mayor from the committee and add a Beer Stand Representative. Food Vendor Rep. Caylor then requested that his motion be withdrawn. Without objection, it was so ordered.

Motion (Caylor/Norton) to recommend removing the Mayor as a voting member of the Festival Grounds Committee, and adding a citizen voting member appointed by the Mayor (subject to Common Council approval), and to refer this recommendation to the Committee of the Whole.

RESULT: REFERRED TO COMM. OF THE WHOLE**3. Rodeo Update**

On behalf of the Lincoln County Rodeo Association, Bryan Moodie reported. All data is not yet available, but the 2019 rodeo was definitely a positive event. The weather was great, the turnout was average and the entertainment was popular. The entertainers were impressed with the grounds and facilities.

4. Fair Update

Fair Association Rep. Becker reported. The fair is two weeks away. Current plans still call for the Wrestling Alumni beer tent to be relocated farther to the west. However, due to several issues related to the original new site, the tent will not be located as far west as was originally planned.

5. Calendar of Events

Krista Mitchell reported. Events for the spring of 2020 are already being booked.

Alderman Sabatke noted that the MASH blood drive held in the Bierman Building earlier in the day was highly successful.

RESULT: APPROVED & SENT TO COUNCIL

Next: 8/13/2019 7:00 PM

2. Applications from the Lincoln County Fair Association for five temporary Class "B" (picnic) licenses to sell fermented malt beverages at the Alumni Tent, the VFW stand and the Eagle's stand (all at the Merrill Festival Grounds) during the Lincoln County Free Fair, August 14-August 18, 2019.

A copy of the license application was in the meeting packet.

Police Chief Bennett reported that significant changes related to beer sales at the 2019 fair are being planned. The Lincoln County Fair Association will be the only licensee, but three entities (Wrestling Alumni, Eagles and the VFW) will sell using the one license. Also, fencing around the beer stands will not be required.

Representing the Lincoln County Fair Association, Brad Becker distributed a map of the grounds which illustrated the areas of sales. He noted that no alcohol will be allowed inside buildings that include youth-related activities.

Plans are to move the Wrestling Alumni beer tent from near the grandstand to an area across the midway from the VFW and Eagles stands. If any problems occur during the fair, Police Chief Bennett will order that fencing be installed for the duration of the fair.

Wendorf reminded everyone to speak up because there was no microphones available. Artac stated that the lights at Athletic are awesome and have been getting used a lot.

The next item on the agenda was discussion on potential future skate park design with Vince Onel from Spohn Ranch Skate Parks. Wendorf began discussion by introducing Onel from Spohn Ranch and welcomed him to Merrill. Wendorf stated that Onel arrived around 2 pm and met with him, Mayor Woellner and several other skate park committee members to view the site and get a lay of the land. They discussed design ideas and thoughts while on site and had extensive interaction to help Onel with his design inspiration. Wendorf turned the discussion over to Onel, who explained a little bit about himself, his company and the process he is going to lead us through to eventually arrive at a unique design. Onel summarized the 2 hour meeting before the commission stating the feel from committee members is 70% plaza or street style. Skaters in attendance agreed that was what they wanted. Onel then described his vision for what the skate park could look like, including features and amenities. The skaters in attendance thought it sounded fantastic and offered some helpful suggestions of features they would like to see included to help make the design more inviting for everyone to use, and make it a unique destination park for the entire state and beyond. O’Neill described some of the items on her design and how she would like to see the skate park look and function. Wendorf also encouraged skaters to continue to share any new thoughts and ideas they have on design while we are going through the process as we are building this for the.

The next item on the agenda was to discuss potentially adopting “Bankers Square” (downtown pocket park) as a City Park. Wendorf stated that now that the park is done it should be adopted as a city park. Wendorf stated that there is not much maintenance involved in taking care of the

park. Artac stated it is a nice pocket park with some green space. Sukow questioned if there was any shade provided in the park. Sukow stated that it will get very hot sitting there.

***Motion by Sukow, seconded by Baker to adopt the Banker Square as a City Park.

The next item on the agenda was monthly reports. Wendorf asked if anyone had any questions. Wendorf stated everything was going good, and finally catching up with mowing and some projects. The pool has been going good since the pumps have been rebuilt. Wendorf stated there have been a lot of events going on the Merrill area. Softball Tournaments, baseball tournaments, swim meets and more. Sukow stated that it is good for the businesses having different events in Merrill.

***Carried unanimously.

The next regular meeting is scheduled for Wednesday, August 7, 2019 at 4:15 p.m. at the Merrill City Hall.

Public comment: Ravn questioned if anyone has ever thought of planting some fruit trees in the community. Wendorf thanked Vince Onel from Spohn Ranch Skate Park for coming up. Gulke stated that someone asked if a meeting could be held at the new Stange Park. Sukow stated that it is really hard to hear and the public wants to hear what is going on and he would prefer all the meetings to be at the Merrill City Hall.

***Motion by Ravn, seconded by Tabor to adjourn at 5:15 p.m.

III. Agenda items for consideration:

1. Review estimated costs of July 16th recall election

After discussion, Finance Director Unertl stated that no budgetary action on this item is necessary.

2. Review 2019 costs for Outside Legal Counsel

A report on 2019 Outside Legal Counsel costs was in the meeting packet.

