REQUEST TO INCLUDE ITEM ON AGENDA

Board or Committee: Personnel & Finance Committee

Date of Meeting: Tuesday – July 28th, 2020

Request by: Finance Director Kathy Unertl

Describe below the item(s) you wish to have put on the agenda:
(please attach any pertinent information):

Status Review of 2019 Tax Settlement Overview:

Please see following spreadsheets and charts:

- Overall 2019 Tax collections were comparable to 2018 Taxes (with the Real Estate Delinquent amount about \$25,000 lower for 2019). The City of Merrill is reimbursed by Lincoln County for the delinquent Real Estate Taxes).
- Personal Property collections and delinquent amount is comparable. There are three Personal Property tax bills totaling \$16,601 for a former manufacturer. City Attorney Office is pursuing collections of the delinquent Personal Property taxes.
- Delinquent Utility Special Charges are also comparable to prior year.

Request Date: 7/20/2020

REQUEST TO INCLUDE ITEM ON AGENDA

Board or Committee: Personnel & Finance Committee

Date of Meeting: Tuesday – July 28th, 2020

Request by: Finance Director Kathy Unertl *Kathy Unertl*

Describe below the item(s) you wish to have put on the agenda:
(please attach any pertinent information):

Review and discuss preliminary 2021 budget development provisions:

Please see information below and attached spreadsheets:

- Wisconsin Retirement System (WRS) has minor increase for Protective Service employees (i.e. Police and Fire)
- After meeting with M-3 (i.e. City's health insurance broker) and review of 2020 medical claim information, budgeting for 2021 at no increase. [There was shift to Medicare of former group member as of 6/1/2020.]
- Compensation:

Police Union Contract for 2021 - 1.5% increase 12/21/2020 and 1.0% increase 6/21/2021

Fire Union Contract for 2021 - 1.5% increase 12/21/2020 and 1.0% increase 6/21/2021

Non-Union – Will include Cost-of-Living (1.0% increase 12/21/2020 and 1.0% increase 6/21/2021) and Steps for eligible employees

For example: T.B. Scott Free Library has the following 2021 fiscal breakdown for wages and related employee benefits (i.e. Social Security/Medicare and Wisconsin Retirement System):

Steps \$ 9,380

Total of 13 eligible employees of which 7 are currently being paid less than \$14 per hour. Please see Library compensation schedule as of 6/22/2020.

Cost-of-Living \$10,065

Personnel & Finance Committee – 7/28/2020

Describe below the item(s) you wish to have put on the agenda:

(please attach any pertinent information):

Review and discuss service contract information:

From: "Osness, Steve" <Steve.Osness@ci.merrill.wi.us>

Date: July 1, 2020 at 4:14:54 PM CDT

To: "Unertl, Kathy" <Kathy.Unertl@ci.merrill.wi.us>

Cc: "Hass, Steve" <Steve.Hass@ci.merrill.wi.us>

Subject: Service contracts

Kathy,

Could We get a list for the next p and f meeting, on all the yearly service contracts with in the city and how much we pay each yearly?

Thanks

Steve

The following service contractor response was coordinated by City Administrator Dave Johnson with information provided by Department Heads and fiscal from Finance Director Kathy Unertl.

Some service providers (i.e. without contract agreements) were included to highlight required inspections and specialized functions essential for City and Utility operations.

Spectrum internet service connections are not listed. The new City internal fiber network 2019 project is being finalized and former Spectrum accounts disconnected.

Copier and postage machine leases are not listed, as well as cellular phone/computer service providers, or software support less than \$500 annually.

Background of FD Operations/Fire Inspections

For decades our department has performed fire protection inspections as required by the Wisconsin Department of Safety and Professional Services (DSPS). In exchange for that service, the fire department annually receives money from the state which is commonly referred to as 2% Dues. This money can then be used by the department only for specific costs associated to the department like firefighting equipment or fire inspections.

Since 1974, there had been 25 full-time members of the fire department. In 2008, the fire department was restructured which reduced the overall staff to 23 full-time employees. All career members are cross trained as firefighters and EMT/Paramedics. Additionally those members have been trained as certified fire inspectors and are currently expected to perform fire inspections as assigned.

Our program inspects all commercial properties as well as multi-family residential properties containing three or more units in the City of Merrill, Town of Merrill, Town of Rock Falls, and Town of Scott. These inspections are an opportunity to educate the owners and occupants about the fire and life safety codes that reduce the risk to the occupants and property loss through the practice of performing fire inspections. This is also an opportunity to build up a relationship with the business owners and property owners in the area we cover for fire protection. Below is a graph of fire inspections performed in 2019.

