MEMORANDUM

DATE: July 10, 2020
TO: Bill Heideman
FROM: City Attorney Thomas N. Hayden
RE: Merrill Festival Grounds Manager

Attached is a counter proposal from Rick Bjorklund that he presented to City staff. This matter can be discussed at the Common Council meeting on July 14, 2020.

Attachment: FGM memo (5143 : Consider Festival Grounds Manager contract)

"Focusing on the Future"

An equal opportunity/affirmative action employer.

To: Tom Hayden

From: Rick Bjorklund

Date: 7-10-20

Dear Mr. Hayden,

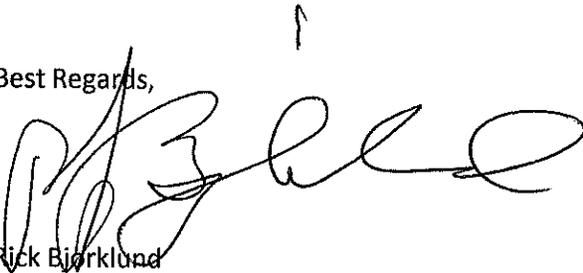

Recently, Foto News quoted Mr. Steve Hass concerning the Merrill's efforts to save money due to the impacts of the Covid 19 Virus. Subsequently he has made proposals to lower the monthly payment I receive from the city. I agree with that request.

On or about the first and the fifteenth of each month, beginning August 1, 2020, I will write a check to the City for two hundred fifty dollars from the payment I receive from the City. It is my hope that this effort will prompt other cost saving efforts by the City Council from their declared economic emergency due to the Covid 19 Virus.

During the month of December 2020, I will review the booking and prospective Merrill Expo Grounds schedule with Dave Johnson and yourself as well as the members of the Festival Grounds Committee to determine if future bookings warrant lifting my payment to the City.

I hope this meets with your approval.

Best Regards,

Rick Bjorklund

He asked for Lucas to work as our engineer. They are currently short one. Gary asked Mark to discuss with Matt to take Medford and Antigo's AWOS data and combining to come up with numbers for Merrill. This info should be sent to FAA in regards to rebuilding the north south runway. There was found an 8-10-degree error in our unit. They are supposed to be here in mid-May to retest operation. There are no thresholds of runway operations in the regulations. We showed over 1600 operations just in local pilots.

6. Discussion/Decision fuel system credit card reader: Rich not here and no information. Gary Schulz talked to Rich earlier in the day and could possibly cost \$8500. No service will be available after June 1 to repair current unit if it fails.

A representative from Merrill Productions was present to videotape the meeting.

II. Minutes of previous meeting(s):

1. Minutes of June 2, 2020 meeting

Motion (Schroeder/Schwartzman) to approve.

RESULT: APPROVED

III. Agenda items for consideration:

1. Oral report from Building Inspector/Zoning Administrator Pagel on Certified Survey Maps

Building Inspector/Zoning Administrator Pagel had nothing to report at this time.

IV. Recess:

At 5:47 P.M., Mayor Woellner announced a recess until 6:00 P.M., the scheduled time for the public hearing.

At 6:00 P.M., Mayor Woellner called the meeting back to order.

V. Public Hearing (will begin at 6:00 P.M.):

1. Rezoning request from Jesse Dengel to rezone, from Residential to Industrial, a parcel on Poplar Street (north of East Ninth Street).

City Attorney Hayden read the public hearing notice.

Motion (Schroeder/Schwartzman) to open the public hearing. Carried.

Jason Krueger spoke against the request. He believes that storage units would have a negative impact on the area, including a decrease in property values.

Jesse Dengel spoke in favor of the request. In his opinion, storage units would not drastically alter the amount of traffic in the area.

Steve Osness noted that recently the Common Council unanimously disallowed a Conditional Use Permit application for an auto repair shop and used car lot. In his opinion, that disallowance set a precedence.

Motion (Schwartzman/Sturm) to close the public hearing. Carried.

Building Inspector/Zoning Administrator Pagel reported that he had received two phone calls from neighbors who were against the rezoning.

Alderman Hass reported that he had received numerous phone calls from people who were against the rezoning.

Tina Dengel spoke in favor of the rezoning. She noted that there is industry in that area already. In her opinion, the storage units would not drastically change the area.