A revised draft employee survey form was in the meeting packet. City Administrator Johnson reported on the revisions.

Alderman Osness stated that he is opposed to questions #4 and #5 under the "Management" section of the survey. He also does not like questions #6 and #7 in the same section, because they refer to a specific position.

Alderman Meehean suggested that questions #3 and #4 in the "Management" section could be combined. He disagrees with Alderman Osness on questions #6 and #7. In his opinion, those questions should be retained in the survey.

Alderman Russell suggested that the "Management" section be incorporated into the rest of the survey, rather than included as a separate section.

Alderman Osness commented that there has been previous discussion related to shortening the survey form.

Alderman Russell noted that City employees who live in the City have the option to communicate employee-related concerns to their alderperson. He then suggested deleting question #46 and the entire "Management" section from the survey, and distributing it to City employees.

Alderman Osness stated that he has concerns related to this budget being \$31,000 more than the 2019 budget.

It was noted that the ambulances are owned by Lincoln County, and that the majority of the \$31,000 increase is related to wages and benefits.

Alderman Osness requested that his motion be withdrawn. Without objection, it was so ordered.

Motion (Woellner/Meehean) to approve the meeting minutes from June 5th. Carried.

Public Comment: None.

Review and discussion of TID development overview, background information, and development agreement formats:

The agenda packet had examples from the new 3201 E. Main St. (Dollar Tree) development including the development agreement; TIF Development Incentive Overview; Projected Tax Increment spreadsheet; draft Common Council resolution; Lincoln County GIS map of the development parcel; and site plans, elevations, and any color renderings.

For developments including transfer of City-owned land, there will be revisionary title provision in the event the developer doesn't get started by deadlines. There was RDA Commissioner consensus to include Minimum Assessed Valuation provisions in future development agreements. The amount of potential TIF cash development incentives could be reduced if development not completed by deadlines.

Review of Merrill 2018 TID Annual Fiscal Reports:

Unertl highlighted the 2018 TID Annual Reports (Form PE-300s and summary information. Almost \$3 million was expended in 2018 with \$1,866,000 for TID-funded infrastructure improvements. Debt service payments included \$342,501 in Principal and \$169,363 in Interest paid by various TIDs. New TID-supported borrowing totaled \$2,302,530 with \$530,000 unexpended during 2018 due to contractor availability and early winter conditions.

Also provided was TID fiscal status as of 12/31/2019. City had \$34,294,400 in equalized valuation in various TIDs as of 1/1/2018. Seven of the ten TIDs are generating tax increment. For 2019 revenue, \$1,065,721 will be generated by TIDs – primarily TID No. 3 and TID No. 4. The fiscal impacts of new developments in TID No. 11 (Rock Ridge Apartments) and TID No. 3 (former Whispering Pines Hwy 64 frontage) were detailed.

Update and presentation on single family residential development proposal on former Kientiz property (between W. 10th St. and W. St. Paul St. in TID No. 11):

Ryan Ott from Ryan Ott Development & Construction provided an overview of new single-family residential development proposal. Potential for about fifteen (15) lots with first three homes to be constructed on W. St. Paul St. where City utility services (i.e. water and sanitary sewer) are available. Market price would be in the \$185,000 to \$220,000 range.

Ott's preliminary plan is for four phases of home construction. Future TID-assistance needs include extension of City utility services between W. St. Paul St. and W. 10th St. and construction of new City street (i.e. curb, gutter, paving, and streetlights). There was preliminary TID fiscal projection provided which documented future cash flow to offset TID No. 11 borrowing for this infrastructure, as well as curb, gutter, and paving of St. Paul St. which is now gravel.

Page reported that use of Certified Survey Map (CSM) process would allow splitting off three lots on W. St. Paul St. to facilitate construction of basements before winter conditions. The development of additional lots will require a formal Plat process.

Update and discussion of proposed sale of former Fox Point site for market-rate multi-family housing development (1905 E. 14th St. in TID No. 10):

Due to vacations, Impact Seven representatives have not yet submitted Offer to Purchase the former Fox Point site.

Next RDA meeting: Wednesday, August 7th at 8:00 a.m. [This meeting was later rescheduled for Wednesday, August 21st at 8:00 a.m. due to two RDA Commissioner vacancies.]

Motion (Maule/Polak) to move into closed session. Carried 4-0 on roll call vote at 8:37 a.m.

- **Motion (Meehean/Woellner) to approve the Closed Session meeting minutes from June 3rd.** Carried.

III. Agenda Items for Consideration

Representing Strand Associates, Mike Forslund gave a presentation on the potential new tower. The presentation included information on the following:

- Project History
- Existing System Highlights
- Wisconsin DNR and Ten States Recommended Standard Guideline for Storage
- Documented System Deficiencies

Mr. Forslund's report concluded by noting that constructing a 300,000 elevated tank would address each of the deficiencies.

The floor was then opened for questions and comments. Representing Church Mutual, Dawn Bernatz spoke in favor of a new tower.

Fire Chief Klug reported on the benefits that a new tower would provide to the Fire Department and the City.

Alderman Osness stated that, in his opinion, the difference in an insurance rating of "2" as compared to a "3" rating would have a minimum effect on premiums.