Inspection Type	City of Merrill	Town of Merrill	Town of Scott	Town of Rock Falls	Totals
Fire Protection	1,023	95	65	13	1,196
Reinspections	86	6	4	0	96
Total Violations	461	35	36	10*	542
Violations repaired	346	20	29	1	396
Outstanding violations	115	15	7	9*	146

*Denotes an inspection that had 9 violations and was determined that this property is no longer needed to be inspected as this didn't meet the definition of a public building and has been removed from the inspection list.

3.6.a

Our department typically conducts company inspections which means that a crew of two firefighters/EMTs performs the actual fire inspection. A crew of two is needed because that crew must also be able to respond to ambulance calls as well per state guidelines.

When there is an inspection violation, the owner typically has 30 days to correct the violation. When violations are corrected, the recipient can submit a copy of the record to us indicating that they have corrected the issue. If the owner does not fix the violation, or submit documentation that they corrected the violation, we must go back to the building and re-inspect it. This is something that was noted in our 2% Dues audit from the state in 2018.

In addition to the required fire inspections, the Inspection Division performs additional inspections including but not limited to: fire alarm acceptance tests, sprinkler system acceptance tests, fire pump acceptance testing, occupancy load calculations for assembly occupancies, and other various inspection related duties. These specialty inspections are currently only done by the Battalion Chief of Administration.

Current Status and Deficiencies

According to our records, we estimate spending 5,600 hours each year conducting fire inspections. We spent another 15 hours on re-inspections. These hours do not include all of the time spent contacting owners and scheduling their fire inspection, or the follow up with owners when no one is present for the inspection, or they do not schedule an inspection. These hours also do not currently include the time spent for code review or occupancy limit calculations. The point is that fire inspections take up a significant amount of time for our personnel. This is time that could be spent training or performing other fire department functions.

When you look at the hours spent on inspections above, this is not the most efficient way to conduct the inspections. If you multiply the 5,600 hours by 2 since most inspections have a 2-person crew conducting them, it means there are 11,200 productive hours spent. If a single person conducted the inspections, we would estimate 6,000 hours for inspections because they are by themselves now. With that calculation, it would free up about 5,200 hours of productive time for staff.

With an increasing call volume and fewer line staff, there is no shortage to the regular workload of our line staff. Merrill has an aging population which means we anticipate more ambulance calls to support the emergency medical needs of the community. With more calls, there is less time for line staff to conduct fire inspections. Additionally, as an all hazards response fire department, we must make sure our members are proficient in all of the functions we perform. This can only be done through a regimented training program which requires time for our line staff to receive this training.

3.6.a

One deficiency of our current fire inspection program is the use of company inspections. Since inspections are conducted by all of our members, every inspection receives potentially a different violation because of the different observation, experience, training, and education of the fire inspectors. The inconsistency of our program is the largest complaint we hear from our business owners. If we transition to a system that utilizes one person to conduct most of the fire inspections, there will be more consistency with violations and improved satisfaction by our local business owners. A single person working with them has other advantages like focusing on a certain violation, issue, or code each year. A single person could build a rapport with business owners that cannot be done with multiple inspectors.

In 2018, the fire department trialed Lead Inspector and Lead Paramedic roles on each of the three shifts. Unfortunately, it did not work and we had to revert back to our previous and current process of company inspections. A copy of the duties assigned as part of that trial is also included for your reference.

Another deficiency of our current process is the lack of time for proper code and plan review. Fire code and building codes can be complex to say the least. Those codes are also revised from time-to-time and when they are, they require input from fire inspectors to make the revisions as well as stay on top of the changes. Currently Administrative Battalion Chief Skoug is tracking the amount of time that he spends searching for and reviewing fire codes. That is time taken away from his duties as the Training Officer. With new building construction, it is important that fire departments review construction plans prior to a building being erected. This is designed to eliminate any potential fire code issues before they happen. There is currently very minimal time and expertise to do this now. As Merrill continues to grow, we expect an increased need for plan review.

A final deficiency and potential safety issue with the recent COVID is the possible risk of exposure to multiple employees while conducting company fire inspections. As we found out during this pandemic, there was some value having functions performed with minimal staff and thus limiting exposure to more people. When current front line staff go back to performing company fire inspections, we will in theory be exposing them to more opportunity for them to be exposed to COVID. We need to protect our frontline staff so they can continue to serve the public on emergency responses. We cannot afford to lose them as responders.

