

CITY OF MERRILL
COMMON COUNCIL
AGENDA • TUESDAY JUNE 9, 2020

Regular Meeting

City Hall Council Chambers

6:00 PM

1. Call to Order
2. Silent Prayer
3. Pledge of Allegiance
4. Roll Call
5. Public Comment Period
6. Minutes of previous Common Council meeting(s):
 1. Minutes of May 13, 2020 meeting
7. Revenue & Expense Reports(s):
 1. Revenue and Expense Report for the period ending May 31, 2020
8. Communications and Petitions:
 1. Discussion of City and State Small Business Programs
9. General agenda items:
 1. Employee Years of Service Recognition:
 - Brenda L. Grefe, 25 years (Clerk/Treasurer office)
 - James D. Yates, 20 years (Parks & Recreation)
10. Health and Safety Committee:
 1. 2020-2021 Liquor License Renewal Applications. On May 18th, 2020, the Health and Safety Committee referred the license applications to the Common Council.
 2. Request for extension of premises from In and Out Beer and Liquor, LLC, 701 East Second Street, to accommodate an alcohol sampling event on Friday, June 19, 2020. Alderman Osness is bringing this request directly to the Common Council.
11. Personnel and Finance Committee:
 1. Consider action(s) on any potential recommendation(s) from the June 9, 2020 Personnel & Finance Committee meeting, related to the Festival Grounds Manager contract.
12. Placing Committee Reports on File:
 1. Consider placing the following committee reports on file: Board of Public Works, City Plan Commission, Committee of the Whole, Health & Safety Committee, Library Board, Parks & Recreation Commission, Redevelopment Authority, Water & Sewage Disposal Committee and Zoning Board of Appeals.

13. Mayor's Appointments:
 1. Mayor's Citizen Appointments (per list)
14. Ordinances:
 1. An Ordinance amending the District Zoning Map of the City to change the zoning from Thoroughfare Commercial to Planned Until Development for the property at East 14th Street and North Sales Street. The City Plan Commission recommends approval.
 2. An Ordinance amending Code of Ordinances Chapter 113, Article II, Section 113-46(m), to make revisions to the wellhead protection ordinance. The Water and Sewer Committee recommends approval.
 3. An Ordinance amending Code of Ordinances Chapter 2, Article IV, Section 2-85, related to the scope of authority to call special meetings. At a meeting on May 19, 2020, the Committee of the Whole referred this ordinance to the Common Council.
15. Resolutions:
 1. A Resolution approving a Conditional Use Permit to establish an auto repair shop and used car dealership at 209 North Pine Street. The City Plan Commission recommends disapproving the application and resolution.
 2. A Resolution approving a Conditional Use Permit to establish a communication tower at 3200 East Main Street. The City Plan Commission recommends approval.
 3. A Resolution authorizing a Development Agreement by and between the City and SCS - S.C. Swiderski LLC. The Redevelopment Authority recommends approval.
 4. A Resolution approving the 2019 Compliance Maintenance Annual Report for the Wastewater Treatment Plant. The Water & Sewer Committee recommends approval.
 5. A Resolution honoring Rob Norton for his extended service and great contribution to the City of Merrill.
16. Mayor's Communications
17. Adjournment

William N. Heideman, CMC, WCMC
City Clerk

The Merrill City Hall is accessible to the physically disadvantaged. If special accommodations are needed, please contact the Merrill City Hall at (715) 536-5594.

CITY OF MERRILL
COMMON COUNCIL
MINUTES • WEDNESDAY MAY 13, 2020

Regular Meeting**City Hall Council Chambers****6:00 PM**

1. Call to Order

Mayor Woellner called the meeting to order at 6:00 P.M.

Attendee Name	Title	Status	Arrived
Paul Russell	Aldersperson - First District	Present	
Steve Hass	Aldersperson - Second District	Present	
Rick Blake	Aldersperson - Third District	Present	
Steve Osness	Aldersperson - Fourth District	Present	
John M. Van Lieshout	Aldersperson - Fifth District	Present	
Mike Rick	Aldersperson - Sixth District	Present	
Mark Weix	Aldersperson - Seventh District	Present	
Steve Sabatke	Alderman - Eighth District	Present	
Derek Woellner	Mayor	Present	

2. Silent Prayer

3. Pledge of Allegiance

4. Roll Call

5. Public Comment Period

Steve Sabatke spoke on "closing" and "reopening" as they relate to the COVID-19 pandemic. He cited an informal Facebook poll he conducted recently, in which 73% of the responders favored reopening with no exceptions. He urged the Common Council to take the necessary steps to reopen so that events can be scheduled.

6. Minutes of previous Common Council meeting(s):

1. Minutes of April 14, 2020 meeting and April 21, 2020 meeting

Alderman Osness suggested that the Committee of the Whole meet soon to discuss the Mayor's Proclamation declaring a State of Emergency for the City. That proclamation was approved by the Common Council on April 14th and is due to expire on May 19th.

Motion (Rick/Van Lieshout) to approve the minutes.

RESULT:	APPROVED
----------------	-----------------

7. Revenue & Expense Reports(s):

1. Revenue and Expense for the period ending April 30, 2020

Motion (Osness/Blake) to approve.

Attachment: 2020-05-13 Council Minutes (5065 : Minutes of May 13, 2020 meeting)

RESULT: APPROVED

8. Committee of the Whole:

1. The Committee of the Whole recommends deferring the following 2020 capital items: Dock-Riverside (\$15,000), Streets Garage Parking Lot (\$100,000), Concrete - Sidewalk (\$75,000), Black Dirt Screening (\$12,500), Poplar & Court Streets project (\$150,000), Mill St. (East Main Street to East First Street) project (\$60,000) and West St. Paul Street (curb, gutter & paving) project (\$150,000).

Motion (Hass/Osness) to defer all the projects listed in the Committee of the Whole recommendation, with the exception of the Blake Dirt Screening (\$12,500).

RESULT: APPROVED

2. The Committee of the Whole recommends removing \$40,000 from Festival Grounds Cattle Barn repair/renovation fund.

Motion (Hass/Rick) to approve.

RESULT: APPROVED

3. Consider budget amendment to approve \$70,000 for street lighting for the M2020-01 Grand Ave. project. At the April 14th Common Council meeting, this item was referred to the Committee of the Whole. At a meeting on April 22nd, the Committee of the Whole recommended approval.

Motion (Russell/Van Lieshout) to approve.

RESULT: APPROVED

9. Personnel and Finance Committee:

1. The Personnel and Finance Committee has directed City Administrator Johnson, Community Development Program Coordinator Shari Wicke and City staff to prepare revisions to the Small Business Emergency Support Program policy and submit those revisions to the May Common Council meeting.

City Administrator Johnson reported that, after discussion with City staff, no changes were made to the program policies.

No action was necessary, requested or taken.

2. The Personnel and Finance Committee recommends implementing a hiring freeze for all hires, and to review the freeze at the November, 2020 Personnel and Finance Committee meeting. The Police Department, Fire Department and the T. B. Scott Free Library would be exempt from the hiring freeze.

Motion (Hass/Van Lieshout) to approve.

RESULT: APPROVED

3. Consider furloughing of Festival Grounds Manager position, in light of the COVID-19 pandemic. The Personnel and Finance Committee has directed City Attorney Hayden to research the legal ramifications of a furlough for a contracted position. City Attorney Hayden is to report his findings at the May Common Council meeting.

Motion (Hass/Russell) to refer to the Committee of the Whole.

RESULT: REFERRED TO COMM. OF THE WHOLE

4. Consider implementing policy that unused capital project funds be returned to the Debt Service Fund. The Personnel and Finance Committee recommends approval.

Motion (Rick/Sabatke) to approve.

RESULT: APPROVED

10. Placing Committee Reports on File:

1. Consider placing the following committee reports on file: Airport Commission, Committee of the Whole, Community Development Committee, Health & Safety Committee, Library Board, Parks & Recreation Commission, Personnel & Finance Committee, Redevelopment Authority and Tourism Commission.

Motion (Hass/Blake) to place on file.

RESULT: PLACED ON FILE

11. Ordinances:

1. An Ordinance amending Chapter 16, Section 16-1 Schedules of licenses and fees, Chapter 4 Alcohol Beverages for the license year of July 1, 2020 to June 30, 2021 (Ordinance #2020-08).

City Attorney Hayden gave the ordinance a first reading by synopsis.

Motion (Hass/Russell) to suspend the rules and give the ordinance a second reading and a third reading by title only. Carried.

City Attorney Hayden give the ordinance a second reading and a third reading by title only.

RESULT:	APPROVED [UNANIMOUS]
MOVER:	Steve Hass, Alderperson - Second District
SECONDER:	Rick Blake, Alderperson - Third District
AYES:	Russell, Hass, Blake, Osness, Van Lieshout, Rick, Weix, Sabatke

2. An Ordinance amending Chapter 2, Article IV, Section 2-84 Meetings of the Common Council, related to allowable start time for Common Council meetings (Ordinance #2020-09).

City Attorney Hayden gave the ordinance a first reading by synopsis.

Motion (Russell/Van Lieshout) to suspend the rules and give the ordinance a second reading and a third reading by title only. Carried.

City Attorney Hayden give the ordinance a second reading and a third reading by title only.

RESULT:	APPROVED [7 TO 1]
MOVER:	Paul Russell, Alderperson - First District
SECONDER:	John M. Van Lieshout, Alderperson - Fifth District
AYES:	Russell, Blake, Osness, Van Lieshout, Rick, Weix, Sabatke
NAYS:	Hass

12. Resolutions:

None.

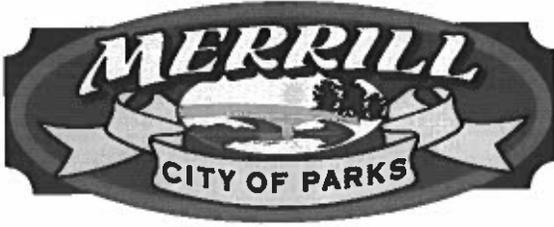

13. Mayor's Communications

Mayor Woellner thanked everyone who helped with the May 12th election. He also thanked Lincoln County District Attorney Galen Bayne-Allison for providing information earlier in the meeting.

Mayor Woellner also issued a reminder that, in light of the COVID-19 pandemic, the Center for Disease Control (CDC) is recommending that people wear protective masks in public.

14. Adjournment

Motion (Van Lieshout/Blake) to adjourn. Carried. Adjourned at 6:35 P.M.

City of Merrill

Kathy Unertl, Finance Director

e-mail: Kathy.Unertl@ci.merrill.wi.us

Date: June 3rd, 2020

To: Mayor Derek Woellner
Alderspersons

From: Kathy Unertl, Finance Director

RE: May 2020 - Revenue & Expense Reports

Revenues – General Fund:

Generally consistent with budgeted amounts – especially with Parks & Recreation Commission decision not to open aquatic center and hold summer playground.

The fiscal impact on Merrill Festival Grounds (Fund 24) for the 1st quarter of Room Tax (January to March 2020) was \$946.57.

Expenses – General Fund:

Consistent with budgeted amounts.

There will be reduced Personnel Services expenses (i.e. related to summer seasonal employees in Parks & Recreation Department).

There will also be reduced City operational expense at some facilities (such as Merrill Festival Grounds and Bierman Building).

Subject: CDBG Funding

I want to update you on the CDBG Funding. I believe the State of WI will be receiving \$16 million in CDBG funding. The money was awarded, but I believe the State has not yet received these funds. The State is working with the lead counties (7 Regions), to see who is willing to administer these funds. All the details are being worked out at this time.

The State of WI is divided into 7 regional consortium for CDBG, with each region having a lead county. The City of Merrill including all of Lincoln County is part of the "Northwoods Housing Region" and our lead county in this group is Langlade County. Our group consist of Langlade, Oneida, Vilas, Forest, Florence, Menominee, Oconto and Lincoln. Landglade County (as lead county and contact for State) has expressed we are needing these funds for Northwoods Housing Region. I am the representative for the City of Merrill/Lincoln County with the Northwoods Housing Region. As I learn more, I will keep you informed.

State announces application period for small business grants opens June 15

Monday, June 1, 2020

The state will begin taking applications this month for \$75 million in grants to small businesses hurt by the coronavirus pandemic and associated government-mandated shutdowns, with the goal of helping some 30,000 businesses with grants worth \$2,500.

The Wisconsin Economic Development Corp. will begin accepting applications online for the We're All In Small Business Grant program beginning at 8 a.m. on June 15, the agency announced Monday. The application period ends at 11:59 p.m. on June 21. The program is designed to help small businesses get back on their feet amid the COVID-19 pandemic while also encouraging them to adopt best practices to keep employees, customers and communities safe, the agency said in a news release.

Funded primarily by the federal Coronavirus Aid, Relief, and Economic Security Act, the grants will help small businesses with the costs of business interruption or health and safety improvements, wages and salaries, rent, mortgages and inventory.

Businesses may apply for the grants if they:

- Were in business as of February.
- Are Wisconsin-based and for-profit.
- Employ 20 or fewer full-time equivalent employees, including the owner.
- Have more than \$0 but less than \$1 million in annual revenues.

Businesses that are part of a national chain are ineligible unless they are third-party franchises. Agriculture industries and landlords covered by other CARES Act-funded programs are not eligible.

This is the official Web site of Merrill, Wisconsin.

Attachment: Liquor License List (4993 : 2020-2021 Liquor License Applications (per list))

Grefe, Brenda

From: Bennett, Corey
Sent: Monday, June 1, 2020 8:58 AM
To: Grefe, Brenda; Heideman, Bill; Hayden, Tom; Johnson, David
Subject: Kickback Lounge
Attachments: Kickback.JPG

Importance: High

Regarding Kickback Lounge and their liquor license renewal:

I left a message with Mr. Woller on Friday informing him the license is issued to the individual/corporation AND the premise to which they are licensed to operate. He is currently lacking the latter now that he has vacated the licensed premises. I have not heard back from him despite my desire to have a clean break in license applications for the one premise. I even went so far as to suggest I would attempt to get him (not guarantee) a pro-rated refund of his license fees for the remainder of the licensing period if he were to rescind his current renewal application and vacate the current one in writing to me. That would make it "cleaner" in my mind. Among the issues with renewing his license are the following:

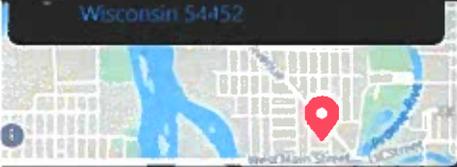

- He has since vacated the premises by his own admission to myself and the property owner. He has broadcasted this on Facebook publicly as well (image attached).
- He is trying to retain the license without a premise or with a premise that does not belong to him anymore. Simply stated, we do not consider applications absent a premise or those who don't lawfully occupy the premise they make application for.
- Until recently he was at a Level 1 violation status with our Dept. for violations occurring on the licensed premise. A citation prior to the Safer at Home order would have evolved this into Level 2 status and I believe the citation is still pending in municipal court. Another recent series of incidents at the premise would have easily taken this to a Level 3 violation and a recommendation by the Chief of Police to suspend, revoke, or not renew their license.

Given all of the circumstances at hand, I would recommend we do not consider the application for renewal of the liquor license for Kickback Lounge at 116 N Prospect St. We should consider any new application for a licensed premise at the same location.

Corey Bennett, Chief of Police

Due to unforeseen circumstances we found it necessary to close the doors at our current location. We really appreciate everyone that supported our business and enjoyed making many new friends. We are currently looking for a new location to relocate our business so we can continue to grow and build a place people can come relax and enjoy each other's company. We hope to see you all soon.

Kickback Lounge & Pub
May 25 at 4:28 PM

We are now open on Mondays 🤩 stop by and say hi to our new bartender Dee. All current and retired military members receive their first drink free for Memorial day.

City of Merrill Wisconsin
1004 East First Street
Merrill, Wisconsin 54452

June 2, 2020

To Whom It May Concern,

I, Allen Shidell Sr. would like to give an update on El Mariachi Mexican Restaurant Grill and Cantina. Last year we had a difficult time trying to put together staff to run this business. We are still planning on opening, in fact would like to expand from 2500 square feet to 5000 square feet. As you already know the Covid19 crisis has had a toll on the economy and we are also feeling that burn. Banks are having a hard time financing all the businesses that desperately need their help and are not eager to lend money for new projects. The protesting and riots are not helping this situation. I am also still feeling the burden of the loss of one of my laundromats in Wausau from an arsonist. I am not a quitter and I plan to move ahead with El Mariachi. We are hoping to be up and running by late July or early August. Please let me know if this time frame is acceptable to the City of Merrill so I can get the liquor license renewed. This part of the building has been vacant for about two years with no other interest in this facility and I believe this restaurant will be a good fit for both myself and the community of Merrill.

Sincerely,

6-2-20

Allen Shidell Sr.

Heideman, Bill

Subject: In and Out extension of premise
Attachments: SKM_C30820060216040.pdf; 3106Sampling.pdf

I spoke with Eric Dayton today to finalize the premise description and his request for an extension of premises for In and Out Liquor Store for June 19, 2020. His request for an extension of premises will be on June 19, 2020 for a tasting event. He intended on running it between noon and 9pm but I believe the regulations limit it between 11am and 7pm. I have attached the mapped description of the premises (outlined in black sharpie) for In and Out Liquor Store. This will be his premise description for his license renewal and moving forward. It includes his newer cooler and the apron space on the north side of the building in front of the old vacuum stands. I believe Steve Osness is bringing this to the Council for consideration at the next meeting?

Corey Bennett,
Chief of Police

Alcohol Beverage Sampling

Alcohol Beverage Laws

Fact Sheet 3106

revenue.wi.gov

This fact sheet provides information about offering taste samples of alcohol beverages to the general public at licensed or permitted premises.