Kyle Gulke commented that, if storage units were placed in that area, it could affect further connecting of the trail.

Note: Regardless of any City Plan recommendation(s), the request will be considered by resolution at the July 14th, 2020 Common Council meeting.

Motion (Schwartzman/Schroeder) to disallow the request.

RESULT:	DISALLOWED
----------------	-------------------

VI. Public Comment Period

Tina Dengel cited a comment made by Mayor Woellner during the public hearing earlier in the meeting. Mayor Woellner had mentioned that the Common Council has historically disallowed requests for storage units when there was neighborhood opposition. She added that she wished she would have been aware of that prior to the payment of the rezoning request fee.

Tina Dengel then stated that the opinion of several of the neighbors on this issue is unknown at this time. She speculated that some of the neighbors that did not voice an opinion may be in favor of the rezoning. She asked whether she could prepare and submit a petition prior to the July 14th Common Council meeting. At that meeting, the Common Council will consider and take action on the rezoning request. She was assured that she could submit a petition and/or other related materials.

VII. Establish date, time and location of next meeting

The next meeting will be a the call of the Chairperson.

VIII. Adjournment

Motion (Schwartzman/Sturm) to adjourn. Carried. Adjourned at 6:25 P.M.

I. Call to Order

Alderman Russell called the meeting to order at 5:15 P.M.

Attendee Name	Title	Status	Arrived
Rick Blake	Aldersperson - Third District	Present	
Paul Russell	Aldersperson - First District	Present	
Mark Weix	Aldersperson - Seventh District	Present	

Others in attendance: City Administrator Dave Johnson, Fire Chief Josh Klug, Police Chief Corey Bennett, Deputy Health Officer Norbert Ashbeck, City Attorney Tom Hayden, Alderman Steve Hass, Alderman Steve Sabatke, Thea Witucki, Lincoln County Health Department Director Shelley Hersil (Remote) and City Clerk Bill Heideman.

II. COVID-19 Updates:

1. Lincoln County Health Department Director Shelley Hersil

Lincoln County Health Department Director Hersil reported that Lincoln County has confirmed the eighth case of COVID-19 in Lincoln County.

In surrounding counties lately, there has been an increase of COVID-19 cases in young people, most likely as a result of mass gatherings.

The latest round of testing did not result in any positive cases.

Guidelines have been established for the reopening of schools.

Lincoln County Health Department Director Hersil explained the difference between "cases" and "contacts" as those terms relate to COVID-19. Both are subject to quarantine.

2. Lincoln County Emergency Planning Manager September Murphy

Lincoln County Emergency Planning Manager September Murphy did not call in to the meeting, and attempts to call her resulted in no answer. Therefore, no update report was given.

Alderman Russell assured the committee that, as he receives updates; he will share them with committee members.

III. Nuisance Complaints and Vouchers:

1. Nuisance Complaints

Deputy Health Officer Ashbeck reported that COVID-19 has "slowed things down" and he has nothing new to report.

As a member of the Merrill School Board, Deputy Health Officer Ashbeck reported that, for the 2020-2021 school year, students will be given a choice to attend school in-person or virtually.

2. Vouchers

The vouchers were in the meeting packet.

All committee members signed the voucher sheet. No formal action was taken.

IV. Picnic and/or Liquor License Applications:

1. Change of trade name (Holiday #71 to Express Lane #2328) and change of agent (Gail Closser to Michelle Last) for Applegreen Midwest LLC, doing business at 702 N. Center Avenue.

Motion (Blake/Weix) to approve both the change of agent and the trade name change.

RESULT:	APPROVED & SENT TO COUNCIL	Next: 7/14/2020 6:00 PM
----------------	---------------------------------------	--------------------------------

V. Other agenda items to consider:

1. Discuss parking issues in 700 block of East Second Street

At the request of Thea Witucki (Wit's End DaySpa), Alderman Hass had requested that this item be placed on the agenda.

Thea Witucki expressed her concerns with inadequate parking in the vicinity of Wit's End DaySpa (718 East Second Street). She explained that, although there is two-hour parking available in that area, the average time her clients are at her facility is closer to three hours.

