Tax Incremental Districts (TIDs)

	<u>TID Type</u>	<u>Geographic Area</u>
TID No. 3	Mixed Use	East side to N. Center Ave.
TID No. 4	Mixed Use	N. Pine Ridge/Thielman St. Area
TID No. 5	Mixed Use	Hwy 107/Taylor St. Area (See also TID No. 11)
TID No. 6	"Blighted Area"	Central Downtown to Prairie River Middle School
TID No. 7	"Blighted Area"	N. Center Ave. to Douglas St. Area
TID No. 8	"Blighted Area"	Westside Downtown to Alexander St.
TID No. 9	"Blighted Area"	Wisconsin Riverfront/S. Center Ave. Area
TID No. 10	"Blighted Area"	Highway G - former Fox Point Area
TID No. 11	Mixed Use	Hwy 107/Industrial Park Area
TID No. 12	Mixed Use	Weinbrenner Factory Area

Future TIDs:

Pending request to Redevelopment Authority (RDA) from Bryan Hoffman for potential new TID on South Center Ave.

When new manufacturing or business development occurs in City's Highway G Industrial/Business Park, another new Tax Increment District will be needed for utility and street infrastructure.

1 inch = 670 feet

B. How TIF Works

TIF allows municipalities to promote tax base expansion. The municipality identifies an area for development; this is the TID. The municipality funds the necessary infrastructure and other projects to attract private development. Then as the property value increases, the municipality uses the taxes from that increase to pay the project costs. The municipality can only use TIF to fund infrastructure investment and other eligible projects that facilitate development.

When a municipality creates a TID, the municipality and other taxing entities agree to support their operation from the existing tax base within the TID. They agree the municipality will use the taxes on the value increase in the TID to pay for the investment.

1. Sharing the tax base

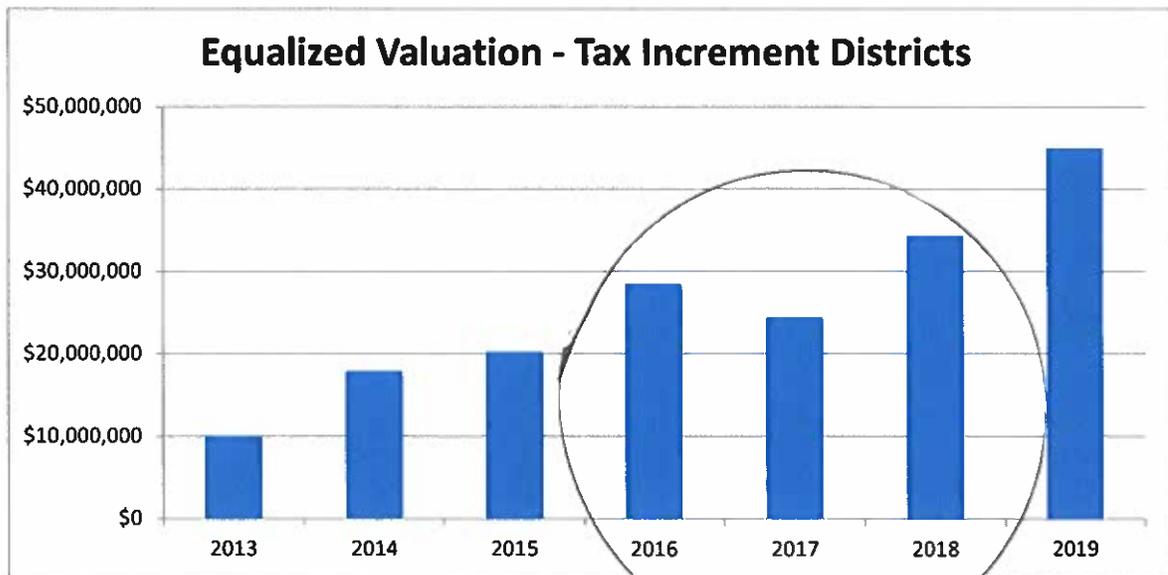

a. TID creation

When the municipality creates a TID, it establishes the base value of all the taxable property within the defined boundaries. The county, school, technical college and municipality in the chart above, make up the overlying taxing jurisdictions for the parcels in the base value. The overlying taxing jurisdictions share the tax revenue collected on this portion of the property value. After the TID is created, this tax revenue is allocated the same way as before the TID was created. In the chart, the county, school, technical college and municipality collect taxes on the property in the TID base. In areas with special taxing districts (ex: sanitary district or lake rehabilitation district), this district would appear in a row below the municipality.