Sampling at Class A Licensed Premises (Liquor, Grocery, or Convenience Stores)

Class A retail licensees (retail sales for off premises consumption) are authorized to offer taste samples of alcohol beverages as follows:

"Class A" (Intoxicating Liquor) Licensees

- Samples must be provided free of charge
- Two samples of wine per person per day not to exceed three fluid ounces per sample
- One sample of distilled spirits per person per day not to exceed one half ounce
- Samples may only be provided between the hours of 11 a.m. and 7 p.m.
- Samples may not be provided to underage persons
- Samples must be purchased from a permitted wholesaler (includes a small winery cooperative wholesaler)
- Samples must be served by licensed operators (bartenders) or servers under the immediate supervision of a licensed operator, the licensee, or an agent of a retail corporation or LLC licensee

Class "A" (Fermented Malt Beverage) Licensees

- Samples must be provided free of charge
- Two samples of fermented malt beverages per person per day not to exceed three fluid ounces per sample
- Samples may only be provided between the hours of 11 a.m. and 7 p.m.
- Samples may not be provided to underage persons
- Samples must be purchased from a permitted wholesaler, or purchased from a brewer/brewpub authorized to make sales directly to retailers
- Samples must be served by licensed operators (bartenders) or servers under the immediate supervision of a licensed operator, the licensee, or an agent of a retail corporation or LLC licensee

Note: A Class "A" licensee may allow a brewer to provide samples on the licensed premises under the restrictions above, if the brewer purchased the fermented malt beverages from the licensee at its premises.

Caution: A municipality may further restrict or prohibit taste samples by Class A retail licenses. Check with your local municipality as to whether or not this activity is allowed.

Sampling at Class B Licensed Premises (Restaurants, Taverns, Hotels, Resorts)

Class B retail licensees (retail sales for on or off premises consumption) are authorized to offer taste samples of alcohol beverages as follows:

"Class B" (Intoxicating Liquor) and Class "B" (Fermented Malt Beverage) Licensees

- Samples must be purchased from a permitted wholesaler (includes a small winery cooperative wholesaler) or purchased from a brewer/brewpub authorized to make sales directly to retailers
- Samples must be served by licensed operators (bartenders) or servers under the immediate supervision of a licensed operator, the licensee or an agent of a retail corporation or LLC licensee
- Samples may not be provided to underage persons
- Samples may not be provided after closing hours

Sampling at Wineries, Liquor Manufacturers, Rectifiers, and Breweries

Wineries

- If the winery only has a winery permit:
 - Samples of wine manufactured on the winery premises may be provided
 - Samples must be provided free of charge
 - Samples may not be provided to underage persons
- If the winery also has a "Class A" or "Class B" retail license on the winery premises, the requirements described above for serving samples on "Class A" or "Class B" premises apply

Liquor Manufacturers and Rectifiers

- Samples of liquor manufactured/rectified on the manufacturer/rectifier premises may be provided
- Samples must be provided free of charge
- Samples may not exceed one and one-half fluid ounces to any one person per day
- Samples may not be provided to underage persons
- Samples must be served by licensed operators (bartenders) or servers under the immediate supervision of a licensed operator, the licensee, or agent of a retail corporation or LLC licensee

Breweries

- Samples may be provided on the brewery premises or at on an off-site retail outlet established by the brewer

Note: Brewers may also provide samples at Class "A" retail licensed premises as described above.

- Samples must be provided free of charge
- Samples may not be provided to underage persons

Any Questions?

If you are unable to find an answer to your question about alcohol beverage sampling on the department's website, email, write, or call the department.

CITY OF MERRILL FESTIVAL GROUNDS MANAGER AGREEMENT

THIS AGREEMENT, made and entered into by and between the City of Merrill, a municipal corporation ("City") and Richard Bjorklund ("Festival Grounds Manager"), is subject to the terms and conditions set forth herein:

I. DUTIES AND RESPONSIBILITIES

The FESTIVAL GROUNDS MANAGER, is generally being contracted to plan, organize, lead and administer all activities for the City of Merrill Festival Grounds in accordance with State Laws and City Ordinances. He shall positively promote and coordinate events utilizing the City of Merrill Festival Grounds facilities, and ensure the effective and efficient use of labor, funds, material and time.

EXAMPLES OF DUTIES: Plans, organizes, directs, coordinates, and administers the City of Merrill Festival Grounds; develops and recommends goals, objectives and policies; prepares and administers the budget recommended by the City of Merrill Common Council; controls fiscal expenditures and revenues; formulates rules and regulations for lessees and the public; rents commercial exhibit space; prepares and administers bid processes for carnivals, vendors, and other contract services; negotiates contracts and agreements; arranges for special attractions and events; plans and carries out the Festival Grounds programs; selects and contracts for judges, when necessary; makes arrangements for adequate police, fire, first aid, and sanitary facilities; promotes and advertises for City of Merrill Festival Grounds activities through a variety of media, including the press and radio; participates in community activities or civic groups; encourages and arranges for the use of the City of Merrill Festival Grounds and buildings on a year-round basis; ensures proper maintenance of fiscal and other records in accordance with applicable regulations; cooperates with a variety of State, County, and local agencies.

II HOURS OF WORK

The parties understand and agree that this contract is for part time services. It occasionally requires the Festival Grounds Manager to work before and beyond scheduled business hours, and on weekends and holidays.

III COMPENSATION

For the services rendered pursuant to this agreement the City will provide the Festival Grounds Manager with a monthly compensation of One Thousand Dollars (\$1,000.00) which will be paid bi-monthly about the 15th of and the end of the month.

IV TERM/TERMINIATION

This agreement is effective March 1, 2016, and will continue in full force and effect until either party gives the other party at least two (2) months prior written notice of termination.

IN WITNESS WHEREOF, the parties hereto have hereunder set their hands and seals the day and year so noted.

CITY OF MERRILL
BOARD OF PUBLIC WORKS
MINUTES • WEDNESDAY MAY 27, 2020

Regular Meeting

City Hall Council Chambers

5:30 PM

1. Call to Order

Mayor Woellner called the meeting to order at 5:30 P.M.

Attendee Name	Title	Status	Arrived
John M. Van Lieshout	Aldersperson - Fifth District	Present	
Derek Woellner	Mayor	Present	
Steve Sabatke	Alderman - Eighth District	Present	
Mike Rick	Aldersperson - Sixth District	Present	

Others in attendance: City Administrator Dave Johnson, Public Works Director/City Engineer Rod Akey, Street Superintendent Dustin Bonack, Street & Weed Commissioner Ron Liberty, Building Inspector/Zoning Administrator Darin Pagel, City Attorney Tom Hayden, Alderman Mark Weix, Bill Bialeck, Joseph Breaman and City Clerk Bill Heideman.

2. Preliminary items:

1. Vouchers

The vouchers were in the meeting packet.

Public Works Director/City Engineer Akey answered a question on the vouchers.

Motion (Van Lieshout/Rick) to approve.

RESULT:	APPROVED
----------------	-----------------

3. Other agenda items for consideration:

1. Review Breaman Ford site plan to satisfy Cedar Street Vacation

Information was in the meeting packet.

On June 12th, 2018, the Common Council adopted Resolution #2567. The resolution authorizes the vacation of a portion of Cedar Street for commercial development by Breaman Investments, LLC. The resolution stipulates that no construction or development, on, over or under the vacated street area shall commence until the Board of Public Works has approved a final development plan submitted to it by Breaman Investments LLC. The plan has now been submitted and was included in the meeting packet.

Joseph Breaman provided information and answered questions. Breaman Investments, LLC will be purchasing the former Murphy's Mini-Mart.

Motion (Van Lieshout/Rick) to approve the plan.

2. Discussion on 2020 Exterior Maintenance Program

Building Inspector/Zoning Administrator Pagel reported that he was seeking input from the Board on the 2020 Exterior Maintenance Program. He is proposing that his department "back off" on the enforcement of exterior maintenance compliance orders, in light of the COVID-19 pandemic. He stressed the garbage concerns would still be enforced, but there are costs associated with painting.

There was no objection to the proposal. No formal action was taken.

3. Discussion and potential action on City owner property in the 400 block of West Riverside Avenue.

A map was in the meeting packet.

The City owns a large piece of property behind several homes on Riverside Avenue. The land is in a floodplain and is undevelopable. There has been some interest by the adjoining property owners to acquire the land, so this item was on the agenda to determine the Board's position.

Motion (Van Lieshout/Sabatke) to contact the adjoining property owners to discuss their potential acquisition.

RESULT:	APPROVED
----------------	-----------------

4. Alley improvements of 1300 block, between East Eighth Street and East Ninth Street (this will be on the June meeting agenda).

Public Works Director/City Engineer reported that this would be on the June meeting agenda. Prior to that meeting, letters will be sent to the property owners in that area to inform them of the meeting.

4. Monthly Reports:

1. Building Inspector/Zoning Administrator Pagel

The report was in the meeting packet.

Building Inspection/Zoning Administrator Pagel reported that the department is busy with permits and garbage issues.

2. Public Works Director/City Engineer Akey

The report was in the meeting packet.

Public Works Director/City Engineer Akey reported that the Grand Avenue project is on schedule. The three-arch bridge may be paved by the Fourth of July.

3. Street Superintendent Bonack

The report was in the meeting packet.

Street Superintendent Bonack reported that the Street Department was able to begin crack-sealing early this year. He also shared information on the status of the Grand Avenue project.

4. Street & Weed Commissioner Liberty

The report was in the meeting packet.

Street and Weed Commissioner Liberty reviewed the report. He noted that, with the advent of warmer weather, lawn-related issues are occurring more frequently.

5. Consider placing monthly reports on file

Motion (Rick/Van Lieshout) to place on file.

RESULT: PLACED ON FILE

5. Establish date, time and location of next regular meeting

Wednesday, June 24th, 2020 at 5:30 P.M. in the City Hall Common Council Chambers.

6. Public Comment Period

None.

7. Adjournment

Motion (Rick/Van Lieshout) to adjourn. Carried. Adjourned at 6:00 P.M.

CITY OF MERRILL
CITY PLAN COMMISSION
MINUTES • TUESDAY JUNE 2, 2020

Regular Meeting

City Hall Council Chambers

6:00 PM

I. Call to Order

Mayor Woellner called the meeting to order at 6:00 P.M.

Attendee Name	Title	Status	Arrived
Ralph Sturm		Present	
Melissa Schroeder		Absent	
Ken Maule		Present	
Robert Reimann		Present	
Derek Woellner	Mayor	Present	
Steve Hass	Aldersperson - Second District	Present	
Kyle Gulke		Present	

Others in attendance: City Administrator Dave Johnson, City Attorney Tom Hayden, Public Works Director/City Engineer Rod Akey, Building Inspector/Zoning Administrator Darin Pagel, Alderman Steve Sabatke, Alderman Mark Weix, Kelly Zagrzebski, Cody Hoffman, Richard Ryan, Judy Ryan, Tom Gronos, Tyler Splindler, Ryan Schwartzman and City Clerk Bill Heideman. A representative from Merrill Productions was present to videotape the meeting.

II. Public Hearings:

1. Application from Cody Hoffman for a Conditional Use Permit for an auto repair shop and used car dealership at 209 N. Pine St.

Information was in the meeting packet.

Motion (Schroeder/Hass) to open the public hearing. Carried.

Building Inspector/Zoning Administrator Pagel reported that City ordinances prohibit auto repair shops and/or used car lots in an area zoned residential. However, applications for Conditional Use Permits can be submitted to the City Plan Commission for consideration.

Richard Ryan spoke against the application. He lives across the street and has concerns with noise as well as potential damage to vehicles.

Ryan Schwartzman spoke against the application, citing concerns with traffic congestion.

Motion (Hass/Schroeder) to close the public hearing. Carried.

Building Inspector/Zoning Administrator Pagel reported that he had received several phone calls from neighbors expressing their concerns with the application. He added his opinion that approval would set a dangerous precedence and that these types of businesses do not belong in a residential area.

Motion (Hass/Schroeder) to disapprove. Motion to disapprove carried.

The application and recommendation to disapprove will be considered by resolution at the June 9th, 2020 Common Council meeting.

2. Application from Wisconsin Public Service for a Conditional Use Permit for construction of a telecommunications tower at 3200 E. Main St.

Information was in the meeting packet.

Motion (Hass/Schroeder) to open the public hearing. Carried.

Representing Wisconsin Public Service, Kelly Zagrzebksi provided details on the application and answered questions. She stated that, at this time, Wisconsin Public Service is not planning on leasing space on the tower.

Motion (Hass/Reimann) to close the public hearing. Carried.

Motion (Hass/Gulke) to approve, with the condition that Common Council approval is necessary prior to Wisconsin Public Service entering into a lease agreement with any third party for space on the tower.

3. Application from the City of Merrill for a Planned Unit Development at the former Fox Point site (1905 E. 14th St.) for an apartment development.

Information was in the meeting packet.

Hass/Schroder to open the public hearing. Carried.

Ryan Schwartzman spoke in favor of the planned unit development.

Alderman Sabatke reported that the local snowmobile club is willing to work with the City to redirect the snowmobile trail in the area of the proposed development.

Motion (Hass/Reimann) to close the public hearing. Carried.

Building Inspector/Zoning Administrator Pagel reported that the applications complies with all setback and parking requirements.

Motion (Hass/Schroeder) to approve.

RESULT:	APPROVED & SENT TO COUNCIL	Next: 6/9/2020 6:00 PM
----------------	---------------------------------------	-------------------------------

III. Minutes of previous meeting(s):

1. Minutes of February 4, 2020 meeting

The minutes were in the meeting packet.

Motion (Hass/Schroeder) to approve.

RESULT: APPROVED

IV. Other agenda items:

1. Oral report from Building Inspector/Zoning Administrator Pagel on Certified Survey Maps

Building Inspector/Zoning Administrator Pagel had nothing to report at this time.

V. Establish date, time and location of next meeting

The next meeting will be at the call of the Chairperson.

VI. Public Comment Period

None.

VII. Adjournment

Motion (Hass/Reimann) to adjourn. Carried. Adjourned at 6:19 P.M.

CITY OF MERRILL
COMMITTEE OF THE WHOLE
MINUTES • TUESDAY MAY 19, 2020

Regular Meeting

City Hall Council Chambers

6:00 PM

I. Call to Order

Mayor Woellner called the meeting to order at 6:00 P.M.

Attendee Name	Title	Status	Arrived
Paul Russell	Aldersperson - First District	Present	
Steve Hass	Aldersperson - Second District	Present	
Rick Blake	Aldersperson - Third District	Present	
Steve Osness	Aldersperson - Fourth District	Present	
John M. Van Lieshout	Aldersperson - Fifth District	Present	
Mike Rick	Aldersperson - Sixth District	Present	
Mark Weix	Aldersperson - Seventh District	Present	
Steve Sabatke	Alderman - Eighth District	Present	
Derek Woellner	Mayor	Present	

Also in attendance: City Administrator Dave Johnson, City Attorney Tom Hayden, Public Works Director/City Engineer Rod Akey, Utility Operations Manager Gabe Steinagel, Information Technology Manager Dustin Brown, Fire Chief Josh Klug, Library Director Stacy Stevens, Police Chief Corey Bennett, Facilities Maintenance Manager Nick Wszalek (arr. 6:05), Brad Becker and City Clerk Bill Heideman. Several department heads attended the meeting remotely.

II. Silent Prayer

III. Pledge of Allegiance

IV. Public Comment Period

Representing the Lincoln County Fair Board and the Festival Grounds Committee, Brad Becker stated his opinion that the efforts of Festival Grounds Manager Bjorklund have brought money into the City.

V. Agenda Items for Consideration:

1. Timeline and procedures for opening closed departments and City Hall

City Administrator Johnson reviewed the timetable for reopening various City departments.

City Hall and the Transit Department will be reopening on Tuesday, May 26th.

At this point, it is doubtful that the Aquatic Center will open in 2020, although no final decision has been made. The Parks and Recreation Department is holding discussions with neighboring municipalities on pool openings. To prevent overcrowding at open pools, the decision will likely be that either all pools in the area open this year or all pools remain closed for 2020.

Attachment: Committee Reports (5062 : File Committee Reports)

The Merrill Enrichment Center will be reopening soon, although the reopening will be "slower" because many of their clients are considered vulnerable to COVID-19.

The T.B. Scott Library continues to work on reopening. Their reopening will be more "complicated" due to the number of children who normally visit the library.

Municipal Court will be reopening soon.

After City Hall reopens, the wearing of masks at City Hall will be encouraged but not required.

Access to playground equipment was discussed. At this time, the use of playground equipment is prohibited.

2. Review COVID-19 fiscal impact and consider any budget saving ideas

An article from the Wisconsin Policy Forum was in the meeting packet. Mayor Woellner reviewed the highlights of the article.

Finance Director Unertl then addressed the impact that COVID-19 has had on the Room Tax budget.

The fiscal impact of COVID-19 will be a continuing concern.

No action was taken.

3. Update on current financial status of Transit Department, in light of it being closed due to the COVID-19 pandemic.

Information was in the meeting packet.

Finance Director Unertl reported that having the Transit Department closed has resulted in savings and is therefore fiscally positive for the City.

No action was taken.

4. Consider furlough for the Festival Grounds Manager position. At a meeting on May 13th, 2020, the Common Council referred this to the Committee of the Whole.

Alderman Hass asked whether the Festival Ground Manager contract could be amended. City Attorney Hayden suggested that the first step might be to sit down with the Festival Grounds Manager and discuss the current contract.

Alderman Russell stated his opinion that we need to evaluate all positions. He also stated that July 1st is a realistic deadline to make a decision on having or cancelling the 2020 Lincoln County Fair.

At some future meeting, the Personnel and Finance Committee will continue discussion on the Festival Grounds Manager contract.

No action was taken at this time.

5. Consider ordinance amending Chapter 18, Article II, Section 18-21, related to policy to limit tax rate increase in annual City budgets. At a meeting on January 14th, 2020, the Common Council referred this ordinance to the Committee of the Whole.

The ordinance, which was originally introduced in January, was in the meeting packet. The intent of the ordinance is to limit the annual tax levy increase to less than the Social Security Cost-of-Living Adjustment for that levy year.