Police Chief Bennett responded that this is one of several instances in the City where parking is inadequate. At this point, he does not have a lot of suggestions to resolve this issue. He stated that a permit system is a possibility, although there are pitfalls associated with permit-parking.

It was suggested that, when the Veterans of Foreign Wars (VFW) relocates to their new facility, perhaps their former clubhouse area could be used for parking. However, the future use of that site has not been determined.

Discussion on this will continue at the next meeting. No action was taken at this time.

2. Request to create Fire Marshal position in the Fire Department

Information was in the meeting packet.

Fire Chief Klug reported on his request. He explained that the creation of a Fire Marshall position could address issues related to fire inspections. Fire Chief Klug then provided historical information on fire inspections. Currently, fire inspections are to be done twice annually for every business.

Fire Chief Klug explained that ideally the position would be full-time. The estimated annual cost for a full-time position is currently \$107,000. Another possibility would be a part-time position. In that case, the cost of the position (approximately \$30,000) could be funded from the 2% Fire Dues.

Alderman Hass recommended that this request be referred to the 2021 budget process.

Alderman Weix stated that creation of this position could increase the efficiency and standardization of fire inspections.

Alderman Russell requested that, at the next meeting, City Administrator Johnson and Fire Chief Klug provide additional and more detailed cost information related to the position. No action was taken at this time.

VI. Minutes & Reports:

1. Minutes of May 18, 2020 meeting

The minutes were in the meeting packet.

Motion (Blake/Weix) to approve.

RESULT:	APPROVED
----------------	-----------------

2. Monthly Report - Fire Chief Klug

The report was in the meeting packet.

Fire Chief Klug reviewed the report. He noted that the report format has changed slightly, which should make it easier to read.

There has been an increase in requests to fill swimming pools this year. To date, there have been approximately 25 requests.

3. 2019 Annual Report - Police Department (will be distributed at meeting)

The report has been distributed. Police Chief Bennett answered questions related to the report.

4. Monthly Report - Police Chief Bennett

The report was in the meeting packet.

Police Chief Bennett answered questions related to the effect of COVID-19 on the Police Department.

Alderman Russell thanked the Police Department for their dedication during two recent incidents. He then thanked both the Fire Department and Police Department for their continued service.

5. Monthly Reports - Lincoln County Humane Society

Reports for two months were in the meeting packet.

 Meeting was held on June 18th, 2020 at 3:15pm
 Merrill Enrichment Center Conference Room – 303 N. Sales Street

Present: Laura Bertagnoli (Chair), Gene Bebel, Rose Akey, Sharon Harvey,
 Jennifer Clark (ADRC representative)

Absent: Paul Russell (Aldersperson), Rev. Lucas Williams

1. Opening

- a. Laura called the meeting to order.

2. Public Comment – no public comment

3. COVID-19 – Phase 2

- a. Director updated committee to MEC's operations starting July 1st. We will begin phase 2 which allows 50 and under participants. This will only apply to classes that take place in the expo. Classes in the MEC portion of the building will remain 10 and under.
- i. Gigi Heinz, BeWellYoga owner and instructor, will now operate under MEC programming to bring two mat-based yoga sessions to the Center. This will reach out to a new demographic and bring in new participants for us. Committee members mentioned having Gigi on a big screen if possible so all participants could see her because they are so spread out. At this time the MEC does not have the equipment for this option. We did however recently purchase a cordless microphone for instructors. The suggestion to video Gigi and post it on our Facebook page for those who are homebound was also brought up. Director will discuss this with Gigi.
- ii. Bus trips are on hold until it is deemed safe to travel. In addition, many of the trips we had on the schedule are businesses that are not opening.
- b. Committee reviewed finance directors explanation of MECs obligation to pay into Fund #10 operational expenses. Questions arose on wording but were clarified by director. Concerns were expressed that we would not be bringing in near the amount of revenues but yet are expected to contribute \$11,746 into fund #10. MEC's #26 activities fund does have the amount requested available.
- c. Director asked committee and other community leaders and members if MEC should continue to require masks entering and leaving the building as this is when physical distancing is the most difficult. The overall general consensus is to continue to do so. Further conversation led to the possibility of running classes outside if numbers push our capacity for safe physical distancing in the expo.
- d. Director moved this item (Plan through end of the year) to the July meeting.