Any new construction or investment in the TID property increases the value. The municipality collects the taxes on the growth in value of the property (the **Value increment**) as **Tax increment** revenue. The municipality can only use this revenue to pay for the improvements it made to the property in the TID according to the approved project plan.

Any agreement to use TIF depends on the "but for" concept. Review [But For Test](#) for more details.

Equalized Valuation - TIDs:

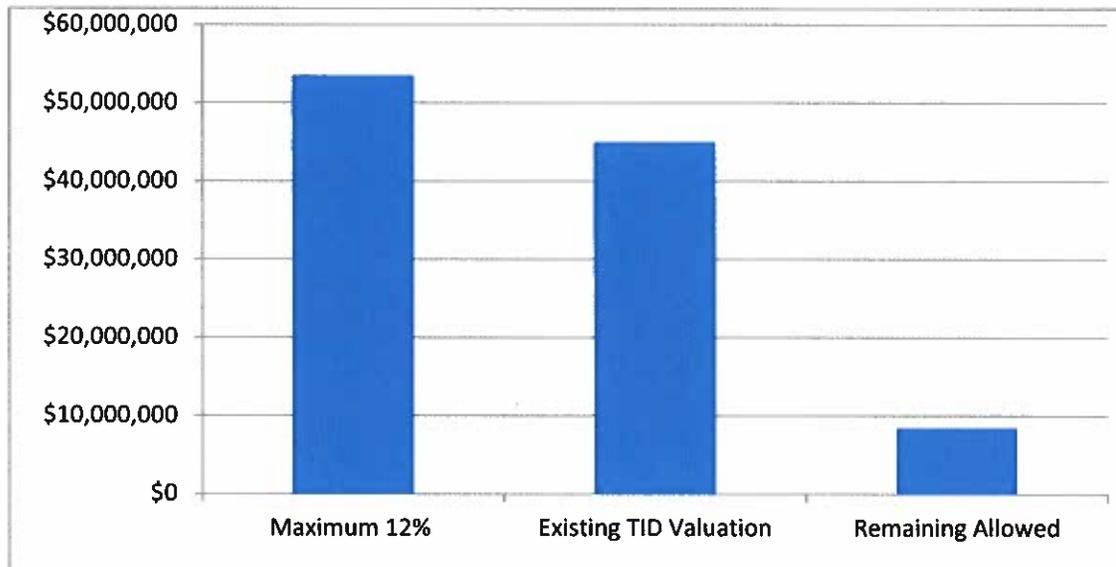

Year	Valuation (\$)	Difference	Change (%)
2013	\$9,819,800		
2014	\$17,890,400	\$8,070,600	82.19%

*** END OF REPORT ***

September 23, 2019

Mr. Tom Hayden
Merrill City Hall
1004 E 1st Street
Merrill, WI 54462

Re: Purchase Option for 1905 E. 14th Street

Dear Attorney Hayden:

Please accept this purchase option proposal for the parcel at 1905 E. 14th Street. The proposal describes our preliminary intent to develop the property for multi-family housing. We expect that our plans for the development may change and improve as we investigate and explore the possibilities and opportunities for the site with our design and construction team.

Impact Seven is committed to practice transparency and to engage the community as a partner in our work. As a condition of this offer, we commit to communicate regularly and openly with City staff and other identified stakeholders as we develop plans for the property, as information and knowledge may affect the terms and intentions described in this offer.

For purposes of this Option, "Impact Seven" and "Developer" and "Buyer" shall refer to the same party, and "Seller" and "City" and "City of Merrill" shall refer to the same counterparty.

Property address: 1905 E. 14th Street, Merrill, Wisconsin

Option price: One dollar (\$1.00)

Earnest money payment: \$25,000 due within seven (7) days of binding acceptance

Option expiration date: 180 days after binding acceptance

Property size: Approx. 5.43 acres (per survey provided by City)

Proposed use: Multi-family housing

Unit count: No fewer than 60 units

"This institution is an equal opportunity provider and employer"

Developer's due diligence: During the investigation period, Developer shall conduct such tests and enlist the counsel and advice of competent professionals so to:

- Conduct a thorough ALTA-compliant survey of the lot;
- Conduct a bona fide market study of the property with a service provider acceptable to Buyer's lender, and such market study shall support the rent and income levels projected in Developer's pro forma;
- Secure permanent financing on Buyer's preferred terms and in sufficient volume to pay fully for the cost of the development;
- Conduct soil borings and test digs on the site and to return site to good condition;
- Conduct a Phase I environmental analysis and other environmental analyses as recommended by Buyer's environmental service provider;
- Secure rezoning consistent with Buyer's proposed use for the property;
- Secure purchase approval of the Impact Seven Board of Directors as a precondition of sale.