Each year our department receives approximately \$30,000 from the 2% Dues program. That total includes 2% money from the Towns of Merrill, Rock Falls, and Scott. 2% Dues funds are deposited into a non-lapsing account for the fire department. Historically that money has been used to fund fire apparatus and equipment purchases. If we hired someone to conduct fire inspections and provide public education, we could use 2% Dues to help fund that position. As of May 31st, 2020, there is just under \$41,000 in that account.

Fire Marshal position

The ideal scenario would be creating a Fire Marshal position for the department. This position would handle all of the functions as outlined in the draft Fire Marshal job description. This position would be part of the Command Staff of the department as outlined in the draft organizational chart. As an administrative position, I would recommend the same pay scale as the current Administrative Battalion Chief position.

If approved under this format, we would change the job description and duties of the Administrative Battalion Chief to focus primarily on the EMS and Training functions of the department. Both EMS and Training would improve significantly with full time focus on those functions. The current Administrative Battalion Chief would be given the choice of continuing as the Administrative Battalion Chief with the new job duties, or accept the Fire Marshal position. Either way, we would create a promotional or hiring process to fill the vacant position.

Including benefits, we would estimate budgeting \$107,000 for the Fire Marshal position. I understand the current financial position of the city and thus realize that adding a position now is not ideal, however, the reality is that there will never be a good time. My job is to notify and advise elected officials of deficiencies within our department and provide potential solutions to resolve them.

In an effort to get this position started and start improving our fire inspection program, I would request permission to hire the position as part-time. As a part-time employee, we may need to edit the job description and focus on only having the person perform as many fire inspections as possible during a part-time work schedule. If we hired the position part-time, we would stay below the necessary work thresholds which would require the city to provide insurance and retirement benefits. If all \$30,000 of our annual 2% Dues was used to fund the position as part-time, there would be no cost to taxpayers.

Respectfully submitted,

Fire Marshal – Additional Information

- Sturgeon Bay Fire Department went through similar inspections and audit issued which resulted in hiring part-time Fire Inspector (job description attached)
 - 1) Employee is limited part-time employee
 - 2) Works 24 hours/week
 - 3) Does receive holiday pay & vacation
 - 4) \$25.00/hour or \$31,2000 annually
 - 5) Eligible & enrolled in Wisconsin Retirement System (WRS)
- WRS website shows employees hired after July 1, 2011 are eligible if they work 880 hours/year. This is approximately 16.9 hours/week.
- Employer contribution rate is 6.75%
- According to Payroll Specialist Bostrom, employees are only eligible for health insurance if they work over 29 hours/week. As a part-time employee, they would not be eligible for health insurance through the city.
- Job position is currently being reviewed by Carlson Dettmann for wage classification. We will share the results as soon as they are available.
- We fully intend to only use 2% Dues funds to pay for part-time position. If classification comes back too high, we would re-write job description.

RE: June - July 2020

Audit – 2019 – Presentation at August 12th Common Council meeting:

COVID-19 public health emergency has delayed the final audit reporting due to CLA auditor shift to primarily remote work. Dave Maccoux from CLA is now scheduled to present the 2019 audit reports at the Wednesday, August 12th Common Council meeting.

All required Wisconsin DOR and Wisconsin Public Service Commission (PSC) reports were timely submitted. I was provided the Tax Increment District (TID) section of the audit so that I could submit the required TID Annual Reports to Wisconsin DOR by July 1st.

Tax Settlement:

Clerk-Treasurer staff did a tremendous job in handling 2019 tax bill collections!

Cash & Investments – June (see attached report):

Attached is 6/30/2020 cash report. City/Utility are in solid fiscal positions.

Economic Development:

City staff and Lincoln County Economic Development Corp. (LCEDC) representatives continue to facilitate potential new developments.

Nelson's Powerhouse should open soon.

CITY ATTORNEY

REPORT FOR JULY 2020

FESTIVAL GROUNDS: We have a couple events that are happening at the Expo Center in August (they will be accommodating the 50 person rule in a single space and social distancing), a MASH blood drive and a health screening for MAPS. All other events are on hold/cancelled unless they can also keep them to 50 people or less.

DEVELOPMENT PROJECTS: The development agreement with S. C. Swiderski has been finalized on the former Fox Point property. We are looking forward to that addition to the City.

DELINQUENT PERSONAL PROPERTY: Delinquent collection letters were sent out again on July 10th to 11 businesses for a total owing of \$21,478.27. Will continue to report on collection progress. Some are likely uncollectable.

MUNICIPAL COURT: Municipal Court resumed in Tomahawk this month. With the help of the Tomahawk Police Department we were able to maintain social distancing within a much smaller building. Merrill Municipal Court is running smoothly. We have a few contested matters to take care of as well as a possible trial on one matter that has not yet been resolved.