Alderman Blake stated that he is not in favor of including "hard and fast" annual tax adjustments in ordinances.

Mayor Woellner will have the ordinance redrafted for consideration at a future meeting. No action was taken at this time.

6. Ordinance on scope of authority to call special meetings

Chapter 2, Article IV, Section 2-85 stipulates that only the mayor can schedule special meetings, which would include Committee of the Whole meetings.

The meeting packet contained two prospective ordinance amendments. The first option would allow any two Common Council members to schedule special meetings. The second option would also allow two Common Council members to schedule special meetings, but would require that one of the two be the Common Council President.

Motion (Osness/Van Lieshout) to refer the second ordinance option to the Common Council for consideration.

RESULT:	REFERRED TO COUNCIL	Next: 6/9/2020 6:00 PM
----------------	----------------------------	-------------------------------

7. Discussion on Common Council orientation

Alderman Russell raised the question of which day(s) and date(s) would work best for a Committee of the Whole meeting to include Common Council orientation. There appeared to be a preference to schedule the meeting on a Friday, and to provide adequate notice to the alderpersons (a couple of weeks) prior to the meeting. Times suggested included 8:00 A.M. to 2:00 P.M. and 8:00 A.M. to 3:00 P.M.

Robert's Rules of Order and a Budget Overview were among the several suggestions to include on the orientation meeting agenda.

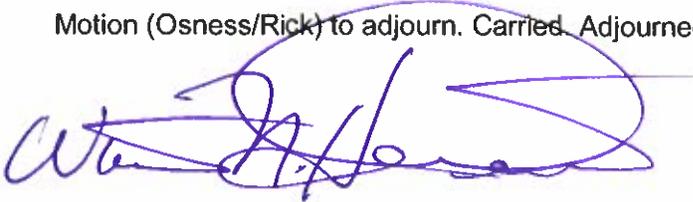

The question of Department Head attendance at the meeting was asked. City Administrator Johnson suggested that it was important for all Department Heads to be invited and to attend.

Alderman Russell announced that he would be sending an e-mail to gather more information from the alderman before the meeting is scheduled.

No action was taken at this time.

VI. Adjournment

Motion (Osness/Rick) to adjourn. Carried. Adjourned at 7:35 P.M.

A handwritten signature in blue ink, appearing to be "W. Osness", written over the text of the motion.

CITY OF MERRILL
HEALTH AND SAFETY COMMITTEE
MINUTES • MONDAY MAY 18, 2020

Regular Meeting

City Hall Council Chambers

5:15 PM

I. Call to Order

Alderman Russell called the meeting to order at 5:16 P.M.

Attendee Name	Title	Status	Arrived
Rick Blake	Aldersperson - Third District	Remote	
Paul Russell	Aldersperson - First District	Present	
Mark Weix	Aldersperson - Seventh District	Present	

Others in attendance: City Administrator Dave Johnson, Fire Chief Josh Klug, Police Chief Corey Bennett, Deputy Health Officer Norbert Ashbeck (Remote), City Attorney Tom Hayden, Lincoln County Health Department Director Shelley Hersil (Remote), Lincoln County Emergency Management Director September Murphy (Remote), Alderman Mike Rick Jr. and City Clerk Bill Heideman.

II. COVID-19 Updates:

1. Lincoln County Health Director Shelley Hersil

Lincoln County Health Department Director Hersil noted that the "Safer at Home" order has now been rolled back and is no longer in effect. At this time, most counties are not issuing county orders, and for now Lincoln County is not planning to issue any order.

The Lincoln County Health Department is still encouraging best practices, in order to minimize the possibility of an outbreak.

The number of tests is increasing, but the Lincoln County Health Department is hoping for even more testing.

Lincoln County Health Department Director Hersil then answered questions related to COVID-19.

2. Lincoln County Emergency Planning Manager September Murphy

Lincoln County Emergency Planning Manager Murphy reported that work continues on ensuring an adequate supply of Personal Property Equipment.

Meetings with various entities continue as necessary.

Lincoln County Emergency Planning Manager Murphy then answered questions related to COVID-19.

III. Nuisance Complaints and Vouchers:

1. Nuisance Complaints

The nuisance complaint summary report was in the meeting packet.

Deputy Health Officer Ashbeck stated that he has nothing new to report at this time.

2. Vouchers

The vouchers were in the meeting packet.

Police Chief Bennett answered a question on a voucher.

Motion (Blake/Weix) to approve.

RESULT:	APPROVED
----------------	-----------------

IV. Picnic and/or Liquor License Applications:

1. 2020-2021 Liquor License Applications (per list)

The list of license applications and related information was in the meeting packet. The packet information states that Jimbo's has not yet submitted a renewal application. City Clerk Heideman reported that Jimbo's has now submitted an application.

Although the packet information indicated that fire inspections have been suspended, licensees with current violations will need to achieve compliance to receive their license.

The question arose as to the length of time a licensee can retain a license without doing business. It was noted that El Mariachi has not yet opened, although they have held a license since December 18th, 2018. It was suggested that letter(s) be sent and call(s) made to determine the status and possible opening date for El Mariachi.

Motion (Weix/Blake) to approve all the license renewal applications, with the exception of El Mariachi, and to refer the applications to the June 9th, 2020 Common Council meeting.

RESULT:	APPROVED & SENT TO COUNCIL	Next: 6/9/2020 6:00 PM
----------------	---------------------------------------	-------------------------------

V. Other agenda items to consider:

1. Update and discussion on ATV/UTV Ordinance

Police Chief Bennett had requested that this item be placed on the agenda. He said that, at this time, he requested it only to exchange information. He suggested that is probably time to revisit the ordinance and evaluate it.

Police Chief Bennett stated that, since the ordinance was first adopted, the use of ATV/UTV vehicles for transportation has increased dramatically.

City Administrator Johnson suggested that, at some point, a public meeting be held to provide information as well as obtain input from the public on this subject.

It was suggested that the City website could be used to provide/obtain information.

This item will be on the June agenda. No action was necessary, requested or taken at this time.

VI. Minutes, Annual Reports & Monthly Reports:

1. Minutes of April 27, 2020 meeting

Before the minutes were considered, discussion was held on the opening of City Hall and various City departments.

City Administrator Johnson reported that City Hall will be reopening on May 26th. Municipal Court sessions are scheduled to resume June 8th.

The Aquatic Center will only open if Phase 3 of the Badger Bounce Back Plan is reached, or if mass gathering are again allowed.

Alderman Blake, a member of the Transit Commission, provided an update on the Transit Department. That department will be reopening and services resumed on May 26th.

The Enrichment Center will be reopening soon, probably on a limited basis to start.

Discussion was then held on the status of upcoming events. Alderman Russell reported that a decision on whether to have the 2020 Lincoln County Fair will need to be made by July 1st. The annual rodeo and the Relay for Life have already been cancelled for 2020. A decision on the fireworks will need to be made soon.

The minutes were in the meeting packet.

Motion (Blake/Weix) to approve the minutes.

RESULT:	APPROVED
----------------	-----------------

2. 2019 Annual Report - Fire Department

Fire Chief Klug reviewed the annual report.

3. Monthly Report - Fire Chief Klug

The monthly report was in the meeting packet. Fire Chief Klug reviewed the report. Webinars related to COVID-19 are being watched regularly to receive timely information.

Fire Chief Klug then answered questions related to the report.

4. Monthly Report - Police Chief Bennett

The monthly report was in the meeting packet.

Police Chief Bennett reviewed the report. He noted that the Police Department is currently working on an annual report. April was a "slow" month in the department.

Police Chief Bennett then answered questions related to the report.

It was noted that, at this time, both the Police Department and the Fire Department have adequate supplies of Personal Protective Equipment.

5. Monthly Report - Lincoln County Humane Society (Not submitted yet this month)

City Clerk Heideman reported that the Humane Society monthly report has now been received, but it was not received in time to be included in the meeting packet. He reminded everyone that, due to Memorial Day, this Health and Safety Committee meeting is a week earlier than normal. The June meeting packet should contain two Humane Society reports.

City Administrator Johnson reported that the shelter is currently not open for "foot " traffic or walk-in adoptions.

6. Consider placing monthly reports on file

Motion (Blake/Weix) to place on file.

RESULT:	PLACED ON FILE
----------------	-----------------------

VII. Establish date, time and location of next regular meeting

Monday, June 22nd, 2020 at 5:15 P.M. in the City Hall Common Council Chambers.

VIII. Public Comment Period

None.

IX. Adjournment

Motion (Blake/Weix) to adjourn. Adjourned (without vote) at 6:24 P.M.

T. B. Scott Free Library Board of Trustees
REGULAR MEETING
May 20th, 2020
Minutes

1. Opening

President Mike Geisler called the Regular Meeting of the Board of Trustees to order at 4:00 p.m. virtually facilitated through BlueJeans. Present: Katie Breitenmoser, Darcy Dalsky, Paul Gilk, Audrey Huftel, Richard Mamer, Tim Meehean and Jim Wedemeyer. Excused: Gene Bebel. Also present: Diane Peterson (Lincoln County Representative on the WVLS Board), Laurie Ollhoff and Nick Wszalek.

A thank you card was received from WVLS Staff for the funding received for the OverDrive Advantage Account. A letter was received from Susan Hass, Contracted Program Coordinator, indicating she will be resigning after the completion of her current contract.

There was no public comment.

2. Consent Items

M Meehean/S Huftel/C to approve the minutes of the April meeting as printed.

M Meehean/S Wedemeyer/C to accept the Monthly Revenue and Expense Report for April.

3. Reports/Discussion Items/Action Items

A. Update on COVID-19 Building Closure, Curbside Pickup and Plans for Reopening: Ms. Stevens gave an update on curbside pickup, online programming, and other current staff activity. At this time, the plan is to open the library on June 1st with the understanding that guidelines are coming from the Lincoln County Health Department and State Department of Public Instruction. Ms. Stevens will continue to work closely with Mr. Geisler to review the current situation and, together, they will make the final determination of opening. Mr. Wszalek has acquired the necessary cleaning & sanitizing products and will be training staff on building cleaning procedures prior to opening. Board members instructed Ms. Stevens to continue to keep the public informed via various means-newspaper, radio, social media regarding library closure, status, and current services.

B. Policy: Standard of Conduct for Library Patrons COVID-19 Restrictions/Protocols:

M Meehean/S Breitenmoser/C to accept the policy presented with the revisions as discussed. Board members stressed the need to continue to keep the public informed regarding the reasons for decisions made, which follow the most current public health guidelines.

C. Strategic Plan Progress: Goal #3: Updates to Goal #3 were provided.

D. Status of Church Property: Ms. Stevens updated board members on the new ownership of the church property. Ms. Stevens introduced herself to the new property owner and Mr. Bebel has been attempting to make contact by phone.

E. Wisconsin Trustee Essential #21-the Library Board and Accessible Services: Ms. Stevens provided copies of Trustee Essential #21.

F Reports from Friends and WVLS Representative: A copy of the WVLS Director's Report for April was included in the board packet.

4. Forthcoming Events & Library Director Report

- April Monthly Statistical Report was provided.
- This year's Summer Library Program will be facilitated through an online platform called Beanstack, in conjunction with the traditional paper format for both youth and adult.
- Ms. Stevens discussed her efforts towards partnering with MAPS concerning internet access and the use of hotspots.
- Ms. Ollhoff has coordinated a donation through the Wisconsin Face Mask Warrior Zone 6 Group, to provide cloth masks for all interested staff to wear at work allowing the library to realize the cost savings related to the purchase of disposable masks for staff.
- Ms. Maerz conducted the Short Story Group virtually via BlueJeans.

- Ms. Forde has been approved to provide USDA Summer Meals and we are now awaiting further instructions/guidelines.
- Ms. Stevens and Mr. Greenwood were scheduled to attend the next Kettering Initiatives for Democratic Practices Exchange in Ohio this week. That session is now being held virtually.
- Ms. Stevens gave a brief update on work being done by Mr. Greenwood regarding continuing progress with the AAC and other civic engagement initiatives.
- Ms. Stevens and Mr. Wszalek gave an update on the bathroom update project.

5. Adjournment

M Meehan/S Dalsky/C to adjourn the meeting at 5:05 p.m. The next regularly scheduled meeting of the Board of Trustees will be held on June 17th at 4:00 p.m. in the Library Board room.

Stacy D. Stevens, Secretary

SPECIAL PARKS AND RECREATION COMMISSION

May 13, 2020

The Merrill Parks and Recreation Commission met virtual on Wednesday, May 13, 2020 at 4:15 p.m.

Members Present: Kyle Gulke, Jean Ravn, Joan Tabor, Brian Artac, Dan Novitch and John Vanlieshout.

Members Excused Absent:

Department Staff Present: Dan Wendorf and Dawn Smith

Visitors: City Administrator Dave Johnson

Novitch stated that agenda item number one and number two will be skipped.

The next item on the agenda was discussion and recommendation on Aquatic Center and certain recreation program potential openings/closings for 2020 season. Wendorf stated that he has been working with neighboring communities to come up with a plan on working together. Wendorf stated that he has been meeting with Wausau/Marathon County, Stevens Point, Weston, Rothschild/Schofield, Marshfield, Wisconsin Rapids and Thorp. Wendorf stated that all surrounding communities want to cooperatate with each other. Wendorf stated that there concern is that if one pool opens and the rest close, the pool that remains open will be packed from people coming from surrounding communities. Wendorf stated that all the pools would like to open at the same time, using the time line of meeting phase 3 of the Badger Bounce Back. Wendorf stated that the surrounding communities all agreed that trying to open after July 1st would pose challenges for their pools and to operate for less than half of the season would be costly and could potentially be difficult due to staff shortages by making seasonal employees wait to see what happens. In order to open by July 1st it would take several weeks and that is why June 15th was used as a time frame to activate a decision. Wendorf stated that Phase III allows for mass gatherings again, and trying to run the Aquatic Center with severely restricted numbers would cost the department and City a significant amount of money without any solid revenue returns. Wendorf stated that all the communities are working on a press release that will go out at the same time with the same information.

***Motion by Vanlieshout, seconded by Ravn to consider only opening the Aquatic Center under Phase 3 of the Badger Bounce Back or updated guidelines that are ordered (and allow for mass gatherings). Phase III (or mass gatherings) must be declared/allowed by June 15th in order to allow time for July 1st deadline to consider opening for the season.

*** Carried unanimously.

Discussion was also held on the recreational programs. Wendorf stated that recreational programs is also a gray area. Wendorf stated that we have to follow state guidelines. Wendorf stated that at the moment there is simply not enough information to make a recommendation. We need to know what type of gathering numbers we can use, physical distancing, disinfecting, as well as registration requirements to name a few. Wendorf said the timing is not very good due to the fact that people are asking what our plans are, but without concrete details to use it is important to wait until we have clarity. Discussion was held and it was decided to revisit recreational programs at the Park and Recreation Commission meeting on June 3, 2020.

The next regular meeting is scheduled for Wednesday, June 3, 2020 at 4:15 p.m. at the Merrill City Hall.

***Motion by Artac, seconded by Vanlieshout to adjourn at 5:00 p.m.

***Carried unanimously.

Dawn Smith
Recording Secretary

City of Merrill
Meeting of Redevelopment Authority (RDA)

Wednesday, March 4th, 2020 at 8:00 a.m. - **Closed**
City Hall Common Council Chambers

RDA Present: Ken Maule, Clyde Nelson, Tony Kusserow, Steve Sabatke, Sheila Polak, Lori Anderson-Malm, and Derek Woellner

Others: Alderperson Rick Blake, City Administrator Dave Johnson, City Attorney Tom Hayden, Finance Director Kathy Unertl, and Bill Bialecki from Lincoln County Economic Development Corp

Closed Session: Nelson read the following: The RDA may convene in closed session per Wis. Stats. Sec. 19.85(1)(e) – deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session to consider:

- a. Consider approval of closed session RDA meeting minutes from October 2nd, 2019 and February 20th, 2020
- b. Consider negotiation of City purchase of property/properties for proposed new restaurant site in Tax Increment District (TID) No. 3 (East Side) and negotiation of potential TID cash development incentive to facilitate proposed restaurant development

Motion (Maule/Sabatke) to move into closed session. Carried 7-0 on roll call vote at 8:05 a.m.

Motion (Woellner/Kusserow) to approve the closed session meeting minutes from October 2nd, 2019. Carried.

Motion (Kusserow/Polak) to approve the closed session meeting minutes from February 20th, 2020. Carried.

Bill Bialecki from Lincoln County Economic Development Corp. provided an update on two potential new restaurant sites. **RDA Commissioner Kusserow left at 8:25 a.m.**

RDA Commissioners provided negotiation direction on the development site options, including potential additional \$10,000 for TID No. 3 cash development incentive for potential site acquisition. Specific closed session motions included:

Motion (Woellner/Maule) to authorize \$160,000 instead of \$150,000 as the maximum TID No. 3 cash development incentive for site #1 (Wal-Mart) acquisition. Carried on 6-0 vote.

Motion (Nelson/Woellner) to authorize up to \$150,000 as TID No. 3 cash development incentive for potential site #2 development. Carried on 5 - 1 vote. There would be additional expenses (such as retaining wall, fill, parking easement, and environmental regulatory approvals) required to facilitate potential site #2 development.

Adjournment: (Polak/Anderson-Malm) to adjourn at 8:35 a.m. Carried.

Minutes prepared by RDA Secretary Kathy Unertl

City of Merrill
Meeting of Redevelopment Authority (RDA)

Wednesday, May 6th, 2020 at 8:00 a.m.
City Hall Common Council Chambers

RDA Present: Clyde Nelson, Tony Kusserow, Steve Sabatke, Sheila Polak, Lori Anderson-Malm, Derek Woellner, and Val Mindak (via phone)

Others: City Clerk Bill Heideman, Alderpersons Rick Blake and Steve Hass, City Administrator Dave Johnson, City Attorney Tom Hayden, Finance Director Kathy Unertl (via phone), Bill Bialecki from Lincoln County Economic Development Corp., and Ryan Ott from Ryan Ott Development

Call to Order: Chair Nelson called the meeting to order at 8:00 a.m. and welcomed new RDA Commissioner Val Mindak.