Due diligence period: Buyer requests 180 days from the date of acceptance of this proposal to perform the tasks and due diligence investigation described above. Buyer commits to working deliberately and in earnest to investigate and to design the site within the 180-day due diligence period. Buyer may request extensions to the due diligence period in good faith and with sufficient and reasonable notice to the City.

Brokerage fees: None.

If the terms of this proposal are acceptable to the City, please sign below and return to me by any convenient means. Alternatively, please reply in writing or by phone with any proposed changes to the offer.

Thank you for your time and consideration. Please contact me with any question or concerns. I can be reached by phone at 608-405-9064 and by email at michael.carlson@impactseven.org.

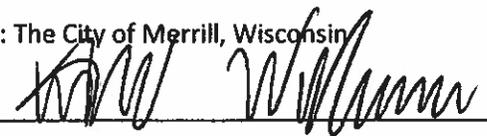

Sincerely,

Michael Carlson
Vice President, Real Estate Development
Impact Seven, Inc.

ACCEPTANCE

The proposal set forth in this Purchase Option is acceptable to the City of Merrill. I further certify that I have the full authority to execute this purchase offer on behalf of the City.

For: The City of Merrill, Wisconsin
By:  _____

Date: 9-24-19 _____

Wisconsin Department of Transportation 2020-2021 Multimodal Local Supplement (MLS) Guidelines

September 2019

Purpose and Description

The Wisconsin 2019-21 budget provides \$75 million in one-time general purpose revenue funding (GPR) for multimodal transportation projects on the local system through the Multimodal Local Supplement (MLS). The MLS program mirrors aspects of the Local Roads Improvement Program (LRIP) but is not subject to the same restrictions and is available to an expanded range of project improvement types. The program pays up to 90% of total eligible costs with local governments providing a minimum of 10% cost share.

MLS funding is available for new projects statewide related to:

- Roads
- Bridges
- Transit vehicle purchase and facility projects
- Bicycle and pedestrian accommodations
- Railroads
- Harbors

Local and tribal governments are eligible for MLS funding. A six-year project completion, i.e., project sunset, is required for approved projects, similar to the completion timeframe for other Local Programs (e.g., Local Bridge, LRIP). Each approved project will be issued a State Municipal Agreement (SMA) prior to project commencement.

The MLS program is focused on local project delivery. Local units of government can apply for design and construction or construction only; design only funding is not eligible through this program. Projects on the National Highway System (NHS) or complex projects with a federal interest may require departmental oversight to assist with environmental documents. Additional departmental oversight is available upon local sponsor request. A local project sponsor may contract with a county for administrative oversight. Local staff resource time is not eligible for funding through this program.

MLS projects can be locally let, must be advertised for bid for a minimum of 15 days, and contracts awarded to the lowest responsible bid. Low bid procurement of asphaltic hot-mix only is eligible for funding as part of an eligible MLS project, but project total costs must meet the MLS minimum threshold for funding consideration.

Funding and Project Selection

MLS funding is split between the following local government types:

Allocation	County	City/Village	Town	Total
Multimodal Local Supplement (MLS)	\$26,669,333	\$19,039,500	\$29,291,167	\$75,000,000
After Kaukauna Bridge Set Aside ¹	\$26,082,667	\$18,452,832	\$28,704,501	\$73,240,000

MLS is a reimbursement program, allowing for partial reimbursement as the local sponsor incurs costs throughout the project. Local sponsors are responsible for any project cost overage beyond the award amount.

¹ Consistent with biennial budgetary discussions, \$1.76M of MLS funding is reserved for the Kaukauna Veterans Memorial Lift Bridge (\$2.2M project cost reimbursed with 80% state funding). This reserved amount is split between the three funding categories (\$586,666 from each category).

The project selection process is competitive, with an emphasis on measurable economic benefits, and involves stakeholder input. Equitable geographic distribution² is a consideration in the formation of project selection committees and for the final project selections.