4. ADRC

- a. Jennifer shared that the ADRC offices remain closed for in person meetings. Their front desk is staffed daily from 8am-4:30pm for calls. The staff is meeting via phone and video meetings.
- b. The Senior Farmers Market Voucher program is available now, but will look different in how it is administered. Criteria to receive vouchers are age 60+ /55+ if Native American, resident of Lincoln county, monthly income guidelines. Residents can call the ADRC for more information.
- i. The steps are as follows:
1. ADRC mails application to recipient
 2. Recipient mails the application form back to the ADRC
 3. ADRC mails the vouchers to the recipient
- c. Medicare Basics Virtual Classes are available starting now through December for those new to Medicare (A-D plus prescription drug) of just enrolling. Please see the ADRC website for specific dates and times. Laura Bertagnoli shared that she and her husband took the class last year and were extremely impressed. She applauds the ADRC for offering this educational class.
- d. Programs offered through the Wisconsin Institute for Healthy Aging (WIHA) are evidence-based for in-person classes only; WIHA has had to test/pilot the classes for an online, virtual format. They have found that they do work! The ADRC will be offering a Healthy Living with Diabetes and Living Well with Chronic Conditions program virtually this fall. More info to follow.

5. Discussion

- a. Director discussed the MEC's outreach to keep in touch with home bound elderly population. We are beginning to assemble activity bags to deliver. Pastor Lucas provided small prayer shawls and inspirational cards to add to our care packages. We started delivery last week.

1. Vouchers

The vouchers were in the meeting packet.

Finance Director Unertl and City Clerk Heideman answered questions on the vouchers.

Motion (Osness/Blake) to approve.

RESULT: APPROVED

III. Agenda items for consideration:

1. Consider lifting hiring freeze to fill Street Department position(s).

Alderman Hass announced that, at this time, there are no open positions in the Street Department. If position(s) become open, a special meeting could be called to consider filling open position(s).

No action was taken at this time.

2. Six-month status review of 2020 City Budget

Alderman Hass has this item placed on the agenda.

Finance Director Unertl reported. There are still questions to be answered on whether the state will reimburse the City fo certain expenditures.

Finance Director Unertl reported that, at this time, the 2020 budget seems to be in adequate shape. At the end of July, she will provide up-to-date six month figures.

No action was taken.

3. Ordinance amending Code of Ordinances Chapter 18, Article II, Section 18-21, related to policy to limit tax rate increase in annual City budgets.

The proposed ordinance was in the meeting packet. It was on the agenda at the request of Mayor Woellner.

To begin, Mayor Woellner asked for one minor amendment to the proposed ordinance. The amendment would involve deleted the word "budget" and inserting "tax rate" instead. Mayor Woellner.

Mayor Woellner explained that one reason he is proposing the ordinance is to allow the Common Council to concentrate more on adding items during the budget process, rather than the historic focus on budget cutting.

Alderman Osness does not think the ordinance is necessary. He stated that he is fearful that the ordinance could result in residents being responsible for annual budget increases greater than their annual income increases.

Motion (Osness/Blake) to refer the ordinance to a future Personnel and Finance Committee meeting. No action was taken on the motion.

Alderman Blake suggested the possibility of forming an ad-hoc committee to consider the ordinance.

Alderman Hass suggested that, instead of an ordinance, a Committee of the Whole meeting could be held annually in July, at the beginning of the budget process. The purpose of that meeting would be to establish budgetary goal(s) for the next year's budget.

Mayor Woellner and Alderman Osness will work together to "tweak" the proposed ordinance and then submit it to the Personnel and Finance Committee meeting in July. No action was taken at this time.

4. Ordinance amending Code of Ordinances Chapter 2, Article IV, Section 2-85, related to the scope of authority to call special meetings.

At a meeting on June 9th, 2020, the Common Council referred the proposed ordinance to the Personnel and Finance Committee. A copy of the proposed ordinance was in the meeting packet.

Motion (Osness/Blake) to approve the ordinance.

Mayor Woellner stated that he is not in favor of the ordinance as drafted. In his opinion, the ordinance limits mayoral power.