Consider approval of RDA meeting minutes from March 4th, 2020:

Motion (Kusserow/Woellner) to approve the meeting minutes from March 4th. Carried.

Public Comment: None.

Status update on overall Merrill manufacturers and businesses due to COVID-19:

Bill Bialecki from Lincoln County Economic Development Corp. (LCEDC) reported that all manufacturers within City of Merrill continue with operations.

Dave Johnson highlighted the status of Small Business grants and loans. As of May 5th, there have been 64 grants of up to \$1,500 each and 26 loans of up to \$1,500 each – for total of about \$100,000. Additional Community Development funding is available to facilitate the future reopening of Merrill small businesses after lifting of Wisconsin Governor Tony Ever's "Safer at Home" Order.

Status update on pending developments and consideration of modifications of previous development agreement terms:

- a) Ryan Ott Development – Single-Family Homes on West St. Paul St. (TID No. 11):

The draft development agreement was not executed by early March 2020 and then the COVID-19 public health emergency was declared in mid-March 2020. Ott advised that he needed to secure basement contractor commitment and expressed concerns about the potential interest in spec-housing.

Mindak emphasized based upon her financial institution experience that there should be a strong demand for new home construction in Merrill. Polak concurred that home mortgage interest rates will remain low. Bialecki reported that there is huge demand for workforce housing in Merrill.

Ryan Ott Development – Single-Family Homes on West St. Paul St. (TID No. 11) - Continued:

After extensive discussion with Ryan Ott regarding timing, **Motion (Polak/Mindak) to extend the first spec-house construction starting timeframe to July 31st for foundation or signed construction contract.** Carried.

b) Proposed new restaurant development east of Park City Credit Union (TID No. 3):

Bialecki reported that with the impacts of COVID-19, the potential developer is not interested in proceeding at this time. Unertl advised that she will bring back an alternative plan to keep the potential development option available after the 9/13/2020 TID No. 3 new expenditure deadline.

Background on City of Merrill acquisition and investment in former Fox Point site (TID No. 10): Nelson advised that the fiscal report was prepared in response to an e-mail request from Commissioner Sabatke.

The City of Merrill purchased the vacant site for \$445,505 (i.e. after demolition of the previous building by the former property owner) on July 7th, 2016. Though 12/31/2019, there has been City Tax Increment District (TID) investment of \$551,620.

Unertl reported that previous borrowing includes a Note Anticipation Note (NAN) for \$495,000 which has a balloon payment due on 11/1/2021. Unertl is working with the City's independent financial consultant on refinancing options which will be presented to the RDA and Common Council later in 2020.

Sabatke commented that the property is no longer generating property tax. The 2015 (i.e. 2016 collection) tax bill was for \$8,557.

Unertl advised that TID No. 10 is a "blighted area" TID with a 27-year lifespan. The TID was created 9/22/2015 and potentially could extend to 9/22/2042.

Next RDA meeting: Scheduled for Wednesday, June 3rd at 8:00 a.m.

The RDA may convene in closed session per Wis. Stats. Sec. 19.85(1)(e) – deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session to consider:

- a. Consider approval of closed session RDA meeting minutes from March 4th, 2020
- b. Consider potential negotiation terms for proposed residential redevelopment of former Fox Point site (TID No. 10)

Motion (Kusserow/Sabatke) to move into closed session. Carried 6-1 on roll call vote at 8:41 a.m.

Motion (Kusserow/Woellner) to approve the closed session meeting minutes from March 4th. Carried.

Two responses were received to the City's TID No. 10 Request for Proposals: Prairie River View Community from Cardinal Capital Management, Inc. and SCS Fox Point Multi-Family Housing Proposal from S.C. Swiderski LLC.

RDA Commissioners provided negotiation direction to City staff regarding the S.C. Swiderski LLC's SCS Fox Point Multi-Family Housing Proposal.

Adjournment: (Polak/Anderson-Malm) to adjourn at 9:07 a.m. Carried.

Minutes prepared by RDA Secretary Kathy Unertl

Attachment: Committee Reports (5062 : File Committee Reports)

City of Merrill
Meeting of Redevelopment Authority (RDA)

Wednesday, May 6th, 2020 at 8:00 a.m. - **Closed**

City of Merrill
Meeting of Redevelopment Authority (RDA)

Wednesday, June 3rd, 2020 at 8:00 a.m.
City Hall Common Council Chambers

RDA Present: Derek Woellner, Tony Kusserow, Steve Sabatke, Sheila Polak,
Lori Anderson-Malm, Val Mindak, and Clyde Nelson (who arrived at
8:15 a.m.)

Others: City Clerk Bill Heideman, Alderpersons Rick Blake and Steve Hass,
City Administrator Dave Johnson, City Attorney Tom Hayden, Finance
Director Kathy Unertl (via phone), Public Works Director/City Engineer
Rod Akey, Bill Bialecki from Lincoln County Economic Development
Corp., and camera operator from Merrill Productions

Call to Order: Mayor Woellner called the meeting to order at 8:00 a.m.

Consider approval of RDA meeting minutes from May 6th, 2020:

Motion (Kusserow/Sabatke) to approve the meeting minutes from May 6th. Carried.

Public Comment: Bill Bialecki from LCEDC recommended including presentation on potential workforce housing endowment program at the July RDA meeting. Bialecki will also invite representatives from City of Tomahawk to attend the housing presentation.

Review and consideration of resolution authorizing a development agreement by and between the City of Merrill, Wisconsin and SCS – S.C. Swiderski LLC for market-rate multi-family housing redevelopment on former Fox Point site (TID No. 10):

The S.C. Swiderski proposal is for four apartment buildings, including total of 56 apartments:

1 bedroom	24
2 bedroom	12
3 bedroom	20

Unertl highlighted the proposed development including information on comparable multi-family improved assessments in Merrill; projected future tax increment from proposed four new apartment buildings (i.e. about \$2.5 million over TID No. 10 lifespan); and preliminary TID No. 10 cash flow. There will be adequate tax increment to cover City debt service related to 2016 property acquisition; the \$250,000 cash development incentive; and potential future infrastructure improvements to the area.

Besides sale of the City-owned land for \$1.00, there will be a TID No. 10 cash development incentive total of \$250,000 which will be paid per the following payment schedule:

- \$50,000 upon construction start of first apartment building; and
- \$50,000 upon completion (State Occupancy Permit) for each of the four apartment buildings.

Attachment: Committee Reports (5062 : File Committee Reports)

Review and consideration of resolution authorizing a development agreement by and between the City of Merrill, Wisconsin and SCS – S.C. Swiderski LLC for market-rate multi-family housing redevelopment on former Fox Point site (TID No. 10) - Continued:

Motion (Kusserow/Mindak) to recommend the resolution authorizing a development agreement by and between the City of Merrill, Wisconsin and SCS – S.C. Swiderski LLC for market-rate multi-family housing redevelopment on former Fox Point site (TID No. 10). Carried.

Follow-up on proposed Ryan Ott Construction single-family home development on West St. Paul Street (TID No. 11):

Kusserow recommended development of property covenants that would limit to owner-occupied homes (i.e. not rentals). There will be further discussion at the next RDA meeting.

Next RDA meeting: Scheduled for Wednesday, July 8th at 8:00 a.m.

The RDA may convene in closed session per Wis. Stats. Sec. 19.85(1)(e) – deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session to consider:

- a. Consider approval of closed session RDA meeting minutes from May 6th, 2020
- b. Consider potential negotiation terms for acquisition of property located along Wisconsin River (TID No. 9)

Motion (Sabatke/Kusserow) to move into closed session. Carried 7-0 on roll call vote at 8:27 a.m.

Motion (Anderson-Malm/Kusserow) to approve the closed session meeting minutes from May 6th. Carried.

RDA Commissioners provided negotiation direction to City staff regarding potential property acquisition along Wisconsin River (TID No. 9). There will be future RDA discussion on potential vision for redevelopment options.

This would be a multi-year redevelopment project. Various potential Wisconsin Economic Development Corp. (WEDC) grant funding opportunities will be explored by City staff.

Adjournment: (Polak/Anderson-Malm) to adjourn at 9:22 a.m. Carried.

Minutes prepared by RDA Secretary Kathy Unertl

CITY OF MERRILL
WATER & SEWAGE DISPOSAL COMMITTEE
MINUTES • WEDNESDAY MAY 27, 2020

Regular Meeting

City Hall Council Chambers

5:00 PM

I. Call to Order

Alderman Osness called the meeting to order at 5:00 P.M.

Attendee Name	Title	Status	Arrived
Steve Osness	Aldersperson - Fourth District	Present	
Mike Rick	Aldersperson - Sixth District	Present	
Mark Weix	Aldersperson - Seventh District	Present	

Also in attendance: City Administrator Dave Johnson (arr. 5:01), Utility Operations Manager Gabe Steinagel, Public Works Director/City Engineer Rod Akey, Street & Weed Commissioner Ron Liberty and City Clerk Bill Heideman.

II. Preliminary Items

1. February Vouchers

The vouchers for February, March and April were in the meeting packet.

Motion (Rick/Weix) to approve the February, March and April vouchers.

RESULT: APPROVED

2. March Vouchers

See "February Vouchers" agenda item.

3. April Vouchers

See "February Vouchers" agenda item.

III. Agenda Items for Consideration

1. Review & Approval of 2019 Compliance Maintenance Annual Report (CMAR)

The report and related resolution were in the meeting packet.

Utility Operations Manager Steinagel cited the highlights of the report.

Motion (Rick/Weix) to recommend approving the resolution on the 2019 Compliance Maintenance Report for the Wastewater Treatment Plant, and referring this recommendation to the Common Council.

RESULT: APPROVED & SENT TO COUNCIL **Next: 6/9/2020 6:00 PM**

2. Discussion & Recommendation on change to Wellhead Protection Ordinance

Proposed amendments to Code of Ordinances Section 113-46 (m) were in the meeting packet. This section of code is related to Wellhead Protection. Utility Operations Manager Steinagel reported that the amendments would bring the ordinances in compliance with code already included in the Wisconsin Administrative Code.

Motion (Osness/Rick) to recommend approving the ordinance amendments and referring this recommendation to the Common Council.

RESULT:**APPROVED & SENT TO COUNCIL****Next: 6/9/2020 6:00 PM****IV. Monthly Report****1. Operations Report**

The report was in the meeting packet.

Utility Operations Manager Steinagel reviewed the report and provided additional verbal information.

V. Public Comment Period

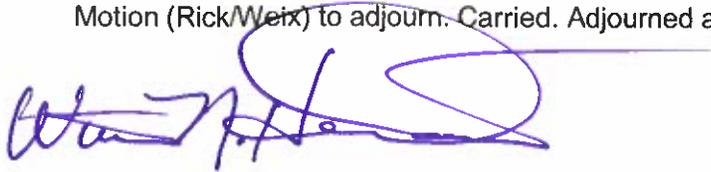

None.

VI. Establish date, time and location of next meeting

Wednesday, June 24th, 2020 at 5:00 P.M. in the City Hall Common Council Chambers.

VII. Adjournment

Motion (Rick/Weix) to adjourn. Carried. Adjourned at 5:08 P.M.

ZONING BOARD OF APPEALS MINUTES

May 26, 2020, 7:00 p.m.

PRESENT: Chairman Steve Hass, Alderman Mike Rick, Ron Burrows, Dean Haas, James Koebe, Jeremy Thompson, and Zoning Administrator Darin Pagel
Guests: Alderman Weix, Alderman Sabatke, Gary Schulz

Motion to approve November 18, 2019 minutes Mr. Rick, second Mr. Haas, carried.

Chairman Hass read the meeting notice and explained procedure.

First item on agenda is a variance request from Gary Schulz, 2100 Logan Ave. to construct a 6' high side yard fence. ZA Pagel explained the variance request.

Motion to open hearing Mr. Rick, second Mr. Haas, carried.

Alderman Sabatke spoke in favor of the variance stating it would improve the neighborhood and would give the owner privacy from the trail and he also read notes from the neighbors in support. No one spoke in opposition. Mr. Burrow asked how many people used the trail in that location. Mr. Schulz and Alderman Sabatke said it was very busy on the weekends.

Motion to close hearing Mr. Koebe, second Mr. Haas, carried.

Motion to approve variance by Mr. Koebe, second Mr. Haas, motion carried unanimously.

No public comment.

With no other business, Motion to adjourn Mr. Rick, second Mr. Haas, carried.

Meeting adjourned 7:06pm

Darin Pagel, Recording Secretary.

CITY OF MERRILL

1004 EAST FIRST STREET
MERRILL, WI 54452-2586

AN ORDINANCE: City Plan Commission

Re: Amending the District Zoning Map of the City of Merrill to change the zoning from Thoroughfare Commercial to Planned Unit Development for the property located at E 14th Street and N Sales Street.

ORDINANCE NO. 2020-
Introduced: June 9, 2020
1st Reading: _____
2nd Reading: _____
3rd Reading: _____
Committee/Commission Action:
RECOMMENDED FOR PASSAGE

AN ORDINANCE

The Common Council of the City of Merrill, Wisconsin, does ordain as follows:

Section 1. The District Zoning Map of the City of Merrill, Wisconsin is hereby amended by changing the zoning of the following described property located at E 14th Street and N Sales Street in the City of Merrill from Thoroughfare Commercial to Planned Unit Development, said parcel more particularly described as follows:

Lot One (1) and Two (2) of Certified Survey Map Number 426, recorded March 21, 1985, in Volume 2 of Certified Surveys, page 210, as Document No. 281397, in the Office of the Register of Deeds, Lincoln County, Wisconsin, being a part of A.P. 193, located in the NE ¼ of the NE ¼, Section 12, Township 31 North, Range 6 East, City of Merrill, Lincoln County, Wisconsin.

Section 2. PUD Plan. The PUD Plan for the project, dated June 2, 2020 and prepared by S.C. Swiderski LLC reviewed and found to be in compliance with the criteria for approval found at §13-1-63(c) of the Code of Ordinances of the City of Merrill by the City Plan Commission is hereby adopted, subject to revisions in the final development plan as outlined in Section 3 below (hereinafter referred to as the “PUD Plan”)

Section 3. Development Plan. The rezoning authorized by this ordinance is contingent on the City of Merrill and the applicant, S.C. Swiderski, LLC, to complete and execute a final development plan for the Planned Unit Development approved herein. Said development plan shall comply with all provisions of §§ 13-1-62 and 13-1-63(g) of the Code of Ordinances of the City of Merrill. The final development plan shall be effective only after approval by the Common Council after review and recommendation by the City Plan Commission. The applicant for this zoning amendment shall record the final development plan with the Lincoln County Register of Deeds in accordance with Sec. 13-1-63 of the Code of Ordinances of the City of Merrill. No development contemplated by the development plan and this zoning amendment shall occur until this ordinance and the development plan shall be placed of record and evidence of the recording filed with the City of Merrill.

Attachment: Ordinance on PUD for Swiderski (5072 : Ordinance on Swiderski PUD)

Section 4. Severability. In the event any section, subsection, clause, phrase or portion of this ordinance is for any reason held illegal, invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remainder of this ordinance. It is the legislative intent of the Common Council that this ordinance would have been adopted if such illegal provision had not been included or any illegal application had not been made.

Section 5. Repeal and Effective Date. All ordinances or parts of ordinances and resolutions in conflict herewith are hereby repealed. Section 2, 3, 4, and 5 of this ordinance shall take effect from and after its passage and publication. Section 1 shall take effect after approval by the Common Council of the Final Development Plan required by Section 3.

April 10, 2020

Mr. David Johnson
City Administrator
1004 East First Street
Merrill, WI 54452

Dear Mr. Johnson:

S.C. Swiderski, LLC is excited to present our proposal for the planning, construction, and management of the development at 1905 East 14th Street, Merrill that we have named SCS Fox Point. SCS Fox Point will capitalize on the prime location and proximity to schools, recreational opportunities, and numerous employers.

Our vision for the redevelopment of this commercial site is to build quality rental housing with great service. The area is challenged with aging housing stock, a shortage of housing options, and high occupancy rates of main level apartments. Adding new, quality housing is an important goal of the City that we will help fulfill with this project. By utilizing two new building prototypes designed by S.C. Swiderski based on extensive knowledge of the local market, the site will offer apartment homes with six modern floor plans offering a variety of sizes and price points. This should help meet demand for market rate rental housing with rent rates appropriate for those earning 60 to 120% of the area median income, commonly referred to as workforce housing.

Our plan provides an economic benefit to the City and its residents by expanding the City's tax base. It also has the added benefit of providing more opportunities for those employed in Merrill to live in the area. The plan will return the City's investment and will offer a much-needed housing option.

We are committed to providing quality housing and great service to our tenants. S.C. Swiderski has twenty eight years of experience building and managing multi-family properties in the area including two other apartment locations in Merrill. Upfront, the project will be handled by the development team which has a seamless transition to the construction department. Completed buildings are leased out and maintained by our comprehensive property management department.

We believe the experienced team we have assembled on this proposal will deliver the right project to meet the City's objectives. The credentials of the team and the company's financial capacity for the project, combined with the vision of the City, will make this project a success for generations to come.

Project Summary

S.C. Swiderski is excited to propose building four new multi-family buildings for a total of 56 apartment homes along with a property management office on the site. S.C. Swiderski will work closely with the city to ensure the key objectives and goals of all involved are met.

Project Summary

Unit Mix

- 1 bedroom= 24
- 2 bedroom= 12
- 3 bedroom= 20

56 units in two building types

Two 20 unit Fulton buildings

- 24 one bedroom apartments
- 16 three bedroom apartments
- All units have private entrance and a deck or patio
- Each unit includes a one stall detached garage
- Lower and upper level units
- 700-1175 square feet

Two 8 unit Bedford buildings

- One level buildings with attached two stall garages
- 12 two bedroom apartments
- 4 three bedroom apartments
- 1050-1250 square feet

Financial Analysis

Initial projections indicate a project value of \$5 million. These numbers are subject to change as we work with the City through the design process to create the optimal project for the site.