NEGOTIATIONS: Fire contract negotiations have come to a close. Contract is in the process of being signed by the necessary parties. Rural fire contract negotiations are continuing.

SEMINARS: The Annual City Attorney's Workshop, sponsored by the League of Wisconsin Municipalities, will be "virtual" in September. That is fast becoming the new normal.

“I see people as the nucleus of a great idea that hasn't come to be yet.”

City Clerk Report – July 28th, 2020

1. Renewal/Issuance of liquor licenses was relatively smooth this year. Thank you to everyone who helped ensure complete compliance by licensees.
2. “Batch” absentee ballots for the August 11th election have been prepared and mailed. Additional absentee ballots requests are being prepared and mailed as they are received. Other pre-election work for August continues. Preliminary work related to the November election has begun.
3. Still encountering software issues/concerns related to live-streaming of meetings. We are notifying Accela as these issues/concerns arise.
4. Working with I/T Manager Brown on I/T matters as necessary.

Administrator's Report 6/19/20 – 7/23/20

New Development and Blight elimination

Tom Hayden and I met on June 25 to discuss and finalize the development agreement with S.C. Swiderski on the Fox Point project. This has been sent to them and is now signed.

Ken Maule, Bill Bialecki, and I met on June 25 to discuss the turnover of the former Hurd property from Merrill Renew Properties to the Merrill Area Development Corporation. MADC now has possession of the main building and MRP is to vacate the 17K building by October 1.

On July 2, I prepared responses to a series of questions about the Fox Point Apartment Project that I received from Jeremy Ratliff of the Foto News. An article on the project appeared in the following week's edition. This is a project that demonstrates that good things come to those who wait in that we ended up with a better project than two previous proposals.

I met several times throughout the month with Bill Bialecki, LCEDC Director, to discuss potential projects in Merrill and Tomahawk.

The expected offer to MADC for the former Hurd property has not been forthcoming. However, I talked with another Merrill manufacturing business that had expressed an earlier interest in the property. Subsequently we facilitated a tour of the main building on June 14 and a tour of the 17K and office building on June 15 with the company president and his management team. Following the second day tour we adjourned to the company offices to discuss potential terms for the purchase of the property and any potential TIF assistance. This local company needs to expand due to increased business and has the option of growing in Merrill or moving elsewhere. On June 17, we let one of the management team from this company into the main building to take measurements for laying out their production equipment. A very preliminary estimate is that it would cost this company a million dollars to bring this facility back to a manufacturing ready state. At one time this was the highest valued manufacturing facility in the City, it would be good to get this property back on the tax rolls as a working manufacturing facility.

Bill Bialecki and I met with a builder from Wausau who has been building spec houses there on June 14. He expressed great interest in building homes on the former Keinitz property and would like to start with the five lots fronting on St. Paul St. and then continue along Superior St. when it is extended through the property. This will be on the next RDA agenda.

Bill Bialecki, Gene Bebel, Jim Wedemeyer, Paul Gilk, and I met with Joe Hovel from Conover on June 15 at the Agra Pavilion. Joe is a retired log home builder who Paul Gilk wanted us to talk with about incorporating some of his unique design concepts in future Merrill projects. Prior to the meeting we viewed some of his work on-line, Joe does beautiful work.

Festival Grounds

Nick and John continue to work on the cattle barn replacing rotted sill plates and siding as time allows. They will also be working on doors, door frames, windows, and window frames and will continue through fall. Kimmons Roofing expects to begin roof repairs on the Cattle Barn in late summer or early fall.

Tom Hayden and I met with Rick Bjorklund to discuss his contract on June 24.

On June 24, I met with the Lincoln County Fair Board at the Festival Grounds to discuss the possibility of any events occurring on the grounds this year.

The Street Department has begun removing the old pavement at the Festival Grounds in preparation for the budgeted re-paving project on the grounds.

Personnel

Carlson Dettman does an annual position and salary survey. On June 22 I completed the survey and returned it to them.

Chief Klug and I met on June 23 to discuss the potential job description for a Fire Inspector position. I sent the Job Description Questionnaire to Carlson Dettman for factoring so that we know where the position would fall on our wage scale.

Tom Hayden and I talked with Michael Roman, the attorney for our insurance carrier, to discuss the latest claim made by a terminated employee who has filed previous claims.. Michael feels that we are on a solid footing with our case.