There was discussion on whether "special meetings" means only special Common Council meetings, or if the term includes Committee of the Whole meetings. After further discussion, Alderman Osness requested that his motion be withdrawn. Without objection, it was so ordered.

City Attorney Hayden was directed to prepare an amended draft ordinance for consideration at the July Personnel and Finance Committee meeting.

Water loss percentage was down to 16% in 2019. The loss percentage has been cut in half since 2016.

Testing of meters is ongoing. There are 4,050 meters in the City.

The rate of return on water is down to 0.69%. Consideration is being given to contracting with a firm to conduct a rate study.

No action on the report was necessary, requested or taken.

2. Discussion on removal of fluoride to the water

Alderman Osness had placed this item on the agenda. He stated that, for several reasons, he wanted consideration given to removing the fluoride from City water.

Alderman Osness reported that the cost of adding fluoride to the water is approximately \$2,200 annually. It was mentioned that the fluoride affects equipment adversely. It was also noted that a small percentage of fluoride is in the water naturally.

The possibility of having a public hearing and/or a public informational meeting before the Common Council makes a decision on this was discussed. These meeting(s) would allow the public to receive information as well as provide input on this issue. It was agreed that, if the Water and Sewer Committee recommends removing the fluoride, the earliest it would be considered by the Common Council would be at the August Common Council meeting (August 12th).

See Appendix "A" attached.

ARTICLE 8 - RECALL TIME/COMPENSATORY TIME

RECALL TIME:

Recall time is defined as anytime an off-duty firefighter is called in to work, or held over beyond their normal workday, until relieved, including scheduled overtime.

- A. Employees called in for transfers and emergency recalls shall receive additional pay of two (2) hours straight time for the call.

COMPENSATORY TIME

The parties agree that compensatory time be given in lieu of overtime payment at the discretion of the employee as provided in this section. If compensatory time is given, the same shall be at the rate of time and one-half, along with the said conditions of two (2) hours straight time for the call.

Furthermore compensatory time may only be utilized when the said shift working remains at 5 or more personnel while the "comp time" is being used. The fifth man may include Battalion Chiefs. Once compensatory time has been approved by the Fire Chief or his designee it cannot be revoked for any reason, unless the employee voluntarily agrees to reschedule his time at the request of the Fire Chief or his designee. The Fire Chief shall also have the right to call people in off of their compensatory time for emergencies as determined by the Fire Chief. Employee will be reimbursed his/her remaining compensatory time plus be compensated for recall time and either the overtime rate or compensatory time.

Compensation time may only be picked after all vacation and/or Kelly days have been offered to be scheduled by the entire shift, once all shift members have been offered their chance to pick all vacation and/or Kelly days. If an employee voluntarily "passes" or "holds" Kelly days, Compensation Time may then be picked. After the vacation schedule has been established all "carried over" comp time may be selected by seniority in a similar fashion as vacation picks. After all employees "carrying over" comp time have been given the opportunity to utilize their "carry over" time, all other accumulated comp time shall be given on a first come basis, with a written request to the Fire Chief or his designee.

Retiring employees shall receive payment for longevity prorated on the basis of the percentage of calendar years served at the time of retirement.

Longevity shall not be included in base pay for purposes of computing overtime or holiday pay.

ARTICLE 11 - VACATIONS

The vacation policy for the Fire Department shall be as follows:

- One (1) year of service 6 hours/month, total 72 hours/year
- Two (2) years of service 10 hours/month, total 120 hours/year
- Seven (7) years of service ... 16 hours/month, total 192 hours/year
- Twelve (12) years of service 20 hours/month, total 240 hours/year
- Eighteen (18) years of service 26 hours/month, total 312 hours/year

1. The Fire Chief shall establish the vacation posting schedule and Procedure for posting. The Fire Chief shall have the right to block out any days due to training when personnel are sent to such training, due to absence of personnel due to required summer military service. Such blocking shall be for the shift or shifts affected. The Fire Chief shall also have the right to call people in off of their vacations for emergency reasons.
2. After the schedule has been posted, all employees, except the Fire Chief, and other non-24hr. shift employees who are eligible for vacation shall indicate on the posting board their choice of dates, which choices shall be posted no later than January 31st. The choice shall be made strictly on the basis of seniority.
3. There shall not be more than (1) bargaining member employee and/or Shift Commander out on each shift on vacation at any time
4. The bargaining member employees, except the Fire Chief and other non-24hr. shift employees shall select their vacation strictly by seniority, as follows:
 - (a) On the first round, the employee is entitled to select up to, but not more than, five (5) days of vacation, which must be consecutive and may not be split into two (2) separate time periods.
 - (b) On the second round and all succeeding rounds of vacation selection, the same procedure shall apply.
5. Vacation carryover policy shall reflect City policy as attached as Appendix B.