S.C. Swiderski will fund the project through owner equity contribution and construction financing.

Project Timeline

Summer 2020	Proposal Selection
Fall- Winter 2020	Site Engineering & Approvals
May 2021-December 2021	Fulton 20 Unit Building
June 2021- February 2022	Fulton 20 Unit Building
June 2021- January 2022	Office Building
June 2021- March 2022	Bedford 8 Unit Building
July 2021- April 2022	Bedford 8 Unit Building

This is a preliminary timeline subject to change.

Developer Qualifications & Organizational Overview

S.C. Swiderski, LLC is a real estate, construction, and property management company specializing in multifamily projects. The Real Estate Division manages the company's real estate portfolio handling acquisitions, sales, project design, planning, and development. The Construction Division oversees project budgets and scheduling, contract procurement, project management, and construction management. The Property Management Division provides professional leasing, management, grounds keeping, and maintenance for the real estate portfolio. All areas of the company work together to proudly deliver quality housing with great service known as the SCS Difference.

S.C. Swiderski was formed in 1992 and is a privately held company with corporate headquarters in Mosinee, Wisconsin. The company has a sound business model and is unique in that it designs, plans, constructs, owns and operates its real estate portfolio. The company attributes its success to their ability to listen to tenants, focus on continuous improvement, develop their team, and operate with integrity.

S.C. Swiderski has apartment locations throughout the state and the company continues to expand by investing in its people, processes, and properties. S.C. Swiderski demonstrates innovation, quality, and pride that one can expect from a Made in Wisconsin certified company. The company embraces its Wisconsin roots and is committed to the communities and tenants that it serves.

The company has extensive experience in collaborating with cities and completing desirable multi-family projects.

Registered Corporations: The company consists of four LLCs under private ownership of Shane and Sheila Swiderski.

S.C. Swiderski, LLC created on July 31, 1998

S.C. Swiderski Management Corporation created on January 12 2015

S.C. Swiderski Construction, LLC created on January 12, 2015

S.C. Swiderski Land Company, LLC created on January 12, 2015

To date, there have been no debarments, suspensions bankruptcies or loan defaults for any of the four entities.

Financial Viability & City Participation

S.C. Swiderski will be the developer and sole owner of the project. They have fostered strong, long-standing relationships with local and national lenders throughout the last twenty eight years and have demonstrated the ability to secure financing for their projects. The company has successfully funded similar projects and this project would represent only a small portion of their funding capacity.

Financial statements and other documents presenting the financial condition of the company can be provided upon selection.

This proposal includes economic development assistance from the City of Merrill to the Developer.

- Sell the parcel of 5.43 acres of land known as 1905 E. 14th Street in Merrill, WI to S.C. Swiderski for \$1.
- Provide an incentive payment of \$250,000 toward the site costs and development of the site from the Tax Increment District or other source. The incentive will be utilized toward asphalt removal, water and sewer lateral connections and costs related to re-development of the site.

The requested assistance will allow the project to achieve the goal of providing market rate rental housing from a private investor. S.C. Swiderski is open to negotiations with the City upon selection on these requests.

The proposed project would increase the property value with an estimated value of \$5 million.

Response to Request for Proposals – 1905 E. 14th Street, Merrill, WI

CITY OF MERRILL

1004 EAST FIRST STREET
MERRILL, WI 54452-2586

AN ORDINANCE: By Water and Sewar
Re: Amending Chapter 113, Article II, Section 113-46(m) revisions to the wellhead protection ordinance.

ORDINANCE NO. 2020-
Introduced: June 9, 2020
1st Reading: _____
2nd Reading: _____
3rd Reading: _____
Committee/Commission Action:
RECOMMENDED FOR PASSAGE

AN ORDINANCE

The Common Council of the City of Merrill, Wisconsin, does ordain as follows:

Section 1. Chapter 113, Article II, Section 113-46(m) of the Code of Ordinances for the City of Merrill is amended to as follows:

(a) *Statement of intent.* This district is intended to protect from contamination the groundwater recharge zone of the existing and planned municipal groundwater wells, which supply potable water to water utility customers and users.

(b) *Purpose.* In the city area, users of water, whether provided by private wells or municipal supplies, depend upon groundwater for a safe drinking water supply. Certain land use practices and activities can seriously threaten or degrade groundwater quality. The purpose of wellhead protection is to institute land use regulations in order to protect the water supplies of the city by managing land use activities that store, handle, or produce regulated substances. Its purpose is also to establish a framework to cooperatively work with neighboring communities for adequate protection of resource areas extending across jurisdictional boundaries, in order to achieve joint benefit.

(c) *Authority.* These provisions are adopted pursuant to the authority granted by the state statutes and the state administrative code, including, but not limited to, Wis. Stats. § 62.23(7)(c), and Wis. Admin. Code § NR 811.16(5); and any amendments to either. These provisions further take note of the dual authority that the county and surrounding towns and municipalities have and the actions they may or may not take, relating to the protection of natural resources.

(d) Jurisdiction.

(1) *Applicability.* The regulations within this wellhead protection section shall apply to the areas that lie within the recharge areas of municipal water supply wells. Its area extent, boundary, is delineated and becomes an overlay district, which when superimposed over an underlying zoning district, depicts the area within which there are certain additional regulatory restraints, which may or may not also have the effect of modifying the underlying district regulations.

(2) *Other regulations superseded.* The regulations of this overlay district shall supersede the regulations of all other districts, including county, township and any other

Attachment: Ordinance on Wellhead Protection (5067 : Ordinance on Wellhead Protection)

local zoning requirements or covenants, occupying the same geographic area. The city may, from time to time, alter, supplement, or change the wellhead protection boundaries and these regulations.

(3) *Map.* The boundaries depicted on the wellhead protection overlay district are based upon sections 1.0 through 4.0 (Part 2) and shown on Map 2 of the city, county and state wellhead protection plan, prepared by the north central state regional planning commission, December 1998. Note, the map was actually dated October 1996, and there are three districts needing legal descriptions of overlay districts.

(e) Regulation of underlying uses.

(1) Permitted uses.

a. All uses permitted by the underlying basic or other overlay districts are permitted subject to review of the building, site and operational plans of such uses by the plan commission, as outlined in subsections (f), (i) and (k) of this section, whether required or not by the underlying and other overlay districts, except the uses listed in subsection (h) of this section, which are specifically prohibited by this district.

b. All uses that existed in the district prior to the enactment of this section are deemed permitted, as long as these uses are, compliant with all current rules and regulations. The city plan commission shall review proposed expansions of these permitted existing uses to see that the expansion is consistent with the use of the property as of the effective date of the ordinance from which this section is derived.

(2) *Permitted accessory uses.* All accessory uses permitted by the underlying basic or other overlay zones are permitted, subject to review of the building, site and operational plans of such uses by the plan commission pursuant to section 113-405, whether required or not by the underlying and other overlay districts, except those uses prohibited in subsection (h) of this section, which are hereby prohibited whether judged to be principal or accessory uses.

(3) Permitted uses by conditional use.

a. Any class of uses prohibited by this district may become a use permitted by right, or an individual use within a class potentially may be permitted by conditional use pursuant to subsection (f) of this section.

b. However, the plan commission shall not favorably recommend to the common council a petition to remove a use from the prohibited list of this district, nor favorably process a petition for conditional use status, notwithstanding any of the provisions of subsection (e) of this section, without being sure beyond a reasonable doubt, that the action will not materially violate the intent of this district, resulting in exposure of the public water supply to pollution.

(f) Conditional use application requirements.

(1) *Permit requests.* All requests for a conditional use permit shall be submitted in writing to the city zoning administrator, and shall include:

a. A site plan map with the building and structure footprints, driveways, sidewalks, parking lots, stormwater management structures, groundwater monitoring wells, and two-foot ground elevation contours.

b. Documentation which describes in detail the use, activities, and structures proposed.

- c. An environmental assessment report prepared by a licensed environmental engineer which details the risk to, and potential impact of, the proposed use, activities, and structures on groundwater quality.
- d. An operational safety plan which details the operational procedures for material processes and containment, best management practices, stormwater runoff management, and groundwater monitoring.
- e. A contingency plan which addresses in detail the actions that will be taken should a contamination event caused by the proposed use, activities, or structures occur.
- (2) *Reimbursement.* The person making the request may be required to reimburse the city for consultant fees and technical review committee expenses associated with this review at the invoiced amount.
- (3) *Monitoring.* All existing uses and any new conditional use permits granted shall be subject to conditions that will include environmental and safety monitoring determined necessary to afford adequate protection of the public water supply.
- (g) MSDS reporting.
- (1) *Generally.* The requirements of this subsection apply to any facility that is required to prepare or have available a Material Safety Data Sheet (MSDS) for hazardous chemical under the Occupational Safety and Health Act of 1970 and regulations promulgated under that Act.
- (2) *Basic requirements.* The owner or operator of a facility subject to this subsection shall submit an MSDS for each hazardous chemical present at the facility according to the minimum threshold schedule to the plan commission and the fire department with jurisdiction over the facility.
- (3) *Alternative reporting.* In lieu of the submission of an MSDS for each hazardous chemical under subsection (g)(1) of this section, the owner or operator may submit the following:
- A list of the hazardous chemicals for which the MSDS is required, grouped by hazard category;
 - The chemical or common name of each hazardous chemical as provided on the MSDS; and
 - Except for reporting of mixtures, any hazardous component of each hazardous chemical as provided on the MSDS.
- (4) *Supplemental reporting.* The owner or operator of a facility that has submitted an MSDS under this subsection shall provide a revised MSDS to the plan commission, and the fire department with jurisdiction over the facility within three months after discovery of significant new information concerning the hazardous chemical for which the MSDS was submitted.
- (5) *Submission of MSDS upon request.* The owner or operator of a facility that has not submitted the MSDS for a hazardous chemical present at the facility shall submit the MSDS for any such hazardous chemical to the committee upon its request. The MSDS shall be submitted within 30 days of the receipt of such request.
- (6) *Additional conditions.* These conditions shall include, but not be limited to:

- a. Provide current copies of all federal, state and local facility operation approval or certificates and on-going environmental monitoring results to the city.
 - b. Establish environmental or safety structures/monitoring to include an operational safety plan, material processes and containment, operations monitoring, best management practices, stormwater runoff management, and groundwater monitoring.
 - c. Replace equipment or expand in a manner that improves the environmental and safety technologies being utilized.
 - d. Prepare, file and maintain a current contingency plan which details the response to any emergency which occurs at the facility, including notifying municipal, county and state officials. Provide a current copy to the city.
- (h) Prohibited uses within the wellhead protection overlay district.
- (1) *Determination.* The uses prohibited by this district have been identified in geologic surveys as risks for groundwater contamination. This method of regulation by a complete prohibition is employed to provide the greatest assurance that inadvertent discharge of pollutants into the groundwater supply will not occur, since groundwater cleanup is often prohibitively expensive, and liability for such cleanup is often hard or impossible to establish.
- (2) *Prohibited uses; chemicals.* Manufacturing and production of hazardous materials is prohibited, excluding production for on-site uses only. These materials include any hazardous substance or hazardous waste as listed in the following federal regulations:
- a. Superfund Amendments and Reauthorized Act (SARA) of 1986, section 302 Extremely Hazardous Substances List, 40 CFR 300 apps. A and B;
 - b. Comprehensive Environmental Response Compensation and Liability Act Superfund (CERCLA) of 1980. Hazardous Substances List, 40 CFR 302, Table 203.4;
 - c. SARA of 1986, section 313, Toxic Chemicals List, 40 CFR 372.45; and
 - d. Resource Conservation and Recovery Act (RCRA) of 1976 and 1984 Amendments, Hazardous Wastes Lists, P and U Categories, 40 CFR 261.33(e) and (f).

Note: The lists referenced are summarized in the Title III Lists of Lists—Chemicals Subject to Reporting Under Title III of the Superfund Amendments and Reauthorization Action (SARA) of 1986, first published July 1987, U.S. EPA and are updated from time to time.

- (3) Specific prohibited uses.
- a. Bulk plants for hazardous materials including petroleum refining;
 - b. Permanent storage or disposal of hazardous wastes, as defined under the Federal Resource Conservation and Recovery Act, subpart D, 40 CFR 261.30, 261.31, 261.32 and 261.33, industrial or municipal sludge, or radioactive materials, including solid waste landfills;
 - c. Collection and transfer facilities for hazardous wastes, solid wastes that contain hazardous materials from off-site sources, and radioactive materials;
 - d. Wood-preserving operations using formulations of chrome-copper-arsenate (CCA), pentachlorophenol (PENTA), and creosote and related chemicals;

- e. Battery recycling and reprocessing;
- f. Retail gas stations and truck stops;
- g. Agricultural applications of halogenated volatile liquid organic pesticides, for example, ethylene dibromide (EDB) and dibromochloropropane (DBCP), related chemicals and their commercial formulations;
- h. Processing, reprocessing, storage and disposal of PCB containing oils;
- i. Manufacturing and production of paving, roofing, and other construction materials, using asphaltic and petroleum-based coating and preserving materials;
- j. Primary and secondary metal industries that produce, smelt or refine ferrous and nonferrous metals; and
- k. Nuclear or radioactive materials or wastes.

(4) *List not exhaustive.* The uses prohibited by this district represent the state of present knowledge and most common descriptions of said uses. As other polluting uses are discovered, or other terms of description become necessary, it is the intention to add them to the list of uses prohibited by this district. To screen for such other uses or terms for uses, no use shall be permitted in this district without first submitting its building, site and operational plans for plan commission review and approval under section 113-405.

(5) *Changing technology.* The uses prohibited by this district are prohibited based upon the combined pollution experience of many individual uses, and the technology generally employed by that class of uses, which technology causes the uses as a class to be groundwater pollution risks. As the technology of identified use classes changes to non-risk materials or methods, upon petition for such a use, and after conferring with expert geological and other opinion, it is the intention to delete from the prohibited list, or allow conditionally, uses which demonstrate convincingly that they no longer pose a pollution hazard.

(6) *Substitution of hazards prohibited.* In dealing with uses or classes of uses which attempt to become permissible, under the terms of this district, by continuing to utilize pollutant materials but altering their methods of storage or handling, for example, transferring materials storage from leak-prone but explosion resistant underground tanks, to leak-resistant but explosion vulnerable above-ground vessels, it is not the intention to accept such alternate hazards as the basis for making a use permissible. It is the intention to continue the ban on such uses until the technology of the class of uses removes reliance upon the pollutant materials or processes.

(i) Approval of building, site and operational plans.

(1) *Plan commission review.* There are permitted, accessory, or conditional uses not included on the prohibited use list above whose building, site and/or operational plans may cause adverse impacts to the wellhead protection zone. Such uses, existing or proposed, shall be subject to building, site and operational plan and practice review by the plan commission as a qualifying condition to their continued or future permissibility. Unless specifically exempt from review as listed in subsection (i)(2) of this section, all other existing and proposed uses shall be required to be reviewed for compliance with this section.

(2) *Special exceptions and limited exclusions.* Special exceptions and limited exclusions provide for mechanisms to handle uses and activities that are unique and incidental to other uses. For example, the transportation of hazardous materials on

roads in a wellhead protection overlay zone is excluded from the governance of this section. The use of household products containing hazardous substances in the wellhead protection area is also addressed. While limited exclusions are normally exempt from administrative review, special exceptions require an application and demonstration of compliance with the provisions of this section. The special exceptions and limited exclusions are for the private, on-site use of the approved entity. The criteria for determining the relief through a special exception is as follows:

a. Limited exclusions. Limited exclusions from the provisions of permitted, accessory, or conditional uses are authorized for:

1. Nonroutine maintenance or repair of property or equipment. The use, storage, handling, and/or production of regulated substances under this exclusion shall be limited to:

(i) The aggregate of regulated substances in use, storage, handling, and/or production may not exceed 50 gallons or 400 pounds at any time.

(ii) The total use, storage, handling, and/or production of regulated substances may not exceed 100 gallons or 800 pounds in any 12-month period.

2. Medical and research laboratory uses. Excluded regulated substances shall be stored, handled, or used in containers not to exceed five gallons or 40 pounds of each substance and the aggregate inventory of regulated substances shall not exceed 250 gallons or 2,000 pounds.

3. Cleaning agents. Excluded regulated substances which are cleaning agents shall be packaged for personal or household use or be present in the same form and concentration as a product packaged for use by the general public. The aggregate inventory of such cleaning agents shall not exceed 100 gallons or 800 pounds at any time. In no case shall regulated substances claimed under exclusion include hydrocarbon or halogenated hydrocarbon solvents.

4. Construction materials. Regulated substances associated with construction for which a permit has been issued, paving or the pouring of concrete shall be excluded from regulation while present on the construction site provided such regulated substances do not pose a real and present danger of contaminating surface water and/or groundwater.

5. Office supplies. Office supplies that are used solely for the operation of on-site administrative offices, provided such supplies are prepackaged in a form ready for use.

b. Special exceptions. The following activities or uses are exempt from the provisions of this subsection; provided, however, that the city may at its option delete, in whole or in part, any of the following described exemptions, but in no case shall the plan commission include any additional exemptions in an ordinance adopted pursuant to this section, unless otherwise approved by the common council:

1. The transportation of any hazardous substance through the wellhead protection zone, provided the transporting vehicle is in transit.

2. Agricultural uses, including mosquito control, except as regulated by other federal or state laws or administrative regulations.