The following table illustrates the MLS committee structure:

MLS Proposed Committees ³		
Counties	Towns	Cities/Villages
Statewide committee comprised of 8 County Highway Commissioners, one from each of the 8 established WCHA districts.	Statewide committee comprised of up to 12 town officials, 2 from each WTA district. The committee will also include industry representatives from timber, dairy and agriculture.	Statewide committee comprised of up to 12 city/village local officials.

If a tribal government application is received for the MLS program, a tribal government representative will be appointed by the WisDOT Secretary's office to sit on the committee that reviews the application.

MLS application materials are posted to the WisDOT website: <https://wisconsin.gov/Pages/doing-bus/local-gov/astnce-pgms/default.aspx>. MLS project applications are submitted to WisDOT DTIM using the e-mail address provided in the application instructions: DOTLocalPrograms@dot.wi.gov.

The MLS project application deadline is 5:00 pm on Friday, December 6, 2019. Submitting applications prior to the deadline allows WisDOT additional time to review applications and communicate with local sponsors regarding outstanding questions. Late applications will not be accepted.

MLS has a minimum project total cost of \$250,000 for counties, cities and villages and a minimum project total cost of \$50,000 for towns. The maximum MLS project award amount is \$3,500,000.

The committees will use a scoring rubric as follows:

A. Project Type Scoring Evaluation – All Projects Scores Under One Criteria		
Project Type	Score	Evaluation Criteria (would be fully developed by appropriate section)
Road/Bridge	0-25	Safety, serviceability, project type, e.g., reconstruction, traffic
Transit	0-25	Increases ridership, asset management
Railroad	0-25	Asset management, increase capacity, safety
Bicycle Pedestrian	0-25	Safety, modal shift, accessibility
Harbor	0-25	Increases capacity, infrastructure improvements
Multiple*	0-25	Equalized score based on multiple project types
B. Universal Evaluation - All Projects Scored Under Each Criteria		
Category	Score	Evaluation Criteria
Economic Impact	0-10	Transportation importance to community
Connectivity	0-5	Connections to or accommodations for other modes
Cost Effectiveness	0-5	Viability of proposed solution compared to other treatment alternatives
Other	0-5	Additional considerations, such as regional significance
Total Score = Project Type Score (A) + Universal Evaluation Score (B)		

*Projects with more than one mode are limited to a total of 25 points.

² Each committee will be comprised of local officials from geographic areas that ensure statewide representation. Final project award selections from each committee will represent a distribution of funding to urban and rural areas across the state

³ MLS Committee members are recommended by the Wisconsin County Highway Association (WCHA), Wisconsin Towns Association (WTA) and League of Wisconsin Municipalities (LWM), respectively, and approved by the WisDOT Secretary. WisDOT staff or other designees may serve on each committee.

Final project selections are forwarded by the statewide MLS committees to the WisDOT Secretary for final award. Project awards will be announced in early 2020.

Local Sponsor Eligibility

All project applications must be submitted by an eligible sponsor. Local units of government with the taxing authority to guarantee the availability of local match funds are eligible project sponsors.

Wisconsin's eleven federally recognized tribal governments are eligible to apply for project funding. Tribal governments may apply to any MLS category. If a tribal government application is related to a specific county or municipal facility, the application will be forwarded to that selection committee.

If a project is sponsored on behalf of a private organization, the public sponsor retains responsibility for the project. However, the public sponsor will enter into a legal agreement with the private organization to ensure that the private party complies with all applicable requirements of the program.

Project Eligibility

Project funding is available for new projects. MLS funding cannot be added to existing WisDOT state or federally funded projects. MLS project applications are not subject to the eligibility rules of other WisDOT local improvement programs.

- Project funding is available for road and bridge replacement, reconstruction, rehabilitation or widening. Construction of new roads or bridges are eligible for funding. Equipment purchases are not eligible for funding through this program. Connecting highways are not eligible. Road or bridge projects located on the National Highway System (NHS) or complex projects may require departmental oversight.
- Project funding is available for transit vehicle purchase, transit equipment and transit facility construction projects. Operations costs are not eligible for funding through this program.
- Project funding is available for bicycle and pedestrian on-road and off-road trail facilities, rails to trails and historic transportation facilities. Outdoor advertising and vegetation management practices are not eligible through this program.
- Project funding is available for rail line rehabilitation, passenger rail and intermodal freight facilities. Railcar acquisitions are not eligible for funding through this program.
- Project funding is available for harbor dredging, port infrastructure expansion and repair of dock walls. Operations costs are not eligible for funding through this program.

