NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City that:

(B) Tax Collection. So long as any part of the principal of or interest on the Note remains unpaid, the City shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Note, said tax shall be, from year to year, carried onto the tax roll of the City and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the City for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Note when due, the requisite amounts shall be paid from other funds of the City then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the City, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the City may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for General Obligation Promissory Note" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Note is fully paid or otherwise extinguished. There shall be deposited into the Debt Service Fund Account (i) all accrued interest received by the City at the time of delivery of and payment for the Note; (ii) any premium which may be received by the City above the par value of the Note and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Note when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Note when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Note until all such principal and interest has been paid in full and the Note canceled; provided (i) the funds to provide for each payment of principal of and interest on the Note prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Note may be used to reduce the next succeeding tax levy, or may, at the option of the City, be invested by purchasing the Note as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When the Note has been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the City, unless the Common Council directs otherwise.

Section 7. Proceeds of the Note; Segregated Borrowed Money Fund. The proceeds of the Note (the "Note Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Note into the Debt Service Fund Account created above) shall be deposited into a special fund separate and distinct from all other funds of the City and disbursed solely for the purpose for which borrowed or for the payment of the principal of and the interest on the Note. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose for which the Note has been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Note to be an "arbitrage bond" within the meaning of Section 148 of the Code or the Regulations and an officer of the City, charged with the responsibility for issuing the Note, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Note to the Purchaser which will permit the conclusion that the Note is not an "arbitrage bond," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The City represents and covenants that the Project and the ownership, management and use of the Project will not cause the Note to be a "private activity bond" within the meaning of Section 141 of the Code. The City further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Note including, if applicable, the rebate requirements of Section 148(f) of the Code. The City further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Note) if taking, permitting or omitting to take such action would cause the Note to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Note to be included in the gross income of the recipients thereof for federal income tax purposes. The City Clerk or other officer of the City charged with the responsibility of issuing the Note shall provide an appropriate certificate of the City certifying that the City can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The City also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Note provided that in meeting such requirements the City will do so only to the extent consistent with the proceedings authorizing the Note and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Designation as Qualified Tax-Exempt Obligations. The Note is hereby designated as a "qualified tax-exempt obligation" for purposes of Section 265 of the Code, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

Section 11. Execution of the Note; Closing; Professional Services. The Note shall be issued in printed form, executed on behalf of the City by the manual or facsimile signatures of the Mayor and City Clerk, sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the City of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Note may be imprinted on the Note in lieu of the manual signature of the officer but, unless the City has contracted with a fiscal agent to authenticate the Note, at least one of the signatures appearing on each Note shall be a manual signature. In the event that either of the officers whose signatures appear on the Note shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Note and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The City hereby authorizes the officers and agents of the City to enter into, on its behalf, agreements and contracts in conjunction with the Note, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Note is hereby ratified and approved in all respects.

Section 12. Payment of the Note; Fiscal Agent. The principal of and interest on the Note shall be paid by the City Clerk or the City Treasurer (the "Fiscal Agent").

Section 13. Persons Treated as Owners; Transfer of Note. The City shall cause books for the registration and for the transfer of the Note to be kept by the Fiscal Agent. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Mayor and City Clerk shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Note surrendered for transfer.

The City shall cooperate in any such transfer, and the Mayor and City Clerk are authorized to execute any new Note or Notes necessary to effect any such transfer.

Section 14. Record Date. March 15, 2021 shall be the record date for the Note (the "Record Date"). Payment on the Note shall be made to the registered owners of the Note on any interest payment date as they appear on the registration book of the City at the close of business on the Record Date.

Section 15. Payment of Issuance Expenses. The City authorizes the Purchaser to forward the amount of the proceeds of the Note allocable to the payment of issuance expenses to Old National Bank at Closing for further distribution as directed by Ehlers & Associates, Inc.

Section 16. Record Book. The City Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Note in the Record Book.

Section 17. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the Common Council or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.