3. The use of any hazardous substance solely as fuel in a vehicle fuel tank or as a lubricant in a vehicle.

4. Fire, police, emergency medical services, emergency management center facilities, and public utilities.
5. Retail and wholesale sales establishments that store and handle hazardous substances for resale in their original unopened containers.
6. Office uses, except for the storage, handling or use of hazardous substances as provided for in applicable administrative rules.
7. Repair or maintenance of any existing facility or improvement on lands within the wellhead protection zone.
8. Storage tanks which are constructed and operated in accordance with other applicable laws and regulations.
9. Geotechnical borings.
10. Residential activities.
11. Public utility emergency generating facilities except, that permanently installed fuel storage facilities shall have secondary containment.
12. Public or private utility uses as follows:
 - (i) Electric and telephone substations and transmission towers and structures;
 - (ii) Natural gas transmission lines and related appurtenances and structures;
 - (iii) Water distribution and sanitary sewer collection and stormwater systems.
13. Exclusions from the provisions of permitted, accessory or conditional uses are authorized for all uses that exist in the district prior to the enactment of this section, as long as they remain compliant with all federal, state and local rules and regulations and approval by the plan commission.

Note: Notwithstanding the above enumerated exceptions and exemptions, existing or proposed uses may, in the judgment of the plan commission, be subject to compliance with selected performance standards applicable to wellhead protection, as outlined in subsection (j) of this section.

- (j) Performance standards.
 - (1) Intent.
 - a. This section sets forth allowed uses, or general classes of uses, permitted by this section in each district, based upon commonly accepted expectancies existent at the time of original adoption of this section, of the impact those specific classes of uses normally have upon their own land, on surrounding properties, and in some cases on the neighborhood or community at large.
 - b. However, it is the intent of this section that no new use be granted a zoning permit, even if a listed permitted use, unless the use is also able to comply with all of the following performance standards, which are hereby imposed upon all land, water and air uses within the jurisdiction of this section.
 - (2) Compliance.

a. The performance standards enumerated in this section are designed to limit, restrict, and prohibit the adverse effects of uses, in most cases outside their premises, or the district line if so regulated by certain zoning districts, but in matters related to soil erosion or potential pollution of surface water or groundwater also the premises of the use.

b. The use of all buildings, structures, lands, air and waters shall hereafter, in addition to complying with the use and area regulations of each district and other regulations of this section, also comply with the performance standards in this section.

(k) Zoning permit procedure.

(1) *Application.* Any applicant for a new zoning permit under this section shall be supplied with a copy of this section, and said applicant, as part of the permit process, shall certify by sworn statement contained within the application that the use subject to the permit application will be operated in accordance with the performance standards set forth hereinafter in this section.

(2) *Review—Plan commission.* Uses which are subject to plan commission review of their building, site and operational plans pursuant to subsection (i) of this section, or uses subject to issuance of a conditional use permit if so requested by the plan commission shall supply specific additional information in the way of plans, specifications, data, or reports, such as by disinterested professionally qualified persons, addressing any specific standard about which the commission has concern, to assure the plan commission, beyond the certification required, that the use will in fact be able to meet the certification.

(3) Same—Application.

a. The city plan commission shall review all requests for approval and all determinations shall be made by the city plan commission within 30 days of any request for approval; provided, however, the 30-day period of limitation may be extended by the plan commission for good cause, with approval from the common council.

b. Upon reviewing all requests for approval, the city plan commission shall consider the following factors:

1. The city's responsibility, as a public water supplier, to protect and preserve the health, safety and welfare of its citizens.
2. The degree to which the proposed land use practice, activity or facility may seriously threaten or degrade groundwater quality in the city or the city recharge area.
3. The economic hardship which may be faced by the landowner if the application is denied.
4. The availability of alternative options to the applicant, and the cost, effect, and extent of availability of such alternative options.
5. The proximity of the applicant's property to other potential sources of contamination.
6. The then-existing condition of the city's groundwater public water wells and wellfields, and the vulnerability to further contamination.
7. The direction of flow of groundwater and other factors in the area of the applicant's property which may affect the speed of the groundwater flow, including topography, depth of soil, extent of aquifer, depth to water table and location of private wells.

8. Any other hydrogeological data or information which is available from any public or private agency or organization.
9. The potential benefit, both economic and social, from the approval of the applicant's request for a permit.
- c. Any exemptions granted will be made conditional and may include environmental and/or safety monitoring which indicates whether the facility may be emitting any releases or harmful contaminants to the surrounding environment. The facility will be held financially responsible for all environmental cleanup costs.

(l) Violations.

(1) *Determination.* The zoning administrator shall investigate any observed or reported violation of the performance standards and shall reach a conclusion whether a violation is present or not at the time of inspection. If no violation is observable at inspection time, due to the periodic nature of the operation, the zoning administrator may require the operator of the use to announce a reasonable opportunity when the zoning administrator may be present to observe or to conduct tests to ascertain compliance or violation of the standards. In case of suspected contamination of the underground waters, the zoning administrator may require the owner or operator to conduct a soil probe or similar test and to share the test report results with the zoning administrator.

(2) *Termination.* All violations as ascertained in subsection (l)(1) of this section shall be terminated upon notice. Violations not terminated as noticed shall be deemed a separate violation for each day of existence and subject to forfeitures as set forth in section 113-407.

(3) *Imminent danger.* Notwithstanding the protection extended to uses existing before the adoption of this section by article V of this chapter, nonconforming uses, structures, and lots, and the provisions of subsection (l)(5) of this section, uses which are found to be violating performance standards related to soil erosion, where the erosion is substantial and extends off the offending property, especially into public waterways or drainage facilities, or uses are found to be violating standards related to surface water or groundwater pollution where the zoning administrator believes the danger is substantial to private or public personal health, safety and welfare, the zoning administrator is hereby empowered to treat such specific violations under the terms of subsections (l)(4) and (5) of this section, uses which are found to be violating performance standards related to soil erosion, where the erosion is substantial and extends off the offending property, especially into public waterways or drainage facilities, or uses are found to be violating standards related to surface water or groundwater pollution where the zoning administrator believes the danger is substantial to private or public personal health, safety and welfare, the zoning administrator is hereby empowered to treat such specific violations under the terms of subsection (l)(1) of this section, subject to the following:

- a. *Rapid compliance.* Where the zoning administrator finds that the violation is posing a progressively more dangerous threat to personal or public health, safety, or welfare the longer the violation continues, the zoning administrator may require immediate corrective action, including temporary stop-gap measures to lessen the rate of pollution, to be followed later by more permanent solutions.
- b. *Mitigation versus compliance.* Where an existing use is legal and nonconforming under this section as set forth in article V of this chapter, to be committing an imminent danger violation, and full compliance, result in mitigating the violation out of the imminent danger category.

c. Point of measurement. No land or building in any district shall be operated in such a manner so as to create any dangerous, injurious, noxious or otherwise objectionable fire, explosive or other hazard; water pollution; or other substance, condition or element, referred to herein as "dangerous or objectionable elements", in such amount as to adversely affect the surrounding wellhead protection zone or premises; provided that any use permitted by this section may be undertaken and maintained if it conforms to the regulations of this subsection limiting dangerous and objectionable elements at the specified points of the determination of their existence.

(4) *Performance standards—Soil capacity regulations.* In addition to any other applicable use, site, or sanitary regulation, the following restrictions or regulations shall apply to the following soils as shown on the operation soil survey maps prepared by the USDA Natural Resources Conservation Service for Lincoln County, Wisconsin, and which are on file with the zoning administrator:

a. Erodible land regulations. In addition to any applicable use, site or sanitary regulation, the following soils listed below shall not be used for crop production and grazing, unless such lands make use of conservation management practices as specified by said USDA Natural Resources Conservation Service, on file with the zoning administrator.

b. Farm drainage systems. Such systems may be installed on the following soils, which soils are subject to a flooding hazard and which have generally unsuitable soil characteristics for an operative drainage system, only if installed in accordance with sound conservation practices as set forth by the USDA Natural Resources Conservation Service, on file with the zoning administrator.

(5) *Same—Water quality protection.*

a. Surface and subsurface waters protected. No activity shall locate, store, discharge or permit the discharge of any treated, untreated or inadequately treated liquid, gaseous or solid materials of such nature, quantity, obnoxiousness, toxicity or temperature that would be likely to run off, seep, or percolate or wash into surface or subsurface waters so as to contaminate, pollute or harm such waters or cause nuisances, such as objectionable shore deposits, floating or submerged debris, oil or scum, color, odor, taste or unsightliness or be harmful to human, animal, plant or aquatic life.

b. Minimum standards. In addition to the above restrictions, no activity shall discharge any liquid, gaseous or solid materials so as to exceed or contribute toward the exceeding of the minimum standards and the application of those standards set forth in Wis. Admin. Code ch. NR 102 and amendments thereto, for all navigable waters in the city. No activity shall discharge materials or liquids exceeding the groundwater standards and the application of those standards set forth in Wis. Admin. Code ch. NR 140 for all subsurface waters, or groundwaters, in the city.

c. Animal waste and grazing practices. Spreading of manure or fertilizer on frozen ground and establishment of concentrated outdoor animal confinements shall be prohibited where such activities would cause direct runoff into a drainageway or watercourse. In any case, grazing animals shall not be permitted within 50 feet of such waterways.

(m) *Separation distances.* The following minimum separation distances as specified in Wis. Admin. Code ch. NR 811 shall be maintained and may not be exempted:

(1) Ten feet between a well and an emergency or standby power system that is operated by the same facility which operates the well and that has a double wall above ground storage tank with continuous electronic interstitial leakage monitoring. These facilities

shall meet the installation requirements of s. ATCP 93.260 and receive written approval from the department of safety and professional services or its designated Local Program Operator under s. ATCP 93.110.

(2) Fifty feet between a well and a storm sewer main or a sanitary sewer main where the sanitary sewer main is constructed of water main class materials and joints. Gravity sanitary sewers shall be successfully air pressure tested in place. The air pressure test shall meet or exceed the requirements of the 4 psi low pressure air test for plastic gravity sewer lines found in the latest edition of Standard Specifications for Sewer & Water Construction in Wisconsin. Force mains shall be successfully pressure tested with water to meet the AWWA C600 pressure and leakage testing requirements for one hour at 125% of the pump shut-off head.

(3) Two hundred feet between a well field and any sanitary sewer main not constructed of water main class materials, sanitary sewer manhole, lift station, one or two family residential heating fuel oil underground storage tank or above ground storage tank or private onsite wastewater treatment system (POWTS) treatment tank or holding tank component and associated piping.

(4) Three hundred feet between a well field and any farm above ground storage tank system or other underground storage tank system with double wall and with electronic interstitial monitoring for the system, which means the tank and any piping connected to it. These installations shall meet the most restrictive installation requirements of s. ATCP 93.260 and receive written approval from the department of safety and professional services or its designated Local Program Operator under s. ATCP 93.110 Wis. Admin. Code. These requirements apply to tanks containing gasoline, diesel, bio-diesel, ethanol, other alternative fuel, fuel oil, petroleum product, motor fuel, burner fuel, lubricant, waste oil, or hazardous substances.

(5) Three hundred feet between a well field and any farm above ground storage tank with double wall, or single wall tank with other secondary containment and under a canopy; other above ground storage tank system with double wall, or single wall tank with secondary containment and under a canopy with electronic interstitial monitoring for a double wall tank or electronic leakage monitoring for a single wall tank secondary containment structure. These installations shall meet the most restrictive installation requirements of s. ATCP 93.260, Wis. Admin. Code, and receive written approval from the department of commerce or its designated Local Program Operator under s. ATCP 93.110, Wis. Admin. Code. These requirements apply to tanks containing gasoline, diesel, bio-diesel, ethanol, other alternative fuel, fuel oil, petroleum, product, motor fuel, burner fuel, lubricant, waste oil, or hazardous substances.

(6) Four hundred feet between a well field and a POWTS dispersal component with a design capacity of less than 12,000 gallons per day, a cemetery or a storm water retention or detention pond.

(7) Six hundred feet between a well field and any farm underground storage tank system or other underground storage tank system with double wall and with electronic interstitial monitoring for the system, which means the tank and any piping connected to it; any farm above ground storage tank with double wall, or single wall tank with other secondary containment and under a canopy or other above ground storage tank system with double wall, or single wall tank with secondary containment and under a canopy; and with electronic interstitial monitoring for a double wall tank or electronic leakage monitoring for a single wall tank secondary containment structure. These installations shall meet the standard double wall tank or single wall tank secondary containment installation requirements of s. ATCP 93.260 and receive written approval from the department of safety and professional services or its designated Local Program

Operator under s. ATCP 93.110. These requirements apply to tanks containing gasoline, diesel, bio-diesel, ethanol, other alternative fuel, fuel oil, petroleum, product, motor fuel, burner fuel, lubricant, waste oil, or hazardous substances.

(8) One thousand feet between a well field and land application of municipal, commercial, or industrial waste; the boundaries of a land spreading facility for spreading of petroleum-contaminated soil regulated under state administrative regulations while that facility is in operation; agricultural, industrial, commercial or municipal waste water treatment plant treatment units, lagoons, or storage structures; manure stacks or storage structures; or POWTS dispersal component with a design capacity of 12,000 gallons per day or more.

(9) Twelve hundred feet between a well field and any solid waste storage, transportation, transfer incineration, air curtain destructor, processing, wood burning, one time disposal or small demolition facility; sanitary landfill; any property with residual groundwater contamination that exceeds ch. NR 140 enforcement standards; coal storage area; salt or deicing material storage area; any single wall farm underground storage tank or single wall farm above ground storage tank or other single wall underground storage tank or above ground storage tank that has or has not received written approval from the department of safety and professional services or its designated Local Program Operator under s. ATCP 93.110, Wis. Admin. Code, for a single wall tank installation. These requirements apply to tanks containing gasoline, diesel, bio-diesel, ethanol, other alternative fuel, fuel oil, petroleum product, motor fuel, burner fuel, lubricant, waste oil, or hazardous substances; and bulk pesticide or fertilizer handling or storage facilities.

~~(1) Fifty feet between a well and a storm sewer main.~~

~~(2) Two hundred feet between a well and any sanitary sewer main, life station or single-family residential fuel oil tank. A lesser separation distance may be allowed for sanitary sewer main materials and joints and pressure rated to meet current AWWA 600 specifications. In no case may the separation distance between a well and a sanitary sewer main be less than 50 feet.~~

~~(3) Four hundred feet between a well and a septic tank receiving less than 8,000 gallons per day, a cemetery or stormwater drainage pond.~~

~~(4) Six hundred feet between a well and any gasoline or fuel oil storage tank installation that has received written approval from the department of commerce or its designated agent under Wis. Admin. Code § COMM 10.10.~~

~~(5) One thousand feet between a well and land application of municipal, commercial or industrial waste; industrial, commercial or municipal wastewater lagoons or storage structures; manure stacks or storage structures; and septic tanks or soil absorption units receiving 8,000 gallons per day or more.~~

~~(6) One thousand two hundred feet between a well and any solid waste storage, transportation, transfer, incineration, air curtain destructor, processing, wood burning, one-time disposal or small demolition facility; sanitary landfill; coal storage areas; salt or de-icing material storage area; gasoline or fuel oil storage tanks that have not received written approval from the department of commerce or its designated agent under Wis. Admin. Code § COMM 10.10; bulk fuel storage facilities; and pesticide or fertilizer handling or storage facilities.~~

Section 2 Severability. In the event any section, subsection, clause, phrase or portion of this ordinance is for any reason held illegal, invalid or unconstitutional by

any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remainder of this ordinance. It is the legislative intent of the Common Council that this ordinance would have been adopted if such illegal provision had not been included or any illegal application had not been made.

Section 3 Repeal and Effective Date. All ordinances or parts of ordinances and resolutions in conflict herewith are hereby repealed. This ordinance shall take effect from and after its passage and publication.

Committee/Commission Action:
REFERRED TO COMMON COUNCIL

AN ORDINANCE

The Common Council of the City of Merrill, Wisconsin, does ordain as follows:

Section 1. Chapter 2, Article IV, Section 2-85 of the Code of Ordinances for the City of Merrill is amended to read as follows:

Special meetings may be called by the mayor **or two Common Council Members, one who shall be president of the Common Council**, upon written notice of the time and purpose thereof to each member of the council delivered to him **or her** personally or left at **his** their usual place of abode at least six hours before the meeting. The city clerk shall cause an affidavit of service of such notice to be filed in his office prior to the time fixed for such special meetings.

Section 2. Severability. In the event any section, subsection, clause, phrase or portion of this ordinance is for any reason held illegal, invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remainder of this ordinance. It is the legislative intent of the Common Council that this ordinance would have been adopted if such illegal provision had not been included or any illegal application had not been made.

Section 3. Repeal and Effective Date. All ordinances or parts of ordinances and resolutions in conflict herewith are hereby repealed. This ordinance shall take effect from and after its passage and publication.

RESOLUTION NO. _____

A RESOLUTION APPROVING A CONDITIONAL USE PERMIT TO ESTABLISH AN AUTO REPAIR SHOP AND USED CAR DEALERSHIP AT 209 N. PINE STREET, MERRILL

WHEREAS, Cody R. Hoffman, has requested a conditional use permit pursuant to the Merrill Zoning Code Chapter 113, Section 113-97 through 113-106, 113-111 for the purpose of establishing an auto repair shop and used car dealership at the following described property:

JM Smith & Company's 3rd Addition Lots 2 & 3, Block 5, City of Merrill, Lincoln County, Wisconsin, Pin # 251-3106-104-0047,

Commonly known as 209 N. Pine Street, herein referred to as the "Premises"; and,

WHEREAS, the City Plan Commission scheduled a hearing on the application on June 2, 2020, due public notice having been given and opportunity given to those interested to speak on the application; and,

WHEREAS, the City Plan Commission has reviewed the Application, found that it does meet the requirements of Merrill Zoning Code, Chapter 113, Section 113-97 through 113-106, 113-111, and has recommended approval of said application;

NOW THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF MERRILL, WISCONSIN this 9th day of June, 2020, that a conditional use permit shall be issued to Cody R. Hoffman for the purpose of establishing an auto repair shop and used car dealership on the aforesaid described premises.