Real Estate and Utilities

Real estate project costs under \$100,000 must be entirely locally funded. Local project sponsors should be aware of federal Uniform Act guidelines when purchasing real estate for an MLS project. Utility costs related to relocation, removal or new utilities are ineligible for funding through this program.

Historical, Natural and Archeological Resources

All state and federal environmental regulations need to be coordinated through the appropriate regulatory agency. The acquisition of Department of Natural Resources (DNR) and Wisconsin Historical Society (WHS) permits are the responsibility of the project sponsor.

Post-Approval Process

Sponsors are responsible for all project costs incurred prior to notification that project authorization has occurred. Sponsors must not begin work on any phase of the project for which they will seek reimbursement until receipt of notification from WisDOT that this work can begin to incur costs.

Project Changes

Sponsors must contact WisDOT if a project cannot be implemented as outlined in an original application. MLS funding is both limited and competitive, and initial award levels cannot be increased.

Project Completion/Reimbursement

Project reimbursement documents may be submitted to WisDOT before completion of the project for partial project reimbursement. MLS reimbursement request forms will be provided with the signed SMA and the authorization to incur costs form. Expenditures incurred prior to authorization are not eligible for reimbursement. Project reimbursement documents may also be submitted to WisDOT at time of project completion for one-time reimbursement. Total project reimbursement amounts cannot exceed initial program award amounts.

Project reimbursements will be issued to the primary sponsor. The following required documentation must be submitted to WisDOT upon request of reimbursement:

- A copy of the advertisement to bid – ideally an Affidavit of Publication – identifying the text of the ad, the name of the publication in which it was placed and the dates it was advertised. MLS projects can be locally let, but must be advertised for bid for a minimum of 15 days.
- Lowest responsible bid award and rejection notices or dated board minutes, including action taken.
- An Exception to Standards, if applicable to the project.
- Documentation to confirm contractor(s) payment.

Records Retention

Documentation for each project must be kept for 12 years from date of project completion. WisDOT expects MLS sponsors to keep accurate records and reports, such as payroll documents and material specifications pertaining to construction activities, in the event of an audit. When WisDOT performs project reviews, the sponsor is required to supply copies of all project documentation.

WisDOT Statewide Program Contacts for Multimodal Local Supplement

Merrill Mechler-Hickson
DOT Program Officer
merrill.mechlerhickson@dot.wi.gov
Phone: (608) 261-8977

Ryan Spaight
MLS Program Manager

MLS Informational Webinars:

- **Monday, September 30, 2019: 9:00 am to 10:30 am**
- **Wednesday, October 2, 2019: 1:00 pm to 2:30 pm**
- **Thursday, October 10, 2019: 2:00 pm to 3:30 pm**

MLS informational webinars are optional, and each contains similar information. We recommend potential sponsors sign up for one webinar. If you are interested in participating in a MLS informational webinar, please select one of the dates and send an e-mail to the following WisDOT email address:

DOTLocalPrograms@dot.wi.gov. Specific webinar links will be sent to you prior to the date(s).

**City of Merrill - Tax Increment District No. 3
East Side (State Hwy 64 Corridor)**

District Classification: Mixed Use
 Creation Date: 09/13/05
 End of Expenditure Period: **09/13/20** Last year for new capital expenditures or new development agreements
 Maximum Life: 09/11/25
 Final Revenue Year: 2026 Plan to extend for 2027 for Affordable Housing

Fiscal as of:	Fund	
	Balance	
12/31/2018	\$533,870	of which \$530,000 was for M2018 carryover construction project so adjusted balance \$3,870
12/31/2019	\$5,000	Preliminary - The \$150,000 restaurant land purchase from Wal-Mart is pending. In addition, there should be Tax Increment Sharing to TID No. 6, No. 7, and No. 8.

11/7/2019 - There are pending infrastructure construction invoices and borrowing-related journal entries.

Note: Planned TID Sharing Plan amendment to allow transfers to TID No. 9.

Proposed 2020 infrastructure project:

Proposed Mill St. improvement from E. 1st St. to E. Main St.

Proposed Merrill Festival Grounds paving (equivalent of E. 2nd St. between Sales St. and Memorial Dr.)