Attachment: Fire Union Contract (5144 : Resolution ratifying Fire Union contract)

6. If additional vacation time would not reduce staffing below 5 member minimum, an additional member may be off on vacation on any other day to reach the goal hours listed above. Said additional days would be picked after vacation days, Kelly days and carry over compensatory time. This clause will sunset on December 31, 2020.

7. Due to accrual posting, a negative balance may occasionally appear on the employee records. This negative balance should never be greater than 48 hours at any time.

8. New employees shall not be eligible for vacation benefits until they have completed six-months of service.

9. Each year on or before October 15th the employer shall post the shifts.

10. All employees with at least one (1) year of service will be allowed one Kelly Day per year. This Kelly day may be picked any time after vacations are picked. Such approval will not be unreasonably withheld. A 2nd Kelly Day will be allowed after 18 years of service.

ARTICLE 12 - UNIFORMS

The City agrees to provide a clothing allowance in the amount of \$400.00 per firefighter per year, paid in a lump sum each year in January. Newly hired firefighters shall receive an additional one-time \$350 allotment. If new employees quit or do not finish out the first full year, the uniforms shall be the property of the City.

The annual clothing allowance shall be prorated for new employees based upon the number of full months remaining in the year of hire.

The City agrees to furnish turnout gear including boots, turnout coats, bunker pants, gloves, helmets, hoods, and Department badges and dress hat.

ARTICLE 13 - HOLIDAYS

All employees shall be granted ten and one-half (10 1/2) paid holidays. The actual date the holiday falls on will be recognized as the paid holiday. The legal holidays are as follows:

- | | |
|-------------------------------------|------------------|

| One-half day for December 31 | Memorial Day |
| Christmas Day (December 25) | Labor Day |
| Independence Day (July 4) | Easter |
| Friday (following Thanksgiving Day) | Thanksgiving Day |
| Good Friday | |

These holidays shall be compensated at the rate of one (1) regular days pay. A regular days pay shall be calculated as follows: Annual salary divided by 165 daily rate. Example: \$16,000.00 divided by 165.00 = \$96.97 per day. Holiday pay is to be paid monetarily. Holiday pay is to be paid around December 1.

ARTICLE 14 - SICK LEAVE

A. Sick leave shall be administered by the Fire Chief.

Sick leave shall accumulate at the rate of one (1) day for each month of service in the calendar year and may be accumulated to an unlimited number of hours. Sick leave shall be utilized as attached as Appendix C.

B. Employee to notify supervisor.

Any employee who is not available for work shall notify the firefighter's supervisor at least 60 minutes prior to the commencement of the firefighter's shift of duty of such unavailability. Upon the firefighter's first failure to so notify the firefighter's supervisor of the firefighter's unavailability, a reprimand shall be noted in the employee's file. In the event an employee accumulates a second failure in a three (3) year period, that employee shall forfeit one-half (1/2) day pay, as calculated on the basis on the firefighter's annual salary divided by 2920 hours multiplied by 12. In the event an employee does not accumulate a second failure in a three (3) year period, any reprimand occurring more than three (3) years prior shall be removed from the file of the employee, and the employer will destroy any record of reference to said reprimand.

C. Accrued sick leave credit.

All employees covered by the agreement who actually retire from the City service and apply within sixty (60) days of the last day paid for a retirement annuity from the Wisconsin Retirement Fund shall have their sick leave credits from the time of retirement converted to a monetary value which the City shall deposit in Post-Employment Health Plan (PEHP).

Upon retirement the City shall deposit the employees accumulated, unused sick leave (1300 hours maximum) calculated as per current fire department formula (52 weeks x 40 hours per week = 2080 hours Base wage divided by 2080 hours = hourly rate. Hourly rate x 1300 sick leave hours = Dollar amount to transfer to PEHP).