APPLICATION FOR CONDITIONAL USE PERMIT CITY OF MERRILL

DATE 3-3-2020

APPLICANT'S NAME: Cody Hoffman

BUSINESS NAME: _____

PHONE #: 715-250-3508 EMAIL: CodyHoffman@626@gmail.com

PROPERTY ADDRESS: 209 N Pine St

PROPERTY OWNER'S NAME: Cody B Hoffman

TAX ROLL#: 34- PIN #: 251-31061040047

EXISTING USE: Personal residence

PROPOSED USE: Use garage for office and showroom

REASON FOR REQUESTING A USE PERMIT CHANGE: looking to open a used car lot.

**PLEASE PROVIDE A SEPARATE ATTACHMENT WITH A RESPONSE
TO EACH OF THE FOLLOWING ITEMS**

(Required per Section 113-100 of the Zoning Code)

1. A statement, in writing by applicant, that describes how the proposed conditional use(s) shall conform to the standards set forth in Section 113-103 hereinafter.
 - a) The establishment, maintenance or operation of the conditional use will not be detrimental or endanger public health, safety, morals, comfort or general welfare.
 - b) That the uses, values, and enjoyment of other property in the neighborhood for purposes already permitted shall be in no foreseeable manner substantially impaired or diminished by the establishment, maintenance or operation of the conditional use and the proposed use is compatible with use of adjacent land (describe mitigating features to be part of the operations of the proposed use).
 - c) Describe how the establishment of the conditional use will not impede the normal and orderly development and improvement of the surrounding property for uses permitted in the Zoning District.
 - d) Describe if adequate utilities, access roads, drainage, and other required site improvements have been or will be provided.
 - e) Describe what adequate measures have been taken to provide ingress and egress and how designed as to minimize traffic congestion in public streets.

- f) Explain how the conditional use shall conform to all applicable regulations of the district in which it is located.
 - g) Explain how the conditional use will not violate flood plain regulations governing the site.
 - h) That when applying the above standards to any new construction or placing an addition on an existing building, the Plan Commission and Common Council shall bear in mind the statement of purposes for the zoning district such that the proposed building or addition at the proposed location, does not defeat the purpose and objective of the Zoning District.
 - i) In addition to passing the Conditional use Permit, the Plan Commission and Common Council shall also evaluate the effect of the proposed use upon:
 - I) The maintenance of safe and healthful conditions;
 - II) The prevention of water pollution including sedimentation;
 - III) Existing topography, drainage features and vegetative cover on the site;
 - IV) The location of the site with respect to floodplains and floodways of rivers and streams;
 - V) The erosion potential of the site based upon the degree and direction of slope, soil type, and vegetative cover;
 - VI) The location of the site with respect to existing or future access roads;
 - VII) The need of the proposed use for a shoreline location;
 - VIII) The compatibility with uses on adjacent land;
 - IX) The amount of liquid waste to be generated and the adequacy of the proposed disposal system.
2. Include the Names and Addresses of the architect, professional engineer, and contractor (if appropriate), and all property owners of record within 100 feet of the applicant. Note: Zoning Administrator will provide list of property owners to be included in the submittal.
 3. Description of the subject site by lot, block, and recorded subdivision or by metes and bounds description address of the subject site; type of structure; proposed operation or use of the structure of site; number of employees and the Zoning District within which the subject site lies.
 4. Plat of Survey prepared by a registered land surveyor showing property lines, buildings, improvements, landscaping, and all of the information required for a building permit.
 5. Additional information as may be required by the Plan Commission of Common Council, or Officers of the City.
 6. **A fee of \$175.00 must accompany the application.**
 7. **A copy of Deed is required of proposed property.**

The information submitted with this application is true and accurate to the best of my knowledge and belief.

To whom it may concern,

I am looking to start a used car dealership in Merrill. Due to circumstances we would like to use our personal garage on our property for inspections and a office space. Our address will be our temporary address for our auto sales license. The use of the garage will not change any concerns listed in section 113-103 part "A". The use of the property will not diminish or impair any current activities or enjoyment of the neighbor hood described in part "B". There will be no effect on surrounding properties future development. Due to we will not be changing any structures on property nor be adding anything The property will function and look the same as it does now. We will not be washing cars or anything of this nature so there will be no change in utility usage or drainage onto surround areas. Expressed in part "C&D". There will be no excessive use of streets or congestion caused due to we will not be having cars put for sale or having a huge customer base coming to our property that is expressed in part "E". We are not looking to turn 209 N pine st into a car lot. We will not have more than one non personal vehicle on the property at a time as we do have another property secured to store and put cars for sale. We are just looking to use our current residence as business address and office space until we can acquire adequate funds to purchase a commercial property. In Wisconsin to apply and get your auto retail license it is require to have a certain size show room and office space which our garage meets those requirements.

Thank you,

Cody Hoffman

RESOLUTION NO. ____

A RESOLUTION AUTHORIZING A DEVELOPMENT AGREEMENT BY AND BETWEEN THE CITY OF MERRILL, WISCONSIN AND SCS - S.C. SWIDERSKI LLC

WHEREAS, the Common Council of the City of Merrill created Tax Increment District (TID) No. 10 on September 22, 2015 and the development site is within TID No. 10; and,

WHEREAS, SCS – S.C. Swiderski LLC has proposed construction of up to four multi-family apartment buildings through a phased construction timeframe; and,

WHEREAS, the City of Merrill finds that the proposed development and the fulfillment of the items and conditions of the attached Development Agreement are in the vital and best interest of the City of Merrill, the Merrill Redevelopment Authority and City residents and serves a public purpose in accordance with State law; and,

WHEREAS, additional property tax will be generated and new market-rate residential units created from this development project; and,

WHEREAS, SCS – S.C. Swiderski LLC has negotiated the development agreement to provide for transfer of ownership of the City-owned property located at the corner of Lincoln County Highway G and Sales Street and an incentive payment not to exceed \$250,000 to facilitate the multi-family housing development project.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF MERRILL, WISCONSIN this 9th day of June, 2020, that the Mayor and City Clerk are authorized to sign the development agreement by and between the City of Merrill and SCS – S.C. Swiderski LLC and to facilitate the implementation thereof.

City of Merrill – TIF Development Incentive Overview

TID No. 10 (Former Fox Point site)

Property Owner: City of Merrill will be transferring property ownership title to the 5.43 acre site to the Developer for \$1.00.

Location: Corner of Lincoln County Highway G and Sales Street

Development: Four market-rate multi-family apartment buildings and a rental office/maintenance building. For details, please see Request for Proposal (RFP) response information.

Total of 56 planned apartments:

1 bedroom	24
2 bedroom	12
3 bedroom	20

Investment: Estimate at over \$5 million for planning, design, and phased construction (including connections to City water, sanitary storm sewer, and storm water infrastructure).

Infrastructure: Future City streetlighting improvements along Lincoln County G and Sales Street.

TID Cash Development Incentive:

City staff recommendation:

Total of \$250,000 with the following payment schedule:

\$50,000 upon construction start of first apartment building

\$50,000 upon completion (State Occupancy Permit) for each of the four apartment buildings

TID Lifespan Tax Increment:

Spreadsheet provided – projected about \$2.5 million and likely to be higher than conservative estimates.

City of Merrill - Tax Increment District No. 10 (Highway G/Sales Street)

There are three fiscal analysis spreadsheets, including:

- Page 2 Existing City of Merrill multi-family improved assessments
Based upon Request for Proposal (RFP) timeframes, projected improved valuations provided

- Page 3 Projected TID No. 10 Tax Increment (i.e. Revenues) by year

- Page 4 Projected TID No. 10 Cash Flow and project year-end fiscal
Without future streetlighting improvements

**DEVELOPMENT AGREEMENT
BY AND BETWEEN THE
CITY OF MERRILL, WISCONSIN
AND SCS – S.C. SWIDERSKI LLC**

THE DEVELOPMENT AGREEMENT (the “Agreement”) is entered into as of _____, 2020 by and between the City of Merrill, Wisconsin, (the “City”) a political subdivision of the State of Wisconsin and SCS – S.C. Swiderski LLC, a Wisconsin Limited Liability Company, (the “Developer”).

RECITALS

- A. The City desires to encourage economic development, the development of underutilized land, expand its tax base and create new jobs within the City.
- B. Wis. Stat. §66.1105 (the “Tax Increment Law”) provides the authority and establishes procedures by which the City may exercise powers necessary and convenient to carry out the purposes of the Tax Increment Law, cause project plans to be prepared, approve such plans, implement provisions and effectuate the purposes of such plans and finance such development through the use of tax incremental financing.
- C. Wis. Stat. §66.1333 (the “Redevelopment Law”) provides the authority and establishes the procedures by which the City acting through and by the Redevelopment Authority of the City of Merrill (the “RDA”) may exercise powers necessary and convenient to carry out the purposes of the Redevelopment Law, cause redevelopment plans to be prepared, approve such plans, borrow money and issue bonds, implement provisions and effectuate the purposes of such plans and finance redevelopment through the Redevelopment Law.
- D. The City of Merrill has acquired and will be selling to the Developer land for \$1 by January 1st, 2021.

Lot of Certified Survey Map No. [Pending Legal Description]

- E. The Developer proposes to construct four, multi-family apartment building, located within the Development Area (the “Project”).
- F. As an inducement to Developer to undertake the Development in TID 10 and to construct or cause to construct the Development, the City and the RDA intend to provide

an incentive to Developer by making an incentive payment to the Developer, for project costs incurred, to construct multi-family apartments within TID 10.

G. The City and RDA finds incentives to be necessary to encourage the Development in the Development Area and for Developer to undertake the Development in such a manner as to accomplish the City goals.

H. The City finds that the redevelopment and the fulfillment generally of the terms and conditions of this Agreement are in the vital and best interest of the City, RDA and City residents by expanding the tax base, creating new jobs and causing the redevelopment of underutilized property thereby serving a public purpose in accordance with state and local law.

I. If the development construction is not underway by July 31, 2021, lot ownership shall revert to the City of Merrill and Developer agrees to sign the necessary documents therefore.

NOW THEREFORE, in consideration of the promises and mutual obligations of the parties hereto, each of them does hereby covenant and agree with the other as follows:

ARTICLE I

Section 1.01 Initial Undertaking of the City of Merrill

The City has:

- a. Included the Development Area within TID #10, which was created by the Merrill Common Council on September 22, 2015.
- b. Purchased the property and arranged for necessary survey services and preparation of certified survey map.
- c. Will hold a City Plan Commission Public hearing on the future Planned Unit Development (PUD).

Following Execution of this Agreement, the City agrees that it shall cooperate with Developer to facilitate Developer's performance under this Agreement.

Section 1.02 Initial Undertakings of the Developers

- a. Will raise equity and arrange for financing necessary for the Project.
- b. File site plan and permit applications with the City and/or State.
- c. Contract for construction of four multi-family apartment buildings with occupancy planned in phases. The new tax increment would be generated beginning with 2022 (to the extent of improvements completed as of January 1, 2022) property tax (2023 collection).

RESOLUTION NO. _____

A RESOLUTION APPROVING THE 2019 COMPLIANCE MAINTENANCE ANNUAL REPORT FOR THE CITY OF MERRILL WASTEWATER TREATMENT PLANT

WHEREAS, the City of Merrill is required by the Wisconsin Department of Natural Resources (WDNR) to complete a Compliance Maintenance Annual Report on its Wastewater Treatment Plant; and

WHEREAS, the Water and Sewage Committee, of the City of Merrill, has reviewed the Compliance Maintenance Report for the year 2019, and has determined that it reflects the performance of the Wastewater Treatment Plant during 2019; and

WHEREAS, the report indicates a need for continued improvements at the Wastewater Treatment Plant and its operations to meet the requirements set forth by the WDNR;

NOW THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF MERRILL, WISCONSIN, this 9th day of June, 2020, that:

1. The Compliance Maintenance Annual Report for 2019 is hereby approved and authorized to be filed with the WDNR.
2. That the Compliance Maintenance Annual Report for 2019 is an accurate indication of the performance of the City of Merrill Wastewater Treatment Plant for the year 2019.

3. Flow Meter

3.1 Was the influent flow meter calibrated in the last year?

Yes Enter last calibration date (MM/DD/YYYY)

2019-11-20

No

If No, please explain:

We have a flow meter after are primary effluent tanks.

4. Sewer Use Ordinance

4.1 Did your community have a sewer use ordinance that limited or prohibited the discharge of excessive conventional pollutants ((C)BOD, SS, or pH) or toxic substances to the sewer from industries, commercial users, hauled waste, or residences?

Yes

No

If No, please explain:

4.2 Was it necessary to enforce the ordinance?

Yes

No

If Yes, please explain:

5. Septage Receiving

5.1 Did you have requests to receive septage at your facility?

Septic Tanks

Holding Tanks

Grease Traps

Yes

Yes

Yes

No

No

No

5.2 Did you receive septage at your facility? If yes, indicate volume in gallons.

Septic Tanks

Yes

gallons

No

Holding Tanks

Yes

9,920,400 gallons

No

Grease Traps

Yes

gallons

No

5.2.1 If yes to any of the above, please explain if plant performance is affected when receiving any of these wastes.

No problems were reported.

6. Pretreatment

6.1 Did your facility experience operational problems, permit violations, biosolids quality concerns, or hazardous situations in the sewer system or treatment plant that were attributable to commercial or industrial discharges in the last year?

Yes

No

If yes, describe the situation and your community's response.

6.2 Did your facility accept hauled industrial wastes, landfill leachate, etc.?

Attachment: 2019 CMAR Report for WWTP (5060 : Resolution on 2019 CMAR Report for WWTP)

Compliance Maintenance Annual Report

Merrill City Of

Last Updated: Reporting For
5/5/2020 2019

- Yes
- No

If yes, describe the types of wastes received and any procedures or other restrictions that were in place to protect the facility from the discharge of hauled industrial wastes.

We received 395,925 gallons of leachate from Lincoln County and IP landfills.
We also received 90,000 gallons of waste from Goetsch's Welding from their powder coating paint line.

Effluent Quality and Plant Performance (BOD/CBOD)

1. Effluent (C)BOD Results

1.1 Verify the following monthly average effluent values, exceedances, and points for BOD or CBOD

Outfall No. 001	Monthly Average Limit (mg/L)	90% of Permit Limit > 10 (mg/L)	Effluent Monthly Average (mg/L)	Months of Discharge with a Limit	Permit Limit Exceedance	90% Permit Limit Exceedance
January	25	22.5	5	1	0	0
February	25	22.5	6	1	0	0
March	25	22.5	6	1	0	0
April	25	22.5	5	1	0	0
May	25	22.5	3	1	0	0
June	25	22.5	3	1	0	0
July	25	22.5	4	1	0	0
August	25	22.5	3	1	0	0
September	25	22.5	2	1	0	0
October	25	22.5	2	1	0	0
November	25	22.5	2	1	0	0
December	25	22.5	3	1	0	0

* Equals limit if limit is <= 10

Months of discharge/yr	12		
Points per each exceedance with 12 months of discharge		7	3
Exceedances		0	0
Points		0	0
Total number of points			0

NOTE: For systems that discharge intermittently to state waters, the points per monthly exceedance for this section shall be based upon a multiplication factor of 12 months divided by the number of months of discharge. Example: For a wastewater facility discharging only 6 months of the year, the multiplication factor is 12/6 = 2.0

1.2 If any violations occurred, what action was taken to regain compliance?

2. Flow Meter Calibration

2.1 Was the effluent flow meter calibrated in the last year?

Yes Enter last calibration date (MM/DD/YYYY)
2019-11-20

No

If No, please explain:

We have a flow meter after are primary effluent tanks.

3. Treatment Problems

3.1 What problems, if any, were experienced over the last year that threatened treatment?

None

4. Other Monitoring and Limits

4.1 At any time in the past year was there an exceedance of a permit limit for any other pollutants such as chlorides, pH, residual chlorine, fecal coliform, or metals?

Yes

No

Biosolids Quality and Management

1. Biosolids Use/Disposal

1.1 How did you use or dispose of your biosolids? (Check all that apply)

- Land applied under your permit
- Publicly Distributed Exceptional Quality Biosolids
- Hauled to another permitted facility
- Landfilled
- Incinerated
- Other

NOTE: If you did not remove biosolids from your system, please describe your system type such as lagoons, reed beds, recirculating sand filters, etc.

1.1.1 If you checked Other, please describe:

2. Land Application Site

2.1 Last Year's Approved and Active Land Application Sites

2.1.1 How many acres did you have?

552.70 acres

2.1.2 How many acres did you use?

100 acres

2.2 If you did not have enough acres for your land application needs, what action was taken?

2.3 Did you overapply nitrogen on any of your approved land application sites you used last year?

Yes (30 points)

No

2.4 Have all the sites you used last year for land application been soil tested in the previous 4 years?

Yes

No (10 points)

N/A

0

3. Biosolids Metals

Number of biosolids outfalls in your WPDES permit:

3.1 For each outfall tested, verify the biosolids metal quality values for your facility during the last calendar year.

Outfall No. 002 - ANAEROBIC SLUDGE

Parameter	80% of Limit	H.Q. Limit	Ceiling Limit	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	80% Value	High Quality	Ceiling
Arsenic		41	75				4										0	0
Cadmium		39	85				1.1										0	0
Copper		1500	4300				430										0	0
Lead		300	840				18										0	0
Mercury		17	57				.64										0	0
Molybdenum	60		75				8.5									0		0
Nickel	336		420				27									0		0
Selenium	80		100				0									0		0
Zinc		2800	7500				1700										0	0

3.1.1 Number of times any of the metals exceeded the high quality limits OR 80% of the limit for molybdenum, nickel, or selenium = 0

Exceedence Points

0 (0 Points)

1-2 (10 Points)
 > 2 (15 Points)
 3.1.2 If you exceeded the high quality limits, did you cumulatively track the metals loading at each land application site? (check applicable box)
 Yes
 No (10 points)
 N/A - Did not exceed limits or no HQ limit applies (0 points)
 N/A - Did not land apply biosolids until limit was met (0 points)
 3.1.3 Number of times any of the metals exceeded the ceiling limits = 0
 Exceedence Points
 0 (0 Points)
 1 (10 Points)
 > 1 (15 Points)
 3.1.4 Were biosolids land applied which exceeded the ceiling limit?
 Yes (20 Points)
 No (0 Points)
 3.1.5 If any metal limit (high quality or ceiling) was exceeded at any time, what action was taken? Has the source of the metals been identified?