On June 29, Kathy Unertl, Jill Bostrom, Tom Hayden, and I met with John Preuss, our insurance consultant from M3 to discuss where we stand with our 2020 health insurance. At the present time, unlike previous years, we have an experience mod that shows significantly less being paid out than is being paid in. If we continue like this for the remainder of the year we should see no increase in health insurance costs for 2021. We have the ability to get quotes and potentially return to a broad network. However, this means that employees would again have to switch doctors. If our experience shifts the wrong way we would be forced back to narrow network coverage and employees would again have to switch doctors. From a convenience perspective, with our current narrow network from Aspirus Arise employees are not required to make any changes. It is my recommendation that we stay the course and not attempt a change in coverage for 2021. A zero percent increase is where we want to be. If we can get 2 good years of experience that would be the time to look at getting other quotes, we could conceivably see a decrease in premiums at that point.

On July 1 and 6, Tom Hayden, Josh Klug, and I met with the Fire union bargaining team to discuss the outstanding union contract. In the end we reached an agreement on a contract that would be presented to the union members and the City Council for ratification. The contract was subsequently approved by both parties.

Dustin Bonack, Rod Akey, and I met on July 9 to discuss personnel issues with two employees. One of these employees has been placed on a Performance Improvement Plan.

On July 14, I attended Firefighter/Paramedic Chris Clabots' retirement lunch at the fire station.

Jason Aumann has been hired as our new Firefighter/Paramedic to replace retiree Chris Clabots, Jason will begin work on July 30.

Miscellaneous

On June 23, I met with Tammie Mracheck to explain non-lapsing accounts and why program revenue needs to be used to at least partially offset operating costs so that she could explain it to the Enrichment Center Committee. We met again on June 30 to discuss programs at the Enrichment Center.

Ron Liberty and I met on June 24 to discuss some mowing complaints on private property. Ron has been doing a good job staying on top of the un-mowed properties.

Tom Hayden and I met with Bill Barnes, who represents our insurance carrier through the League of Wisconsin Municipalities on June 30. A property owner where we currently dump snow expressed a concern by his insurance carrier about the liability for potential pollution to the property. The City's insurance would only cover liability for pollution occurring over a 72 hour period, not over a longer period as the snow melted. Even though the likelihood of such pollution occurring is small the property owner wants the City to provide liability insurance coverage for such an eventuality. This insurance would cost the City \$5,000 - \$6,000 annually. In talking with Rod Akey it was decided that we would look for a new snow dump site.

On July 14, I attended the United Way Executive Board Meeting at the Menard Center. One area of concern is how COVID-19 could impact United Way donations in the face of increased demands for services from the United Way supported organizations.

Dustin Bonack, Rod Akey, and I met with the owner of Eagle Waste and his operations manager to discuss next year's recycling program. At the present time we pay no tipping fee for recyclable material at their facility in Eagle River. Due to the poor recycle material market we will have to pay a tipping fee in 2021. We also discussed the possible scenarios for future recycle and garbage collection. We can continue as we presently are doing with hand pick up, we can convert to in-house automated pick up, or we can contract for automated pickup. There is a possibility of future savings with contracted automated pick up. This needs to be a budget discussion.

Brad Brummond showed me photos of our new Merrill-Go-Round buses at the factory on June 22. They are in the process of being painted and we should see delivery soon.

COVID-19 Response

Tammie Mrachek and I met at the Enrichment Center to discuss on June 22 to discuss COVID-19 related issues such as which programs are viable given the current restrictions, how many people can attend, and how often the programs are to be offered.

On June 24, I attended the Lincoln County Board Meeting at the County Service Center. A decision was made by the Board to continue the recommendation limiting the number of individuals at an event to 50 people for the month of July. This recommendation will be reviewed at the July meeting.

I continued to participate in the League of Wisconsin Municipalities teleconference calls each week.

The Mayor and I met a couple days each week to discuss the City's response and our status. We have discussed the idea of requiring masks for the public entering City Hall and staff wearing them in common areas of the building but not in individual offices. The question is at what point do we make masks mandatory, how many cases do we need in the county before making them mandatory in City buildings? With large retailers like Walmart, Target, Walgreen's, Menards, Home Depot, Kroger, and other imposing mask rules nationally I expect many smaller businesses to follow.

I have been sending information and updates to Aldermen and Department Heads on almost a daily basis, whenever the COVID-19 numbers change or other new information becomes available.

I continue to receive phone calls and emails wanting to know why the Aquatic Center was closed for the summer, why park shelter, Expo Hall and Smith Center rental is restricted to groups of 50 or less, why the Summer Recreation Program was cancelled and other related questions, although the number has decreased.

Probation & Parole on the second floor of City hall still have not re-opened for full in-person services.
