Public Comment: Bill Bialecki from LCEDC recommended including presentation on potential workforce housing endowment program at the July RDA meeting. Bialecki will also invite representatives from City of Tomahawk to attend the housing presentation.

Review and consideration of resolution authorizing a development agreement by and between the City of Merrill, Wisconsin and SCS – S.C. Swiderski LLC for market-rate multi-family housing redevelopment on former Fox Point site (TID No. 10):

The S.C. Swiderski proposal is for four apartment buildings, including total of 56 apartments:

1 bedroom	24

Unertl highlighted the proposed development including information on comparable multi-family improved assessments in Merrill; projected future tax increment from proposed four new apartment buildings (i.e. about \$2.5 million over TID No. 10 lifespan); and preliminary TID No. 10 cash flow. There will be adequate tax increment to cover City debt service related to 2016 property acquisition; the \$250,000 cash development incentive; and potential future infrastructure improvements to the area.

Besides sale of the City-owned land for \$1.00, there will be a TID No. 10 cash development incentive total of \$250,000 which will be paid per the following payment schedule:

- \$50,000 upon construction start of first apartment building; and
- \$50,000 upon completion (State Occupancy Permit) for each of the four apartment buildings.