If an employee retires before his/her 62nd birthday, but after his/her 50th birthday with adequate years of service, the employee may then remain a member of the City's insurance group until age sixty-five (65). Retired is defined for purposes of this section, as drawing a monthly pension check from the Wisconsin Retirement Fund. The employee shall be responsible for the entire premium as charged to the City for such insurance; the amount will be deducted from the total amount due the employee from the funds available from the converted sick leave accumulation.

The maximum number of hours an employee will be entitled to so convert is a total of 1300 hours.

D. Sick Leave Credit:

Firefighters shall receive one personal (Kelly) day off when the firefighter does not use sick leave during a calendar year and after twenty (20) years of service will receive two Kelly days off when the firefighter does not use sick leave during a calendar year. Said Kelly day(s) will be granted in the year following the year in which it was earned.

E. Donation Of Time:

Firefighters will be allowed to donate vacation time, Kelly days, and/or comp. time to other firefighters who have exhausted their sick leave and are in need of additional time off.

ARTICLE 15 - FUNERAL LEAVE

Funeral leave shall be utilized as per City policy as attached as Appendix D.

ARTICLE 16 - LEAVE OF ABSENCE WITHOUT PAY

Request for leave of absence without pay for justifiable reasons shall be made by written application on a form provided by the Personnel Director and be submitted at least two (2) days prior to the anticipated leave.

A) For a leave not to exceed three (3) consecutive work days, the firefighter's request shall be made to and approved by the Fire Chief.

B) For a leave in excess of three (3) work days, the firefighter shall make the firefighter's request to the Personnel Director after notifying the Fire Chief.

Failure to comply with the requirements of this Article shall result in disciplinary action.

The Fire Chief or Officer in charge may grant emergency leaves of short duration for matters of urgent nature.

A maximum of two (2) members of the Bargaining Committee who are on duty when a meeting between the City and Union is called shall be permitted to attend with no loss of pay.

Any employee entitled to vote in any public election shall be afforded time to do so in accordance with the provisions of Wisconsin Statutes.

ARTICLE 17 – MILITARY SERVICE LEAVE

The procedure for administering Military Leave will follow the City Employee Handbook.

Handbook language: The City of Merrill recognizes and appreciates any City employee who elects to serve their country in the United States Armed Forces (Army, Air Force, Navy, Marines, or Coast Guard including Reserves). Employees should notify their respective department head as soon as possible with training dates or notice of active duty and/or deployment. The City intends to keep the employee whole during training and active duty; therefore they will continue to pay the employee their regular pay in compliance with any and all respective laws. The employee is not required to use leave time for military service. However, the employee's earnings will be reduced by the amount they are paid from the military on the dates they would have otherwise been scheduled to work for the City. The employee is responsible for submitting a copy of their Leave and Earning Statement (LES) to the Payroll & Benefits Specialist at City Hall in a timely fashion, so their military pay amount can be subtracted from future payrolls. The City will determine military pay reduction by taking employee's base pay and dividing it by the number of military days on the respective LES. The daily military amount figured above will be multiplied by the number of missed work days. If the employee leaves employment with the City prior to submitting their LES, the City will withhold

any potential payouts to the employee until respective their LES are submitted. Employees may request an unpaid leave of absence for military service consistent with the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

ARTICLE 18 – WORKER’S COMPENSATION

It is expected that members of the Fire Department shall exercise sound safety practices in the performance of their duties. However, the nature of emergency duties, when protecting the interests of the general public, may place them in unforeseen and/or unpredictable hazardous situations. Therefore, the members of the Fire Department who contract a disease or are injured while on duty are covered.

The City also agrees that if a firefighter is hurt on the job or contracts an employee related disease, the City will pay the difference between the worker’s compensation and the firefighters pay providing the employee has sick leave credits, and such time be counted against the firefighter’s sick leave as it is covered under worker’s compensation.

In cases involving third-party liability, Chapter 102.29 of the Wisconsin Statutes will apply.

ARTICLE 19 - INSURANCE

A. Health Insurance

For 2020 Firefighters shall pay 11.00%of the health insurance premiums as an employee contribution.