0

4. Pathogen Control (per outfall):

4.1 Verify the following information. If any information is incorrect, use the Report Issue button under the Options header in the left-side menu.

Outfall Number:	002
Biosolids Class:	B
Bacteria Type and Limit:	
Sample Dates:	01/01/2019 - 12/31/2019
Density:	
Sample Concentration Amount:	
Requirement Met:	Yes
Land Applied:	Yes
Process:	Anaerobic Digestion
Process Description:	MCRT of the biosolids is calculated daily and maintained greater than 15 days. Digester temperature is recorded daily and is maintained at greater than 35 Degrees C.

4.2 If exceeded Class B limit or did not meet the process criteria at the time of land application.
 4.2.1 Was the limit exceeded or the process criteria not met at the time of land application?
 Yes (40 Points)
 No
 If yes, what action was taken?

0

5. Vector Attraction Reduction (per outfall):
 5.1 Verify the following information. If any of the information is incorrect, use the Report Issue button under the Options header in the left-side menu.

Outfall Number:	002
Method Date:	12/02/2019
Option Used To Satisfy Requirement:	Volatile Solids Reduction
Requirement Met:	Yes
Land Applied:	Yes
Limit (if applicable):	>= 38
Results (if applicable):	64.90

Outfall Number:	002
Method Date:	12/02/2019
Option Used To Satisfy Requirement:	Volatile Solids Reduction
Requirement Met:	Yes
Land Applied:	Yes
Limit (if applicable):	>= 38
Results (if applicable):	64.90

5.2 Was the limit exceeded or the process criteria not met at the time of land application?
 Yes (40 Points)
 No
 If yes, what action was taken?

0

6. Biosolids Storage
 6.1 How many days of actual, current biosolids storage capacity did your wastewater treatment facility have either on-site or off-site?
 >= 180 days (0 Points)
 150 - 179 days (10 Points)
 120 - 149 days (20 Points)
 90 - 119 days (30 Points)
 < 90 days (40 Points)
 N/A (0 Points)
 6.2 If you checked N/A above, explain why.

0

7. Issues
 7.1 Describe any outstanding biosolids issues with treatment, use or overall management:

Staffing and Preventative Maintenance (All Treatment Plants)

1. Plant Staffing

1.1 Was your wastewater treatment plant adequately staffed last year?

- Yes
- No

If No, please explain:

Could use more help/staff for:

1.2 Did your wastewater staff have adequate time to properly operate and maintain the plant and fulfill all wastewater management tasks including recordkeeping?

- Yes
- No

If No, please explain:

2. Preventative Maintenance

2.1 Did your plant have a documented AND implemented plan for preventative maintenance on major equipment items?

- Yes (Continue with question 2)
- No (40 points)

If No, please explain, then go to question 3:

2.2 Did this preventative maintenance program depict frequency of intervals, types of lubrication, and other tasks necessary for each piece of equipment?

- Yes
- No (10 points)

2.3 Were these preventative maintenance tasks, as well as major equipment repairs, recorded and filed so future maintenance problems can be assessed properly?

- Yes
 - Paper file system
 - Computer system
 - Both paper and computer system
- No (10 points)

3. O&M Manual

3.1 Does your plant have a detailed O&M and Manufacturer Equipment Manuals that can be used as a reference when needed?

- Yes
- No

4. Overall Maintenance /Repairs

4.1 Rate the overall maintenance of your wastewater plant.

- Excellent
- Very good
- Good
- Fair
- Poor

Describe your rating:

Operator Certification and Education

1. Operator-In-Charge

1.1 Did you have a designated operator-in-charge during the report year?

- Yes (0 points)
- No (20 points)

Name:

STEVEN B LANDWEHR

Certification No:

32016

0

2. Certification Requirements

2.1 In accordance with Chapter NR 114.56 and 114.57, Wisconsin Administrative Code, what level and subclass(es) were required for the operator-in-charge (OIC) to operate the wastewater treatment plant and what level and subclass(es) were held by the operator-in-charge?

Sub Class	SubClass Description	WWTP	OIC		
		Advanced	OIT	Basic	Advanced
A1	Suspended Growth Processes	X			X
A2	Attached Growth Processes				
A3	Recirculating Media Filters				
A4	Ponds, Lagoons and Natural				
A5	Anaerobic Treatment Of Liquid				
B	Solids Separation	X			X
C	Biological Solids/Sludges	X			X
P	Total Phosphorus	X			X
N	Total Nitrogen				
D	Disinfection	X			X
L	Laboratory	X			X
U	Unique Treatment Systems				
SS	Sanitary Sewage Collection	X	NA	NA	NA

0

2.2 Was the operator-in-charge certified at the appropriate level and subclass(es) to operate this plant? (Note: Certification in subclass SS, N and A5 not required in 2019; subclass SS is basic level only.)

- Yes (0 points)
- No (20 points)

3. Succession Planning

3.1 In the event of the loss of your designated operator-in-charge, did you have a contingency plan to ensure the continued proper operation and maintenance of the plant that includes one or more of the following options (check all that apply)?

- One or more additional certified operators on staff
- An arrangement with another certified operator
- An arrangement with another community with a certified operator
- An operator on staff who has an operator-in-training certificate for your plant and is expected to be certified within one year
- A consultant to serve as your certified operator
- None of the above (20 points)

If "None of the above" is selected, please explain:

0

4. Continuing Education Credits

2. Treatment Works Operating Revenues

2.1 Are User Charges or other revenues sufficient to cover O&M expenses for your wastewater treatment plant AND/OR collection system ?

- Yes (0 points)
- No (40 points)

If No, please explain:

2.2 When was the User Charge System or other revenue source(s) last reviewed and/or revised?
Year:

2019

- 0-2 years ago (0 points)
- 3 or more years ago (20 points)
- N/A (private facility)

2.3 Did you have a special account (e.g., CWFPP required segregated Replacement Fund, etc.) or financial resources available for repairing or replacing equipment for your wastewater treatment plant and/or collection system?

- Yes (0 points)
- No (40 points)

REPLACEMENT FUNDS [PUBLIC MUNICIPAL FACILITIES SHALL COMPLETE QUESTION 3]

3. Equipment Replacement Funds

3.1 When was the Equipment Replacement Fund last reviewed and/or revised?

Year:

2019

- 1-2 years ago (0 points)
- 3 or more years ago (20 points)
- N/A

If N/A, please explain:

3.2 Equipment Replacement Fund Activity

3.2.1 Ending Balance Reported on Last Year's CMAR

\$ 1,032,007.33

3.2.2 Adjustments - if necessary (e.g. earned interest, audit correction, withdrawal of excess funds, increase making up previous shortfall, etc.)

+ \$ 22,215.97

3.2.3 Adjusted January 1st Beginning Balance

\$ 1,054,223.30

3.2.4 Additions to Fund (e.g. portion of User Fee, earned interest, etc.)

+ \$ 240,000.00

Attachment: 2019 CMAR Report for WWTP (5060 : Resolution on 2019 CMAR Report for WWTP)

3.2.5 Subtractions from Fund (e.g., equipment replacement, major repairs - use description box 3.2.6.1 below*) -

\$ 53,428.96

3.2.6 Ending Balance as of December 31st for CMAR Reporting Year

\$ 1,240,794.34

All Sources: This ending balance should include all Equipment Replacement Funds whether held in a bank account(s), certificate(s) of deposit, etc.

3.2.6.1 Indicate adjustments, equipment purchases, and/or major repairs from 3.2.5 above.

Replaced primary effluent pump and MCC in grit building.

3.3 What amount should be in your Replacement Fund? \$ 1,189,933.00

Please note: If you had a CWFP loan, this amount was originally based on the Financial Assistance Agreement (FAA) and should be regularly updated as needed. Further calculation instructions and an example can be found by clicking the SectionInstructions link under Info header in the left-side menu.

3.3.1 Is the December 31 Ending Balance in your Replacement Fund above, (#3.2.6) equal to, or greater than the amount that should be in it (#3.3)?

- Yes
- No

If No, please explain.

4. Future Planning

4.1 During the next ten years, will you be involved in formal planning for upgrading, rehabilitating, or new construction of your treatment facility or collection system?

- Yes - If Yes, please provide major project information, if not already listed below. □□
- No

Project #	Project Description	Estimated Cost	Approximate Construction Year
1	projects to be determined based from the results of Operation and Needs Review.		2018
2	Biological Phosphorus Removal	900000	2024
3	Conversion to UV disinfection	802000	2026

7.1.2 Comments:

7.2 Energy Related Processes and Equipment

7.2.1 Indicate equipment and practices utilized at your treatment facility (Check all that apply):

- Aerobic Digestion
- Anaerobic Digestion
- Biological Phosphorus Removal
- Coarse Bubble Diffusers
- Dissolved O2 Monitoring and Aeration Control
- Effluent Pumping
- Fine Bubble Diffusers
- Influent Pumping
- Mechanical Sludge Processing
- Nitrification
- SCADA System
- UV Disinfection
- Variable Speed Drives
- Other:

7.2.2 Comments:

[Empty text box]

7.3 Future Energy Related Equipment

7.3.1 What energy efficient equipment or practices do you have planned for the future for your treatment facility?

Replacing lighting with LED lighting
Replacing grit blowers

8. Biogas Generation

8.1 Do you generate/produce biogas at your facility?

No

Yes

If Yes, how is the biogas used (Check all that apply):

Flared Off

Building Heat

Process Heat

Generate Electricity

Other:

[Empty text box]

9. Energy Efficiency Study

9.1 Has an Energy Study been performed for your treatment facility?

No

Yes

Entire facility

Year:

2002

By Whom:

Focus on Energy

Describe and Comment:

It was done at the wastewater treatment plant.

Part of the facility

Sanitary Sewer Collection Systems

1. Capacity, Management, Operation, and Maintenance (CMOM) Program

1.1 Do you have a CMOM program that is being implemented?

- Yes
- No

If No, explain:

1.2 Do you have a CMOM program that contains all the applicable components and items according to Wisc. Adm Code NR 210.23 (4)?

- Yes
- No (30 points)
- N/A

If No or N/A, explain:

1.3 Does your CMOM program contain the following components and items? (check the components and items that apply)

- Goals [NR 210.23 (4)(a)]

Describe the major goals you had for your collection system last year:

Continue to televise private laterals and sanitary mains. Inspect sump pumps in houses while we are changing the water meter.

Did you accomplish them?

- Yes
- No

If No, explain:

- Organization [NR 210.23 (4) (b)]

Does this chapter of your CMOM include:

- Organizational structure and positions (eg. organizational chart and position descriptions)
- Internal and external lines of communication responsibilities
- Person(s) responsible for reporting overflow events to the department and the public

- Legal Authority [NR 210.23 (4) (c)]

What is the legally binding document that regulates the use of your sewer system?

Sewer use Ordinance

If you have a Sewer Use Ordinance or other similar document, when was it last reviewed and revised? (MM/DD/YYYY) 2/20/2018

Does your sewer use ordinance or other legally binding document address the following:

- Private property inflow and infiltration
- New sewer and building sewer design, construction, installation, testing and inspection
- Rehabilitated sewer and lift station installation, testing and inspection
- Sewage flows satellite system and large private users are monitored and controlled, as necessary
- Fat, oil and grease control
- Enforcement procedures for sewer use non-compliance

- Operation and Maintenance [NR 210.23 (4) (d)]

Does your operation and maintenance program and equipment include the following:

- Equipment and replacement part inventories
- Up-to-date sewer system map

Attachment: 2019 CMAR Report for WWTP (5060 : Resolution on 2019 CMAR Report for WWTP)

Compliance Maintenance Annual Report

Merrill City Of

Last Updated: Reporting For
5/5/2020 2019

- A management system (computer database and/or file system) for collection system information for O&M activities, investigation and rehabilitation
- A description of routine operation and maintenance activities (see question 2 below)
- Capacity assessment program
- Basement back assessment and correction
- Regular O&M training

Design and Performance Provisions [NR 210.23 (4) (e)]

What standards and procedures are established for the design, construction, and inspection of the sewer collection system, including building sewers and interceptor sewers on private property?

- State Plumbing Code, DNR NR 110 Standards and/or local Municipal Code Requirements
- Construction, Inspection, and Testing
- Others:

Overflow Emergency Response Plan [NR 210.23 (4) (f)]

Does your emergency response capability include:

- Responsible personnel communication procedures
- Response order, timing and clean-up
- Public notification protocols
- Training
- Emergency operation protocols and implementation procedures

Annual Self-Auditing of your CMOM Program [NR 210.23 (5)]

Special Studies Last Year (check only those that apply):

- Infiltration/Inflow (I/I) Analysis
- Sewer System Evaluation Survey (SSES)
- Sewer Evaluation and Capacity Management Plan (SECAP)
- Lift Station Evaluation Report
- Others:

2. Operation and Maintenance

2.1 Did your sanitary sewer collection system maintenance program include the following maintenance activities? Complete all that apply and indicate the amount maintained.

Cleaning	<input style="width: 60px;" type="text" value="49.8"/>	% of system/year
Root removal	<input style="width: 60px;" type="text" value="0.69"/>	% of system/year
Flow monitoring	<input style="width: 60px;" type="text" value="0"/>	% of system/year
Smoke testing	<input style="width: 60px;" type="text" value="0"/>	% of system/year
Sewer line televising	<input style="width: 60px;" type="text" value="10"/>	% of system/year
Manhole inspections	<input style="width: 60px;" type="text" value="28.3"/>	% of system/year
Lift station O&M	<input style="width: 60px;" type="text" value="9"/>	# per L.S./year
Manhole rehabilitation	<input style="width: 60px;" type="text" value="0.96"/>	% of manholes rehabbed
Mainline rehabilitation	<input style="width: 60px;" type="text" value="0"/>	% of sewer lines rehabbed
Private sewer inspections	<input style="width: 60px;" type="text" value="1.54"/>	% of system/year

Private sewer I/I removal % of private services
 River or water crossings % of pipe crossings evaluated or maintained

Please include additional comments about your sanitary sewer collection system below:

3. Performance Indicators

3.1 Provide the following collection system and flow information for the past year.

<input type="text" value="42.88"/>	Total actual amount of precipitation last year in inches
<input type="text" value="32.21"/>	Annual average precipitation (for your location)
<input type="text" value="62.3"/>	Miles of sanitary sewer
<input type="text" value="9"/>	Number of lift stations
<input type="text" value="0"/>	Number of lift station failures
<input type="text" value="0"/>	Number of sewer pipe failures
<input type="text" value="4"/>	Number of basement backup occurrences
<input type="text" value="17"/>	Number of complaints
<input type="text" value="1.403"/>	Average daily flow in MGD (if available)
<input type="text" value="2.127"/>	Peak monthly flow in MGD (if available)
<input type="text"/>	Peak hourly flow in MGD (if available)

3.2 Performance ratios for the past year:

<input type="text" value="0.00"/>	Lift station failures (failures/year)
<input type="text" value="0.00"/>	Sewer pipe failures (pipe failures/sewer mile/yr)
<input type="text" value="0.00"/>	Sanitary sewer overflows (number/sewer mile/yr)
<input type="text" value="0.06"/>	Basement backups (number/sewer mile)
<input type="text" value="0.27"/>	Complaints (number/sewer mile)
<input type="text" value="1.5"/>	Peaking factor ratio (Peak Monthly:Annual Daily Avg)
<input type="text" value="0.0"/>	Peaking factor ratio (Peak Hourly:Annual Daily Avg)

4. Overflows

LIST OF SANITARY SEWER (SSO) AND TREATMENT FACILITY (TFO) OVERFLOWS REPORTED **

Date	Location	Cause	Estimated Volume (MG)
None reported			

** If there were any SSOs or TFOs that are not listed above, please contact the DNR and stop work on this section until corrected.

5. Infiltration / Inflow (I/I)

5.1 Was infiltration/inflow (I/I) significant in your community last year?

- Yes
- No

If Yes, please describe:

5.2 Has infiltration/inflow and resultant high flows affected performance or created problems in your collection system, lift stations, or treatment plant at any time in the past year?

- Yes

Attachment: 2019 CMAR Report for WWTP (5060 : Resolution on 2019 CMAR Report for WWTP)

Compliance Maintenance Annual Report

15.4.b

Merrill City Of

Last Updated: Reporting For
5/5/2020 2019

No

If Yes, please describe:

During heavy precipitation the plant would experience hydraulic loading.

5.3 Explain any infiltration/inflow (I/I) changes this year from previous years:

Continue to rehab manholes and televise sanitary sewer mains.

5.4 What is being done to address infiltration/inflow in your collection system?

We are televising private sewer laterals and enforcing improper sump pump connections.

RESOLUTION NO.

A RESOLUTION HONORING ROB NORTON FOR HIS EXTENDED SERVICE AND GREAT CONTRIBUTION TO THE CITY OF MERRILL

WHEREAS, Rob Norton is retiring as Seventh District Alderperson and Council President of the City of Merrill; and,

WHEREAS, Rob Norton has served as an alderperson for the City of Merrill since April 17, 2012; and,

WHEREAS, the personal commitment and unselfish dedication Rob Norton has put forth has contributed greatly to the growth, progress and stability of the City of Merrill; and,

WHEREAS, the City of Merrill offers a solid and stable community environment for all of its citizens in part because of Rob Norton’s dedicated service; and,

WHEREAS, Rob Norton’s cheerful manner and hard work will be missed at the Merrill City Hall;

NOW THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF MERRILL, WISCONSIN this 9th day of June, 2020, that the Common Council, and the people of Merrill officially acknowledge with deep appreciation the dedicated and faithful service Rob Norton has given the City of Merrill and commends him for those years of service.

Recommended: Common Council

CITY OF MERRILL, WISCONSIN

Moved: _____
